Hands On Bible Scripture Songs That Stick:

Sticks, Stones & Songs Eleanor Corey, 2015-01-22 The author's parents come from respectable stock God honoring community centered and self made When her father Arthur Corey goes off the deep end of religion to become an itinerate preacher his relatives don't understand Nor does Margaret his wife nor does her extended family at least for a time The story is told in three parts Chronicle One begins in 1937 with Arthur's purchase of an abandoned grange hall that becomes the Grange House into which babies including the author are born one after another after another The children grow up within the shadow of a father's strong character and unpredictable style and under the tutelage of their faithful mother all the while living without electricity next to an outhouse where catalogs are used instead of toilet paper This clan becomes skilled in facing challenges with grit in adapting throwaways into tools and in building experiences into strengths Chronicle Two is the author's first person story beginning with her earliest memory The memory of taking apart the Grange House while living in it and carrying it down the highway piece by piece to build a barn like temporary shack that becomes the Farmhouse During the next twelve years the family grows by two more babies some in laws and multiple foster children All the while working toward the day that We finally have a real house Chronicle Three brings the entire clan together for the first time in 27 years at a family reunion a time of reacquaintance restoration and renewal

Lanci,2002 In Texts Rocks and Talk biblical scholar and teacher John Lanci suggests that many have lost the ability to focus on the essentials to experience a Jesus Christ alive and powerful in our midst He responds by inviting readers on a journey back to the Bible Lanci conveys the experience of interpreting the Bible inviting readers to witness the interpretation of one particular passage from the Hebrew Bible and one

from the New Testament from start to finish Along the way he covers some of the same ground that biblical introductions present as he explains what interpreters do and why they do it Readers will gain a deeper understanding of the need to interpret texts and greater confidence in their ability to enter into the conversation that sacred texts provide They will also have a greater confidence in the possibility that their Christian community can open itself up to that divine conversation

Preaching to Be Heard Lucas O'Neill, 2019-02-13 If a sermon is preached in a church and no one is listening does it make a difference There are many expository preachers who forego dynamic delivery and many dynamic preachers who lose sight of faithfully communicating the biblical text Too often preachers feel they have to choose one or the other But dynamic delivery and faithful exposition are not mutually exclusive In *Preaching to Be Heard* Lucas O'Neill shows pastors that presenting engaging sermons that are biblically focused is not an impossibility In fact the key to commanding attention lies in the text itself Rather than relying on tricks or gimmicks his approach to sermon writing focuses on maintaining tension throughout while sticking close to the biblical text Using practical examples and a step by step method O'Neill shows pastors how relying on the inherent anticipation within Scripture can lead to sermons that are powerful and heard
