ANCHORS OF FAITH IS A BOOK THAT TELLS YOU HOW TO HAVE MORE FUN IN YOUR LIFE One time when I was on the road as a salesman just for fun I took a survey of the people I met every day for a whole week I asked each person to describe his or her life to me in a few short words I wrote down their comments and later arranged them into two groups of responses From the first group 1 I heard comments like life is boring a sad saga annoying many struggles very challenging filled with emotional ups and downs very bland like a roller coaster always dull difficult unpredictable strained disgusting But there was a second group 2 who replied with enthusiasm They said things like my life is good Great Expectant A blast Pregnant Peaceful Quiet Blessed Happy and lots of fun If were to ask you to describe your life to me would you respond like those in negative group 1 or as those in positive group 2 Well if you find yourself in negative group 1 I've got good news for you You can learn how to put all of that behind you You can acquire a positive optimistic outlook and at the same time put more fun in your life How READ THIS BOOK You see in my book I explain with many examples and true stories how God demonstrated again and again to me that his greatest desire is to be our best friend Our buddy Our guide But best of all he wants us to see

him as our own personal loving father who wants nothing less than the best of everything for us as his son or daughter because he loves us so very much As I prayerfully wrote this book *Anchors Of Faith* about events in my life I realized that there was something mysterious happening in each story I dont mean this is a mystery book but instead as you read it I believe you will be aware of what I call the mysterious spiritual message God has put in this book especially for you That message seems to be written between the lines of what I wrote My words and thoughts are simply my honest attempt to explain to you by way of many examples and stories about my life the hundreds of ways God wants to help us have interesting and enjoyable lives In addition he does his best to help us find answers to lifes constant questions about faith children the Bible fellowship missions money prayer and self worth So if you want to find ways to change your attitude about your life find ways to have more fun and what I call a blast or a party for the rest of your life you need to read this book soon Sincerely Terrance L Weber *How to be a Successful Investor* William Cai,2009 *The Laws of Life* James Shane,2002-10
