Program Evaluation Standards Joint Committee on Standards for Educational Evaluation, James R. Sanders, 1994-04-06
 The Program Evaluation Standards is a must have book for anyone responsible for reviewing evaluation proposals planning
 and conducting evaluations managing evaluation projects or judging the merit and worth of evaluations once completed For
 experienced practitioners it provides a set of values and principles by which to guide successful practice that is a set of
 criteria that determines whether educational evaluations are trustworthy and fair The Standards sets expectations of the
 design and implementation of educational evaluation for all practitioners in all types of educational arenas even those
 involved in social programming endeavors For newcomers and those less experienced who may be responsible for
 commissioning and using evaluations the Standards supplies a useful framework of generating a list of questions to raise
 about any evaluation plan or final report in an effort to assess its pros and cons The book is an invaluable how to resource for
 graduate students venturing out into the field and it instills a sense of what it means to be a responsible evaluator For clients
 or consumers the book offers advice on what they should expect of an evaluation Publisher description **Educational**
