Newman, 2015-02-11 This book is about building Christian character and the development of one's personal ministries which includes integrity commitment dedication and devotion It assures believers that God will never take them any place in their ministries where they are forced to retreat Bishop Newman Ministry is one of the most important assignments our Savior has commissioned to the church Each member has an assigned purpose or call for the cause of Christ How seriously you take that calling will determine your level of maturity as a believer My father and I have devoted this text to helping believers achieve spiritual maturity Timothy Keller in his book Ever Good Endeavor says A story begins when something knocks life off balance Then the progress of the plot thickens as the protagonists struggle to restore that balance and peace while antagonistic forces block and resist them Finally the story ends as the struggle results in either the restoration of balance or the failure to recover it That's a good story As baptized believers our lives have been knocked off balance by the wiles of the devil and by grace we are seeking restoration through the blood of Jesus who was wounded for our transgression and bruised for our iniquities Our strategy for restoration and development toward Christian maturity and Christlikeness must be based on our commitment dedication and devotion to the Will of God Pastor Israel E Newman **Spirit Allies & Healing Guides**

As an eighty-four-year-old person looking back, I would like to pass on some observations to those of you starting out and looking forward. Your lives will be one of rational and emotional choices in a world of social reality and obstacles to success. Your natural goals will be to achieve success and happiness. An implicit goal in this quest will be the development of your potential and self-realization. You will also be challenged and tested by life's events in order to grow and develop your character. Ultimately, the achievement of your goals will be a function of your resolve and perseverance despite the obstacles with which you will be faced. Your resolve will depend upon the interaction of your conscious thoughts, faith, beliefs, and spiritual underpinnings. The following material brings attention to this important aspect in your lives.

[Way of the Lightbringer](#) Janas Kaiser, A new age of understanding and awakening requires a new perspective on spirituality. There are many questions and notions that require good and reasonable answers for anyone that walks a spiritual path in life, for both the one just starting on their journey or for the accomplished adept alike. Questions like: What is enlightenment? What is the role of religion? What are the essential spiritual principles for an awakened individual? How do I navigate my own understanding of the spiritual and myself? What are the real traps and pitfalls on any spiritual path and many more. *Way of the Lightbringer* is a guidebook intended to provide you with the tools for self-discovery, self-assertion, spiritual liberation, and self-empowerment. It stays away from dogmas, doctrines, and already established paradigms of spirituality and provides the reader with new perspectives and insights into the spiritual side of life and the world around us. It starts from the very basic ideas and concepts of philosophy and extends all the way into practices of direct magic and spiritual work that can liberate and empower the individual on their own spiritual path.
