Abortions Elijah Paul,2021-03-11 This book was not written to attack homosexuals bisexuals transgenders and abortionists but to inform them that God is not pleased with their behavior God loves all humans and blesses all humans but he is not pleased with all humans Just as we as parents love all of our children the obedient children bring more joy to the life of

parents but parents are not pleased with disobedient children although they still love them This book was indeed written to remind Christians who support homosexuality and abortions that God is not pleased with them either and God is just as displeased with them as he is with homosexuals bisexuals transgenders and people who support or participate with abortions because Christians who support them are partakers with their sins 1 Tim 5 22 Rev 18 4 The Bible says Be not partaker or accessory to other people s sins that you may not receive the sickness and punishment that they receive for their sins and to keep yourself pure 1 Tim 5 22 Rev 18 4 Christ says that he spits Christians out of his mouth who are not totally committed to him and to the Word of God Rev 3 15 16 Christ himself is the Word of God John 1 1 14 1 John 5 6 8 This book is one of God s responses to Barack Obama s support of abortions late term abortions the legalization of gay marriages gays adopting children and transgenders using the restrooms and locker rooms of people of the opposite sex and transgenders playing sports with children of the opposite sex The statements in this book are not meant to be aggressive toward homosexuals and other sinners who are not gay but are indeed written in response to an all out aggressive attack on the Word of God by the media politicians some celebrities and other anti God people and organizations John 1 1 14 1 John 5 6 8 When Christ lived on earth the Romans ruled Israel and had the authority to kill Christ or set him free but the Jews Christ s own people demanded that the Romans crucify Christ When gay marriages were legalized in the United States Pres Barack Obama and the Supreme Court were the equivalent to the Roman government that ruled Israel and Christians who approved of and supported abortions and homosexuality were the same as the Jews who demanded that Christ be crucified Some Christians demanded that Barack Obama and the Supreme Court disregard God s Word and legalize gay marriages and late term abortions just as the Jews demanded that Christ be crucified This book highlights the ungodly laws and practices that Pres Barack Obama help to initiate and the author is one who stands with God and for God and against anti God and anti Christ leaders regardless of race or color The only thing that matters is the saving of the souls of human beings from all races Every statement against abortions and homosexuality in this book is supported by Bible scriptures at the end of the statement Nothing was written based on personal opinion propaganda politics or people pleasers Everything written is according to the written Word of God Almighty and according to thus says the Lord Three Bonus Readings are included The Bonus Readings are titled Confessing with Your Mouth and Believing in Your Heart Baptism and Coronavirus COVID 19 The three bonus readings were added to help strengthen the life of both devout Christians and people who are new to the body of Christ and to help people who Christ is calling to be true servants of the Lord May the Lord Jesus Christ continue to bless you and your family as you read and live now and forever Amen

The Sovereignty of God and The Godhood of God Arthur W. Pink,2016-09-17 Many people in today s world have a difficult time justifying the thought of God s sovereignty in our troubled world Pink tries to answer such questions by showing that God is in control in creation and salvation how that works with humanity s free will and finally how we should react in these dark times

The Sovereignty of God Arthur Pink,2023-12-16 In The Sovereignty of God Arthur Pink presents a profound exploration of divine sovereignty intertwining theological depth with an accessible literary style that invites contemplation Pink articulates the significance of God s supreme authority over all creation asserting that to understand human existence fully one must grapple with the implications of divine control The text is situated within the broader context of early 20th century evangelicalism where it reaffirms classical Reformed doctrines through a series of incisive arguments and scriptural exegesis challenging contemporary theological trends that downplay God s sovereignty Arthur Pink a prominent theologian and biblical scholar of his time was deeply influenced by the Puritan tradition and the Reformed faith His writings reflect a commitment to biblical orthodoxy often addressing the tension between God s sovereignty and human responsibility Drawn from his own struggles and theological inquiries during an era marked by modernism Pink s insights in this book resonate with both fervent believers and seekers alike inviting readers to confront profound existential questions underpinning the Christian faith I highly recommend The Sovereignty of God for anyone seeking a deeper understanding of God s nature and authority Pink s arguments not only challenge readers intellectually but also enrich their spiritual lives making this volume an indispensable text for theologians students and laypersons eager to grasp the full scope of divine governance in a complex world

The Voice of God in the Present Hour Reuben Archer Torrey,1917 *Tolstoy's Quest for God* Daniel Rancour-Laferrriere,2017-07-28 The religious dimension of Tolstoy s life is usually associated with his later years following his renunciation of art In this volume Daniel Rancour Laferrriere demonstrates instead that Tolstoy was preoccupied with a quest for God throughout all of his adult life Although renowned as the author of War and Peace Anna Karenina The Death of Ivan Ilych and other literary works and for his activism on behalf of the poor and the downtrodden of Russia Tolstoy himself was concerned primarily with achieving personal union with God Tolstoy suffered from periodic bouts of depression which brought his creative life to a standstill and which intensified his

need to find comfort in the embrace of a personal God At times he was in such psychic pain he wanted to die Yet Tolstoy felt that he deserved to suffer and he learned to welcome suffering in masochistic fashion Rancour Laferriere locates the psychological underpinnings of Tolstoy s suffering in a bipolar illness that led him actively to seek suffering and self humiliation in the Russian tradition of holy foolishness With voluntary suffering and Jesus Christ as his model Tolstoy advocated nonresistance to evil and in his daily life he strove never to return evil actions or words with physical or verbal resistance On the other hand being bipolar Tolstoy in some situations would drift in a manic direction indulging in delusions of grandeur Indeed the aging Tolstoy occasionally went so far as to equate himself with God as can be seen from his diaries and personal correspondence The pantheistic world view which Tolstoy achieved at the end of his life meant that God was within himself and within all people and all things in the entire universe By this time Tolstoy was also utilizing images of a mother to represent his God With this essentially maternal God so conveniently available there was nowhere Tolstoy could be without Her For in the end Tolstoy s quest for God was a **An Exposition of All the Books of the Old and New Testaments** Matthew Henry,1804 The Works of Thomas Goodwin, D.D.
