Hollywood Stardom Paul McDonald, 2012-11-26 By integrating star studies and film industry studies Hollywood Stardom reveals the inextricable bonds between culture and commerce in contemporary notions of film stardom Integrates the traditions of star studies and industry studies to establish an original and innovative mode of analysis whereby the star image is replaced with the star brand Offers the first extensive analysis of stardom in the post studio era Combines genre narrative acting and discourse analysis with aspects of marketing theory and the economic analysis of the film market Draws on an extensive body of research data not previously deployed in film scholarship A wide range of star examples are explored including George Clooney Mel Gibson Tom Cruise Daniel Day Lewis Tom Hanks Will Smith and Julia Roberts *Come Back Home* Will Thieman, 2022-11-03 *Come Back Home* is a gripping tale about two young people who become engulfed in the toil of World War II Walter Wilson meets Abby Walker during the summer of 1943 They fall in love but there are two huge obstacles that could shatter their romance First Abby comes from an upper class family whereas Walter is born into the middle class As a result Abby's father doesn't want the relationship to blossom He doesn't believe that Walter is good enough for his daughter and would prefer for her to date someone from the upper class Abby's father will do what he can to ensure the relationship ceases to exist Second the United States has been dragged to war in Europe and the Pacific Walter is young patriotic and naive and wants to fight for his country This drive to fight overseas certainly has the chance to destroy the love between Abby Walker and Walter Wilson Timing and circumstances couldn't be worse for Abby and Walter World War II has wrecked the lives of many people This is a story about two young people and how they navigate their love for each other during one of the most trying times in history Scribner's Magazine Edward Livermore Burlingame, Robert Bridges, Alfred Sheppard Dashiell, Harlan Logan, 1926 **Work Place Sabotage** Gerald Mars, 2019-03-25 This title was first published in 2001 The examples cited in this study of sabotage in the working environment range from sophisticated tricks played in Western factories to natural reactions to inferior or unhealthy working practices in for example Malaysia and India The book contains articles from various contributors which cover numerous topics within the subject including crime and punishment in the factory employee and organizational sabotage and management techniques to prevent sabotage *Mostly Canallers* Walter D. Edmonds, 1987-06-01 Edmund Wilson felt this collection of twenty four stories originally published in 1934 contains some of Walter Edmonds' best work The Atlantic Monthly wrote that Upstate New York has provided Edmonds with an inexhaustible store of characters one would like to know A number of the stories were award winning and appeared in such collections as Best Stories of 1929 and The O Henry Memorial Award Prize Stories Black Wolf The End of the Towpath Death of Red Peril these and others faithfully depict an era and region for which Edmonds became chief literary spokesman Episodic and anecdotal they catch in various ways something of the nuances of real life as it was in the days when the Erie Canal offered a passage west for many travelers and settlers and a livelihood for many more **Decisions and Orders of**
