Saint Augustine's Anti-Pelagian Works Philip Schaff, 2017-10-23 Where traditional Christianity has always affirmed that sin can only be atoned by the sacrifice of Christ the theory that the human will is able to earn salvation of its own accord was the basis of Pelagian thought Augustine in this series of works fought vehemently against such ways of thinking because he wanted to make people realize that Christ is the one and only way to find true salvation

The Aesthetic Use of the Logical Functions in Kant's Third Critique Stephanie Adair, 2018-06-25 In the third Critique Kant details an aesthetic operation of judgment that is surprising considering how judgment functioned in the first Critique In this book I defend an understanding of Kant's theory of *Geschmacksurteil* as detailing an operation of the faculties that does not violate the cognitive structure laid out in the first Critique My orientation is primarily epistemological elaborating the determinations that govern the activity of pure aesthetic judging that specify it as a *bestimmte* type of judgment without transforming it into ein *bestimmendes Urteil* I focus on identifying how the logical functions from the table of judgments operate in the pure aesthetic judgment of taste to reveal the moments to which this power of judgment attends in its reflection CPJ 5 203 In the course of doing so a picture emerges of how the world is not just cognizable in a Kantian framework but also charged with human feeling acquiring the inexhaustible inchoate meaningfulness that incites much thinking CPJ 5 315 The universal communicability of aesthetic pleasure serves as the foundation that

grounds robust intersubjective relations enabling genuine connection to others through a shared a priori feeling *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E. Smith* ,1911 **The Harleian Miscellany** ,1810 **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church** Philip Schaff,1887
