design The introduction by Hill and Deegan situates *The Dress of Women* within Gilman's intellectual work as a sociologist and relates her sociological ideas to the themes she developed in some of her other works Although written in 1915 Gilman's treatment of clothing and dress remains relevant This pioneering effort adds substantially to Gilman's reputation as a sociological theorist and feminist In addition it represents one of the earliest full length specifically sociological analyses of clothing and the fashion industry Ultimately the author concludes that harmful and degrading aspects of women's dress are amenable to reform if men and women will work together rationally to change the controlling institutional patterns of the society in which they live This groundbreaking work will appeal to those interested in Gilman feminist theory sociological theory social psychology women's literature and women's studies *Love Entwined* Helen Sheumaker, 2007-05-29 Using a wide array of evidence drawn from poetry fiction diaries letters and examples of hairwork *Love Entwined* traces the widespread popularity of the craft from the late eighteenth to the early twentieth century *Stranger In My Heart* Mary Monro, 2018-06-09 *Stranger In My Heart* is about the search for understanding oneself answering the question Who am I by seeking to understand the currents that sweep down the generations eddy through one's own persona and continue on palpable but often unrecognised My father fought at the Battle of Hong Kong in December 1941 was taken prisoner by the Japanese and then escaped in February 1942 making his way across 1200 miles of inhospitable country to reach China's wartime capital at Chongqing Seventy years later I retraced his steps in an effort to understand a man who had died when I was 18 leaving a lot of unanswered questions behind My book is the quest that I undertook to explore my father's life in the context of the Pacific War and our relationship with China A picture of a man of the greatest generation slowly unfolds a leader a 20th Century Great but a distant father As I delve into his story and research the unfamiliar territory of China in the Second World War the mission to get to know the stranger I called Dad resolves into a mission to understand how my own character was formed As I travel across China the traits I received from my father gradually emerge from their camouflage The strands of the story are woven together in a flowing triple helix with biography travelogue and memoir punctuated with musings on context and meaning **DOMS Need Love Too!** Allan D. Moore, 2009-03 In the humorous novel *DOMs Need Love Too* a Yale psychology professor encounters a small group of healthy vigorous flag loving seniors at a racquetball and health club and secretly decides to create a case study out of the merry makers better known as the Day Old Muffins Middle aged Eve is obligated to submit an academic paper titled *Men Without Partners* to the University at the conclusion of the school year When she witnesses the senior comrades hitting on a young pretty maiden with an array of grandiose promises she is both dismayed and intrigued by their sophomoric behavior As Eve infiltrates the voyeuristic group to study their chauvinistic attitudes she wonders if there is such a thing as male menopause a condition that causes men to overcompensate a diminished libido Eve is surprised to find the men boast an intellectual depth beyond her expectations and as two Day Old Muffins vie for her attention jealousy extortion and love encircle the group complicating matters even further
