The Man Under the Hill Rick Kephart, 2005-10-01 A little boy named Albert sees an explosion late one night and later discovers that he has the power to put up an invisible shield around himself. He finds there are 5 other people who also saw the explosion, each receiving a unique power as a result. They also feel a tremendous need to rescue a man who is trapped under a hill somewhere. By combining their powers, they are able to send Albert to the hill, but it is in a place where everyone speaks in a strange language, Analin Huhhul. The language has a full grammar and vocabulary so you can try to figure it out along with Albert and see how long it will take for you to start being able to understand some of what the people of Huhhul are saying.
