Have you ever wanted to learn a foreign language? Are you planning on taking a trip to Japan soon? Are you looking to expand your knowledge base but not sure where to start? If you answered yes to any of these questions, then keep reading. When it comes to learning language, most people are afraid of an Asian language. This is understandable, considering the fact that they are so different from the English language or other Latin-based languages. This is why native English speakers find it easier to learn languages like Spanish, Italian, or German. These languages are closer to English in many different ways. That being said, you shouldn't let this keep you from learning a language you have always dreamed of learning. This book is here to take the scary out of learning how to speak Japanese. Japanese is not only an interesting language, but it is also beautiful. In fact, once you have learned the basics in verb conjugation, grammar, and common words, you can hold a pretty decent conversation easily. This book is here to help take you from having zero knowledge of the Japanese language to being able to ask for things in Japanese with confidence. Throughout these pages, you will learn:

- What the kana is.
- The basic verbs that everybody needs to know.
- The best ways to start a conversation.
- How to ask for directions if you ever find yourself lost.
- How to go on vacation with ease.
- The basic aspects of grammar.
- 10 tips to help you learn Japanese quickly.
- 5 things that you should avoid saying.

And much more. Learning a foreign language of any kind shouldn't be a daunting task. It should be something fun, like learning how to play the guitar. And much like learning a musical instrument, you need to use it to understand it. If you are serious about learning Japanese, then you need to get this book. Don't put this off any longer. Scroll up and click the add to cart button right now and start learning Japanese today.
