Navigating Panong is going to be interesting Talking Rain Antonio F. Vianna, 2004-02-25 When darkness comes and the night falls silence is sometimes your only friend One evening however alone with no one left to talk with Lucy Lodine unexpectedly walks into Precinct 21 to break her silence She confesses to a murder of twenty years ago unsuccessfully convincing the authorities that her husband on death row is innocent of the crime Her confession however begins a series of chilling crimes that reveal an inside look at trust and betrayal love and hate and acceptance and greed One by one those who might reveal the truth of who murdered Professor Kadian twenty years ago die until only one person remains Talking Rain is an invitation to an incredible topsy turvy ride of false beliefs with human emotions conflict and relationships at risk You think you might have been on a similar journey before but nothing like this one Ousmane Sembene and the Politics of Culture Lifongo J. Vetinde, Amadou T. Fofana, 2014-11-12 Undoubtedly one of Africa's most influential first generation of writers and filmmakers Ousmane Sembene's creative works of fiction as well as his films have been the subject of a considerable number of scholarly articles The schemas of reading applied to Sembene's oeuvre novels short stories and films have in the main focused either on his militant posture against colonialism his disenchantment with African leadership or his infatuation with documenting the past in an attempt to present a balanced and nuanced view of African history While these studies unquestionably contribute to a better understanding of his works they collectively ignore Sembene's relentless preoccupation with culture in his entire career as a writer and filmmaker The collection of essays in Sembene and the Politics of Culture sets out to fill that gap as the contributors at once foreground Sembene's fixation on the centrality of culture in the articulation of the discourse of national consciousness and reevaluate his intellectual and artistic legacy within an overarching framework of African liberation The contributors critically reassess the ideological underpinnings of Sembene's thoughts his role as one of the foundational pillars of African cultural production and his relevance in current discourses of nationhood They do so through a wide variety of interdisciplinary approaches that draw on linguistics feminist theory film theory historiography Marxist criticism psychoanalysis and a host of other approaches that give novel insights in the critical analysis of the works under study In the part entitled Testimonies a collection of conversations with people who worked closely with Sembene each of the interlocutors provide illuminating insights into the man's life and work The variety of themes and critical approaches in this critical anthology will certainly be of interest not only to students and scholars of African literature and cinema at various levels of intellectual and cultural sophistication but also anyone interested in the analysis of the nexus between power culture and the discourse of liberation Warm Dust, Summer Rain Gloria Nero, 2005-09-09 When Doug Rainey a despairing poet whom the author draws as a central character drowns in a New York City reservoir he leaves sorrow and mystery in his wake Warm Dust Summer Rain deals in an arresting and unique way with the sometimes strange behavior of those left behind to grieve Deirdre Rainey the hauntingly beautiful and enigmatic sister of Rainey knows no barriers between the living and the dead Neither does she abide by the rules of conduct set by society

Eugene Rainey the poets son desires only to fill his fathers shoes The lovely widow Claudia Rainey cannot see herself existing without a Rainey And Gabriel Orr the outsider not only finds himself irrevocably involved with Raineys little family but fears the poets spirit has entered him Set in the Catskill Mountain watershed region which Gloria Nero characteristically pictures with pastoral charm and incorporeal atmosphere there is an intrinsic connection between story and place And too she creates a realistic intensity and penetration into the lives of the individuals she portrays Ultimately a novel of passion and forbidden love this is a startling book **Bangkok Wakes to Rain** Pitchaya Sudbanthad, 2019 A house in the center of Bangkok becomes the point of confluence where lives are shaped by upheaval memory and the lure of home Witness to two centuries flux in one of the world's most restless cities a house plays host to longings and losses past present and future A nineteenth century missionary doctor pines for the comforts of New England even as he finds the vibrant foreign chaos of Siam increasingly difficult to resist A post war society woman marries mothers and holds court little suspecting the course of her future A jazz pianist is summoned in the 1970s to conjure music that will pacify resident spirits even as he s haunted by ghosts of his former life Not long after a young woman gives swimming lessons in the luxury condos that have eclipsed the old house trying to outpace the long shadow of her political past And in the post submergence Bangkok of the future a band of savvy teenagers guides tourists and former residents past waterlogged ruined landmarks selling them tissues to wipe their tears for places they themselves do not remember Time collapses as these stories collide and converge linked by blood memory yearning chance and the forces voraciously making and remaking the amphibian ever morphing city itself Provided The Clouds and the Rain Rev. Apostle Simon Ntumba, 2015-04-30 The Clouds and the Rain teaches us to by publisher understand the different seasons we experience The major message this book conveys is how to conduct ourselves while burdened with clouds Many people stress or panic as they do not know how to conduct themselves when they encounter clouds in their lives others just dont know how to manage Gods blessing A gathering of clouds does not discriminate or spare some people no matter what their social rank Everyone is vulnerable to this period of clouds no matter how wealthy or poor It does not affect only men and spare women or old people and spare young ones Neither does it come to the ignorant and spare the educated It does not come only to the unbeliever and spare the believer nor does it come only to the congregation and spare the leaders The clouds come to anyone at anytime as permitted by God This period is usually a sensitive one in which some people blame God for their situations Many people get disconnected from the promises of God leaving their blessings behind and walking without any in their lives Nobody wants to experience clouds because it is not an enjoyable time it is a grieving time when you dont know whom you can trust a time in which you struggle to believe in God In this book you will learn how to develop your character and rely on God alone not relying on people because of their influence or authority You will also learn not to be the root of any bad circumstances you encounter but instead to strengthen your personal relationship with God Baran-e-Rahmat - The Rain of Mercy Part 2 Khawaja Shammsuddin, 2017-10-22 Part 2 of
