Bucket Walkers Phyllis Del Puppo, 2022-06-27 Julie s family has refined their love of hiking and huckleberries into the art science and sport of bucket walking Whether food for the belly or food for thought there s nothing better than heading out with an empty bucket and coming home with it full of berries or at least a good story to tell The family usually gathers enough huckleberries to keep them in cobblers and pies all winter long plus a good supply of narrative to feed on On a misty summer morning in 1955 eleven children pile out of the family Plymouth and head into mountain pastures exultantly free of parents in search of huckleberries and adventure Lovingly recalled decades later by Julie the youngest of the Eleven the resulting expedition threads through story and song disaster delight angst and laughter Julie and her siblings crisscross the mountainside tangling those threads in a colourful muddle as eventful day turns into stormy night The Eleven hope all will eventually sort itself out if they just stick to the Rules of Huckleberry Picking and look after each other The six brothers and five sisters grow up a bit during their longest day and inadvertently set off a chain of

Thomas Burke's Dark Chinoiserie Anne Veronica Witchard, 2017-03-02 Focusing on Thomas Burke's bestselling collection of short stories *Limehouse Nights* 1916 this book contextualises the burgeoning cult of Chinatown in turn of the century London London's Chinese Quarter owed its notoriety to the Yellow Perilism that circulated in Britain at the fin de siècle a demonology of race and vice masked by outward concerns about degenerative metropolitan blight and imperial decline Anne Witchard's interdisciplinary approach enables her to displace the boundaries that have marked Chinese studies literary studies critiques of Orientalism and empire gender studies and diasporic research as she reassesses this critical moment in London's history In doing so she brings attention to Burke's hold on popular and critical audiences on both sides of the Atlantic A much admired and successful author in his time Burke in his Chinatown stories destabilizes social orthodoxies in highly complex and contradictory ways For example his writing was formative in establishing the queer spell that the very mention of Limehouse would exert on the public imagination and circulating libraries responded to Burke's portrayal of a hybrid East End where young Cockney girls eat Chow Mein with chopsticks in the local cafés and blithely gamble their housekeeping money at Fan Tan by banning *Limehouse Nights* Witchard's book forces us to rethink Burke's influence and shows that China and chinoiserie served as mirrors that reveal the cultural disquietudes of western art and culture
