**Sources in Law** J.R. Winterton,Elizabeth M. Moys,2012-06-21 The aim of each volume of this series Guides to Information Sources is to reduce the time which needs to be spent on patient searching and to recommend the best starting point and sources most likely to yield the desired information The criteria for selection provide a way into a subject to those new to the field and assists in identifying major new or possibly unexplored sources to those who already have some acquaintance with it The series attempts to achieve evaluation through a careful selection of sources and through the comments provided on those sources

Comparative Legal Linguistics Heikki E.S. Mattila,2024-11-01 This book examines legal language as a language for special purposes evaluating the functions and characteristics of legal language and the terminology of law Using examples drawn from major and lesser legal languages it examines the major legal languages themselves beginning with Latin through German French Spanish and English This second edition has been fully revised updated and enlarged A new chapter on legal Spanish takes into account the increasing importance of the language and a new section explores the use in legal circles of the two variants of the Norwegian language All chapters have been thoroughly updated and include more detailed footnote referencing The work will be a valuable resource for students researchers and practitioners in the areas of legal history and theory comparative law semiotics and linguistics It will also be of interest to legal translators and terminologists

**The Principle of Legal Certainty in EC Law** J. Raitio,2013-03-14 The intertwinement of EC law and national law may create unforeseeability in situations where EC law invades the national cases which gives rise to the very question of legal certainty in EC law This study contributes to the contemporary discussion which wrestles with the following questions in particular What have been the visions and objectives for European integration in the last decades How to describe European Union as a political entity and a legal system What is the relationship between legal certainty rule of law various general principles and human rights What is the core of legal certainty on the basis of the case study What kind of legal arguments and patterns of justification are there from a comparative perspective How has the term legal certainty been defined in the Nordic legal theory How predictable and acceptable are the interpretations of the European Court of Justice is it running wild Legal certainty relates to the principle of non retroactivity and the protection of legitimate expectations in particular but more profoundly it can be related to the conceptual scale for weighing up and balancing between formal justice and material fairness in legal decision making This scale is illustrated by presenting the terms formal factual and substantive legal certainty
