## Fun Deadly Games:

**Deadly Games** Karen Rock, 2018-07-17 ONE NIGHT ONLY Special Agent Katherine Bowden doesn't do girls nights out. She doesn't do blazing hot dances with male strippers or unbelievable uninhibited one night stands. If you ask her, all she does is work study evidence, profile criminals, track them down. And now Katherine's back home in Dallas with a new set of all male colleagues second-guessing her every move and a possible serial killer hunting women just like her. But just this once Katherine is going to try all those things she doesn't do. Growing up on the Reservation led Nash Hawkins down paths he'd rather forget. When his dream of joining the police force was crushed, he turned his hard body and wicked imagination into a meal ticket. His chemistry with Katherine is like nothing he's ever felt. And though he's sure a woman like her won't want to get seriously involved with him, Nash knows things that might help catch a killer. Nash and Katherine can save lives if they put aside the desire that torments them both. But the closer they get, the more they have to lose. A highly entertaining and cohesive suspense novel with an emotionally satisfying romance that will keep readers glued to the page.
