**The Mikado to Matilda** Thomas S. Hischak,2020-05-29 In *The Mikado to Matilda* British Musicals on the New York Stage Thomas Hischak provides an overview of British musicals that made their way to Broadway covering their entire history up to the present day This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City The book covers 110 British musicals ranging from 1750 to the present day including the popular Gilbert and Sullivan comic operettas during the Victorian era the Andrew Lloyd Webber mega musicals of the late twentieth century and today s biggest hits such as *Matilda* Each London musical is discussed first as a success in England and then how it fared in America The plots songs songwriters performers and producers for both the West End and the Broadway or Off Broadway production are identified and described The discussion is sometimes critical evaluating the musicals and why they were or were not a success in New York      **Library of Congress Catalogs** Library of Congress,1976      *New York Magazine* ,1991-01-21 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      *The Crisis* ,1977-05 *The Crisis* founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years *The Crisis* has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

**New York Magazine** ,1991-11-25 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      *New York Magazine* ,1988-08-08 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New

York as both a place and an idea      *Library of Congress Catalog* Library of Congress,1970      Operetta Richard Traubner,2004-06-01 Operetta A Theatrical History is considered the classic history of this important musical theater form Traubner s book first published in 1983 is still recognized as the key history of the people and productions that made operetta a worldwide phenomenon Beginning in mid 19th century Europe the book covers all of the key developments in the form including the landmark works by Strauss and his followers Gilbert Sullivan Franz Lehar Rudolf Friml Victor Herbert and many more The book perfectly captures the champagne and ballroom atmosphere of the greatest works in the genre It will appeal to all fans of musical theatre history      Gilbert and Sullivan Boys and Girls ,2004      Music, Books on Music, and Sound Recordings Library of Congress,1984      *The Geoids* ,1980      **New York Magazine** ,1990-01-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      Musical Canada ,1913      *Nin's Limericks* Ian Short,2013 There is something fitting about linking the Savoy operas with limericks Both are likely to appeal to people with a certain type of sense of humour Why are the Savoy operas funny Because they were written by a couple of geniuses who knew how to be funny never fall into the trap of assuming that Gilbert was the funny one Gilbert himself discovered that his words didn t work half so well when set by other composers Why are limericks funny That s a much more difficult question Suffice it to say that if *The Lady of Shalot* or *The Mort d Arthur* were written to a metre of 8 8 5 5 8 people would have roared their ribs out The really surprising thing given that Gilbert used every trick in the book to make his verses funny is that in the whole canon I can only find one example of a limerick written by Gilbert double limerick shameless man
