La Dirindina

Francesco Izzo (Musicologist)

La Dirindina:

Domenico Scarlatti Ralph Kirkpatrick, 2020-07-21 Again available in paperback this definitive work on the genius of Domenico Scarlatti 1685 1757 is the result of twelve years of devoted effort by America's foremost harpsichordist and one of the principal authorities on eighteenth century harpsichord music Mr Kirkpatrick traveled extensively to collect material that has tripled the known facts about Scarlatti's life providing the first adequate biography of one of the greatest harpsichord composers of the eighteenth century and one of the most original composers of all time The second half of his book is an illuminating study of Scarlatti's 555 sonatas concluding with a chapter on their performance The book contains extensive appendixes including discussions of ornamentation and Scarlatti's vocal music and an updated section of addenda and corrigenda

The Baroque Libretto Domenico Pietropaolo, Mary Ann Parker, 2011-01-01 The Baroque Libretto catalogues the Baroque Italian operas and oratorios in the Thomas Fisher Library at the University of Toronto and offers an analysis of how the study of libretto can inform the understanding of opera

The Pianist's Craft Richard P. Anderson, 2012 No pianist can experience the full flowering of her art without eventually grappling with those great musical minds who composed specifically for piano In *The Pianist's Craft* Richard Anderson collects from his fellow pianist scholars 19 articles on the teaching preparation and performance of works by the greatest composers in the standard piano repertoire This collection ranges in subject matter from Inge Rosar's meditation on playing Bach on the modern keyboard to Gary Amato's assessment of Haydn's sonatas from Christie Skousen's review of tone production in Chopin to Gwenolyn Mok's foray into recreating Ravel's works on an Erard piano the same used by Ravel himself Readers will find essays as well on Mozart's piano compositions Beethoven's sonatas the influence of Schubert's lieder on his piano works and works by Schumann Liszt Brahms Debussy Rachmaninoff Scriabin Prokofiev Shostakovich Bartók Gershwin and Crumb The contributors all recognized nationally and internationally for their contributions as performing artists teachers recording artists and clinicians write thoughtfully about the composers whose work they have studied and played for years Each author addresses issues unique to the individual composer they have chosen to explore examining questions of phrasing tempo articulation dynamics rhythm color gesture lyricism instrumentation and genre Valuable insight is provided into teaching performing and preparing these great works In *The Pianist's Craft* these great artists and teachers answer questions for readers that are otherwise only addressed in conferences master classes and private lessons In this collection of essays key points of information and instruction are offered with over 200 musical examples included as illustration *The Pianist's Craft* is intended for teachers and students of the intermediate and advanced levels of piano instructors and performers at the university level and those who love piano and piano music generally

Italian Feminist Poems from the Middle Ages to the Present Beverly Allen, Muriel Kittel, Keala Jane Jewell, 1986 Each bilingual volume in *The Defiant Muse* series includes 60 to 80 poems by both well known and rediscovered poets selected on the basis of their individual merit and as illustrations of the evolution of

feminist thought and feeling Reflecting their own cultural milieus as well as enduring themes the poets write of love and friendship revolution and peace religion nature isolation work and family The Dutch French German and Italian volumes represent their respective countries the Hispanic volume includes poems from the many Spanish speaking nations and the Hebrew volume encompasses writing in Hebrew from around the world The poems are presented in their original languages alongside English translations Each volume includes an introduction placing the poetry in historical and aesthetic perspective and full biographical and bibliographical notes on the poets Publisher The Keyboard Sonatas of Domenico Scarlatti and Eighteenth-Century Musical Style W. Dean Sutcliffe, 2008-08-28 W Dean Sutcliffe investigates one of the greatest yet least understood repertoires of Western keyboard music the 555 keyboard sonatas of Domenico Scarlatti Scarlatti occupies a position of solitary splendour in musical history The sources of his style are often obscure and his immediate influence is difficult to discern Further the lack of hard documentary evidence has hindered musicological activity Dr Sutcliffe offers not just a thorough reconsideration of the historical factors that have contributed to Scarlatti's position but also sustained engagement with the music offering both individual readings and broader commentary of an unprecedented kind A principal task of this book is to remove the composer from his critical ghetto however honourable and redefine his image In so doing it will reflect on the historiographical difficulties involved in understanding eighteenth century musical style **A New Chronology of Venetian Opera and Related Genres, 1660-1760** Eleanor Selfridge-Field, 2007 From 1637 to the middle of the eighteenth century Venice was the world center for operatic activity No exact chronology of the Venetian stage during this period has previously existed in any language This reference work the culmination of two decades of research throughout Europe provides a secure ordering of 800 operas and 650 related works from the period 1660 to 1760 Derived from thousands of manuscript news sheets and other unpublished materials the Chronology provides a wealth of new information on about 1500 works Each entry in this production based survey provides not only perfunctory reference information but also a synopsis of the text eyewitness accounts and pointers to surviving musical scores What emerges in addition to secure dates is a profusion of new information about events personalities patronage and the response of opera to changing political and social dynamics Appendixes and supplements provide basic information in Venetian history for music drama and theater scholars who are not specialists in Italian studies Laughter Between Two Revolutions Francesco Izzo (Musicologist), 2013 Tells the forgotten story of post Rossinian opera buffa with attention to masterpieces by Donizetti and fascinating comic works by Luigi Ricci the young Verdi and other composers This study represents the first substantial assessment of Italian comic operas composed during the central years of the Risorgimento the period during which upheavals revolutions and wars ultimately led to the liberation and unification of Italy Music historians often view the period as one during which serious Romantic opera flourished in Italy while opera buffa inexorably declined Laughter between Two Revolutions revises this widespread notion by viewing well known comic masterpieces such as Donizetti's *L'elisir d'amore*

1832 and Don Pasquale 1843 as part of a still thriving tradition Also examined are opere buffe by Luigi Ricci Lauro Rossi Verdi Un giorno di regno and others many of which circulated widely at the time Francesco Izzo's pathbreaking study argues that in the realm of seriousness of mid nineteenth century Italy comedy was not an anachronistic intruder but a significant and vital cultural presence This important volume offers new insights into opera history and theories of comedy in the arts It will be of interest to opera lovers everywhere and to students in music philosophy comparative literature and Italian cultural studies Francesco Izzo is senior lecturer in music at the University of Southampton *A Sociable Moment* Colleen Reardon, 2016-05-02 After their military defeat by the Florentines in the mid sixteenth century the citizens of Siena turned from politics to celebratory social occasions to express their civic identity and show their capacity for collective action In the first major work of its kind Colleen Reardon opens a window on the ways in which the Sienese absorbed the new genre of opera into their own festive apparatus and challenges the prevailing view that operatic productions in the city were merely an extension of Medici power to the provinces It was rather members of the expatriate Chigi family who exploited the festive impulse of their countrymen coordinating operatic performances with their triumphant visits home by activating ties of friendship and family as well as connections to Sienese institutions most notably the Assicurate possibly the first all female academy in Italy If the Chigi proved successful at inserting opera into larger patterns of sociability that conveyed the very essence of what it meant to be Sienese then their successor the flamboyant playwright and librettist Girolamo Gigli struggled in his attempts to transform operatic performances into professional enterprises Fluidly written and richly embellished with anecdotes from historical chronicles *A Sociable Moment* offers insight into the Sienese experience with opera during the genre's rapid expansion throughout the Italian peninsula during the late seventeenth and early eighteenth centuries **Alessandro and Domenico Scarlatti** Carole Franklin Vidali, 1993 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company *The Neapolitan Canzone in the Early Nineteenth Century as Cultivated in the Passatempi musicali* of Guillaume Cottrau Pasquale Scialò, Francesca Seller, Anthony R. DelDonna, 2015-12-17 This volume is a multi disciplinary study of the Neapolitan tradition of nineteenth century song or Canzona napoletana It is based on primary original music manuscripts and secondary correspondence diaries and varied historical materials sources recovered from Neapolitan archives libraries and private collections The book takes as its focus the figure of Guillaume Cottrau 1797 1847 a musician and publisher who left a significant breadth of original songs and arrangements issued in the song collection and series entitled Passatempi musicali Cottrau was a cultural auteur who integrated his diverse activities as editor folklorist and patron of salon music and musicians including the commissioning of original works and adaptations to establish a tradition of Neapolitan song This repertory was disseminated throughout Europe and ultimately the United States to great acclaim through the publication of the Passatempi musicali The songs presented in the Passatempi musicali remain within the international repertory affiliated with Neapolitan song including Fenesta vascia Lo guarracino Cannelletta and

many others They are moreover closely linked to the historical cultural and linguistic identity of Naples and the Neapolitan diaspora This volume is the first of its kind in the English language and offers original unpublished research about the endeavors of Cottrau the contemporary cultural environs the artists and their music that established the international fame of the Neapolitan canzona Dramma Per Musica Reinhard Strohm,1997-01-01 *Dramma per musica* the most usual term for Italian serious opera from the seventeenth to the early nineteenth century was a modern enlightened form of theater that presented a unified artistically designed dramatic enactment of human stories expressed by the voice and underscored by the orchestra This book illustrates the diversity of this baroque art form and explains how it has given us opera as we know it
