**Land and Poverty in the Middle East** Doreen Warriner, 1969      **The Middle East in Transition** Walter Z. Laqueur, 2016-11-10 This collection of essays first published in 1958 presents analyses by some 34 specialists on key political and social trends in the Middle East They take the reader through the history of the Middle East to help reveal the background behind the changes that took place in the middle of the twentieth century a time of fundamental political economic and social change in the region      **Imagining the Middle East** Matthew F. Jacobs, 2011 As its interests have become deeply tied to the Middle East the United States has long sought to develop a usable understanding of the people politics and cultures of the region In *Imagining the Middle East* Matthew Jacobs illuminates how Ameri      **Middle East: Tricontinental Hub** United States. Department of the Army, 1965      Middle East United States. Department of the Army, 1965      *Middle East: Tricontinental Hub: A strategic survey* United States. Department of the Army, 1965      **The Palestinians** Rosemary Sayigh, 2008-05-15 As the Israel Palestine conflict rages on it is more important now than ever to understand the history of the Palestinian people Rosemary Sayigh s *The Palestinians* is a classic of radical history Through extensive interviews with Palestinians in refugee camps she provides a deeply moving grassroots story of how the Palestinians came to be who they are today In their own voices Palestinians tell stories of the Nabka and their flight from their homeland Sayigh s powerful account of Palestinians economic marginalisation the social and psychological effects of being uprooted and the political oppression which they have faced continues to resonate today Reissued with an extensive new foreword by Noam Chomsky which brings the story that Sayigh tells up to date in the context of the Hamas victory and the war in Lebanon this book is both a fascinating historical document and an essential insight into the situation in the contemporary Middle East      **The Economies of the Arab World (RLE Economy of Middle East)** Yusuf Sayigh, 2014-10-30 This book a comprehensive study of twelve of the economies of key countries of the Arab world has three main objectives to record the developmental achievements and failings of each country to examine the main issues arising in the drive for development and to assess the future outlook for development for each country Most of the countries studied only gained independence from their colonial masters in recent decades and the process of economic development has necessarily been accompanied by political development First published in 1978      **State, Society and Land in Jordan** Michael Fischbach, 2000-09-12 This work examines how state and society conceptualized land ownership in Transjordan Jordan from the late Ottoman era through the 1950s and how the resulting interaction between them shaped the socio economic and political contours of modern Jordan Based on archival and governmental records in Jordan Israel Britain and the United States the study links land tenure in Jordan with the successful political viability of that country The book details Ottoman British and Jordanian land and taxation policies and explains the varying degrees of cooperation with these exhibited by landowners It notes the impact of the policies upon land tenure and upon popular conceptualizations of what

property and even Jordan meant It also studies the political consequences of Jordanian land policy for both Zionists and Palestinians

**Governing Property, Making the Modern State** Martha Mundy, Richard Saumarez Smith, 2007-01-26 Was modernity in the Middle East merely imported piecemeal from the West Did Ottoman society really consist of islands of sophistication in a sea of tribal conservatism as has so often been claimed In this groundbreaking new book Martha Mundy and Richard Saumarez Smith draw on over a decade of primary source research to argue that contrary to such stereotypes a distinctively Ottoman process of modernisation was achieved by the end of the nineteenth century with great social consequences for all who lived through it Modernisation touched women as intimately as men the authors careful work explores the impact of Ottoman legal reforms such as granting women equal rights to land Mundy and Saumarez Smith have painstakingly recreated a picture of such processes through both new archival material and the testimony of surviving witnesses to the period This book will not only affect the way we look at Ottoman society it will change our understanding of the relationship between East West and modernity

**Land, Law and Islam** Hilary Lim, 2013-07-18 In this pioneering work Siraj Sait and Hilary Lim address Islamic property and land rights drawing on a range of socio historical classical and contemporary resources They address the significance of Islamic theories of property and Islamic land tenure regimes on the webs of tenure prevalent in the Muslim societies They consider the possibility of using Islamic legal and human rights systems for the development of inclusive pro poor approaches to land rights They also focus on Muslim women's rights to property and inheritance systems Engaging with institutions such as the Islamic endowment waqf and principles of Islamic microfinance they test the workability of authentic Islamic proposals Located in human rights as well as Islamic debates this study offers a well researched and constructive appraisal of property and land rights in the Muslim world

*The Near East since the First World War* Malcolm Yapp, 2014-10-17 This clear balanced and authoritative survey of the history of the region is now fully up to date again The text contains a general regional introduction followed by a series of country by country analyses and a section which places the Near East in the international context Professor Yapp's new edition covers recent dramatic events including the end of the Cold War the Kuwait Crisis of 1990-91 and the continuing conflict in Israel as well as assessing the huge social and economic changes in the region It will be essential reading for students and scholars concerned with modern middle eastern history and politics of the middle east

**Ottoman Land Reform in the Province of Baghdad** Keiko Kiyotaki, 2019-05-15 In Ottoman Land Reform in the Province of Baghdad Keiko Kiyotaki traces the Ottoman reforms of tax farming and land tenure and establishes that their effects were the key ingredients of agricultural progress These modernizing reforms are shown to be effective because they were compatible with local customs and tribal traditions which the Ottoman governors worked to preserve

Ottoman rule in Iraq has previously been considered oppressive and blamed with failure to develop the country. Since the British mandate government's land and tax policies were little examined, the Ottoman legacy has been left unidentified. This book proves that Ottoman land reforms led to increases in agricultural production and tax revenue while the hasty reforms enacted by the mandate government, ignoring indigenous customs, caused new agricultural and land problems.
