Esu-Elegba's Crossroads Eric Mayer-García, Solimar Otero, 2025-04-25 This book features a collection of essays and testimonials that provide new perspectives and incisive criticism on the writings and theatrical productions of Nigerian American author director and theorist Femi Euba Esu the Yoruba trickster deity of the crossroads brings cohesion to this

project and serves as a guiding principle for its contributors who draw upon Esu's mysteries to illuminate distinctive characteristics of Euba's oeuvre. As a key figure of Wole Soyinka's circle, Euba's literature theory research and artistic practice deeply engage with the works of Soyinka. The contributions to this volume uncover multiple connections between these two artists and break ground in scholarship by considering their works together through comparative analysis. The voices of leading and emerging scholars bring together African Drama, Comparative Literature and Theatre History in an interdisciplinary discourse on Euba which greatly complements his vast achievements. Chapters delve into Euba's cultural theory informed by Esu, particularly his theory of satire, and offer insight into many of his creative works including *Camwood at Crossroads*, *Tortoise The Gulf* and *The Eye of Gabriel*. The chapters in this book were originally published as a special issue of *Atlantic Studies*.

Hannah's Journey Kay Davis, 2019-09-09. Hannah Smallwood is no stranger to personal tragedy. At age eight, she lost her parents and was sent to live with an aunt she barely knew. Years later, she has somehow managed to emerge from her heartbreak stronger, more self-assured, and focused on her career. Still, there is just one person from her past she has never forgotten: the first man to break her heart, Micah Ray. Despite her unresolved feelings for Micah, Hannah is certain she still likes men. Unfortunately, she has not met one she is willing to risk her heart on until her hunky neighbor, Dylan Cook, introduces himself one day. While she is contemplating what to do about the magic she feels with Dylan, Micah unexpectedly reenters her life. Still, Hannah and Dylan's chemistry cannot be denied, and they soon marry. But when tragedy strikes again, Hannah must face the ghosts of the past before she can ever embrace the hope of healing and decide if lasting love is worth it all. *Hannah's Journey* shares the tale of

one woman's journey to find love and herself as life leads her down an imperfect path lined with new beginnings
