Church *Teach Me how to Live* Kay Arthur,1983-09 *An Exposition of the Old and New Testaments* Matthew Henry,1833 Steps Toward Abundant Living Carey N. Ingram,2007-12-13 Abundant living is not about fame and fortune power or prestige Abundant living is about making solid use of the time we have to anchor our existence around God s blessings But most importantly it s about the choices we make God has made us free agents We can choose to simply exist without ever finding or fulfilling our destiny or we can choose to go through the door of the Good Shepherd and live fully In Steps Toward Abundant Living Pastor Carey N Ingram uses biblical principles and common sense to examine three things that bring trouble into life to explain three essential components of happiness and to offer the keys to genuinely abundant living including Exercising faith Demonstrating true love Possessing a passion for life Remaining steadfast in prayer Accepting suffering as a redemptive power Changing lifestyles to the glory of God You owe it to yourself to make life a happy experience With God s help and Pastor Ingram s plan you can do just that Let Steps Toward Abundant Living help you grow into a mature Christian a disciple of Christ so that your legacy of life a good abundant life continues long after you have gone to be with the Lord **The Epistles of St. Paul to the Colossians, Thessalonians, and Timothy** Michael Ferree Sadler,1890 **Faith** Paul Weimer,2011-06-01 What does it mean to have faith in God Will faith do anything for me Who is God anyway Where is He Is He involved or does He care about individual people like me Is there more than one God How many roadways are there to God These are some of the questions that obviously trouble people in our technological age This book approaches these questions with the viewpoint that the Bible is the best and final authority for answers for this life and next How to Endure to the End Pamela Hatfield,2004-07-15 How to endure to the End deals with the necessary ingredients to help Christians endure through the storms of life If you have ever thought if God would just tell me what I need to do I would do it then this book is for you God cant just tell people what to do like He did in the Old Testament because our beliefs traditional teachings and our worldly brain actually keep us from hearing the truth We no longer even recognize the works of the Holy Spirit or know how to seek interpretation to our dreams therefore hindering the communication between God and ourselves This book is geared toward Christians who are seeking to grow in their faith It is not directed to any particular denomination
