*Left in the Midwest* Amanda L. Izzo, Benjamin Looker, 2022-12-30 Despite St Louis's mid twentieth century reputation as a conservative and sleepy midwestern metropolis the city and its surrounding region have long played host to dynamic forms of social movement organizing This was especially the case during the 1960s and 1970s when a new generation of local activists lent their energies to the ongoing struggles for Black freedom lesbian and gay liberation feminist social transformations environmental protection an end to the Vietnam War and more This volume the first of its kind offers fifteen scholarly contributions that together bring into focus the exceptional range of progressive activist projects that took shape in a single midwestern city during these tumultuous decades In contrast to scholarship that seeks to interpret the era's social movement initiatives in a primarily national context the works presented in this expansive collection emphasize the importance of locality neighborhood community institutions and rooted social networks Documenting wrenching forces of metropolitan change as well as grassroots resilience *Left in the Midwest* shows us how place powerfully shaped agendas worldviews and opportunities for the disparate groups that dedicated themselves to progressive visions for their city By revising our sense of the region's past this volume also expands our sense of the possibilities that the future may hold for activist movements seeking change in St Louis and beyond

**Memoir** Wang Yee Vang,2016-10-24 I wrote this memoir because many of my colleagues suggested while I was working for Lao and Hmong communities inside and outside Laos for decades that I should tell the young generations what happened and why some five hundred thousand Lao citizens became refugees and immigrated to Western countries I noted what I remembered and what I faced while I was working for the Royal Lao Government because I was one of the regular officers My civil grade and military rank were given by the king of Laos which we called royal ordinance I hope that this work would help our young generations in doing some research May it help them accomplish their goals and the works that they need to accomplish Thank you for reading this memoir      *The Educational Hopes and Ambitions of Left-Behind Children in Rural*

*China* Yang Hong,2021-10-15 This monograph highlights the educational experiences of rural children who are left behind by their migrant worker parents in China analyzing how this situation impacts on their aspirations and self identity Via an ethnographic and qualitative case study of a rural school in southwest China the author presents the real lives of these disadvantaged children along with their challenges and needs and provides an in depth understanding of how being left behind impacts on their future aspirations Building on the sociological theories of Pierre Bourdieu the author makes an original contribution by combining seemingly incompatible disciplinary perspectives such as cultural capital from sociology rational action from behavioral economics and self efficacy from psychology Hence the book endeavors to transfer these

Western theories to an Eastern context and demonstrates cultural nuances that are not always captured when applied in the West The book will attract academic scholars and postgraduate students in the area of socially disadvantaged children and young people as well as those who are working on youth studies and rural education     The Queens of Innis Lear Tessa Gratton,2018-03-27 Dynasties battle for the crown in Tessa Gratton s debut adult epic fantasy The Queens of Innis Lear Three Queens One crown All out war Gaela Ruthless Commander I am the rightful heir of Innis Lear No more will I wait in the shadows and watch my mother s murderer bleed my island dry The King s hold on the crown must end willingly or at the edge of my sword Regan Master Manipulator To secure my place on the throne I must produce an heir Countless times I have fed the island s forests my blood Yet my ambition is cursed No matter what or whom I must destroy I will wield the magic of Innis Lear Elia Star blessed Priest My sisters hide in the shadows like serpents waiting to strike our ailing king I must protect my father even if it means marrying a stranger We all have to make sacrifices Love and freedom will be mine Amazing Just Amazing Robin McKinley At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied     The Record Siam.
