David G. Buttrick

Leftover Life To Kill:

Leftover Life to Kill Caitlin Thomas, 1957 In her book the widow of the poet Dylan Thomas candidly describes their turbulent marriage and she sheds further light on one of the great tragic stories of our time Dust jacket *leftover life to kill* caitlin thomas ,1957

The Mystery and the Passion David G. Buttrick, 2002-09-06 resurrection and death in order to connect modern preaching with the excitement of a changed world Although we may be jaded by sermons that chase Bible verses tediously for twenty minutes or more original listeners heard the gospel as a huge excitement The apostles announced a changed world The human world they claimed had begun all over again we are living now in a new creation They invited startled listeners to join God's new humanity From the Introduction Buttrick's treatment is no romanticizing of early Christianity The church then was as dismaying as it is now Instead this book focuses on the early Christian sense that they had passed from death to new life a reversal that began with Jesus resurrection then explored his passion and finally his ministry and life This book carefully examines the Gospel traditions so that this great reversal can be captured in Christian theology and proclamation

[This Strange, Old World and Other Book Reviews by Katherine Anne Porter](#) Katherine Anne Porter, 2008-12-01 Between 1920 and 1958 Katherine Anne Porter published more than sixty five book reviews many of which are now largely inaccessible Although several such pieces have appeared in earlier collections of Porter's nonfiction writings never have so many of Porter's reviews nearly fifty been made available in a single volume Collectively the reviews reveal Porter's opinions on topics ranging from the nature of art and the place of the artist in politics and society to feminism and the role of female artists Particularly evident in the reviews are the critical principles that guided her own work as well as her judgments of the works of other writers In her introductory essay Darlene Harbour Unrue provides important biographical information on Porter traces her career as a reviewer and links critical assumptions in the reviews to the themes and techniques of Porter's fiction Other scholars as well have regarded Porter's critical reviews as valuable tools both for analyzing the fiction and for constructing a portrait of Porter the artist primarily because Porter produced so little fiction three collections of short stories and novellas *Flowering Judas* *The Leaning Tower* and *Pale Horse Pale Rider* and a novel *Ship of Fools* In the preface to the first collection of her nonfiction writings *The Days Before* Porter herself urged readers to look closely at her nonfiction for there they would discover the shape direction and connective tissue of a continuous central interest and preoccupation of a lifetime Most of the reviews which appeared in such publications as the *New York Herald Tribune* the *New York Times* the *Nation* and *New Masses* she apparently undertook for financial reasons but occasionally she would agree to review a friend's latest offering She published no reviews after the success of her best selling novel *Ship of Fools* Porter's scope as a reviewer was impressively broad Because she lived in Mexico City during the revolution had known Diego Rivera and had studied primitive Mexican art she was often called on to review books on Mexican art and on the revolution Porter also reviewed many books by or about women Her reviews of the Short Novels of Colette and Katharine

Anthony's translation of Catherine the Great's memoirs are particularly noteworthy for her comments about women artists and her expression of admiration for women who flout traditional roles. These collected reviews illustrate the evolution of one of the most important American writers of the twentieth century and will interest not only Porter scholars but also anyone who appreciates her fiction. *Dylan Thomas* John Ackerman, 2016-07-27 That brilliant commentator on Dylan John Ackerman Andrew Sinclair Dylan Thomas Poet of his People John Ackerman's highly acclaimed study of the poems and prose works of Dylan Thomas traces his development as a writer linking this for the first time with his Welsh background. The formative influence of Swansea on the young poet, his family roots in West Wales and the childhood visits to Fernhill farm and the nearby Blaen Cwm cottage are all included together with the Boat House and Laugharne, the absorbing village life and the inspiration of its now famous land and sea scapes. The impact of Welsh nonconformity and the chapel and the radical politics of Wales are also explored as important influences on the poet's career. The 1994 preface together with the introduction throws new light on later poems like Prologue, the poet's work in film broadcasting as reader and as lecturer while his own newly discovered words sharp and witty and with a poet's eye highlight his life times and craft. The kaleidoscope of his changing worlds is seen in his homes in Wales and England and his need in each one for a separate place to write whether the hillside shed in Laugharne or a gypsy caravan in Oxfordshire or Camden. *Princeton Alumni Weekly*, 1957 [The Art of Marriage](#) Catherine Blyth, 2010-12-30 Read Catherine Blyth's blogs and other content on the Penguin Community. A witty thought provoking celebration of why marriage still matters and how to make yours work from the author of *The Art of Conversation*. Today we no longer get married for the reasons our grandparents did because our families say so because we must marry to leave home to have sex to have financial security. So in this modern age why marry at all? *The Art of Marriage* seeks to answer this question in an enchanting guided tour of the three legged race that is married life. With anecdotes from history, the latest research and insights about couples who stayed the course Blyth offers entertaining advice on how to enjoy a successful marriage and answers vital questions such as can housework improve sex life? Why should husbands argue? And why must wives relax? In the age of Bridezillas and over the top destination weddings it is all too easy to lose sight of the greater meaning of saying I do. A wedding is not an end it's not about the race for the ring or planning a blow out event it's the beginning of a journey full of questions and mystery and different for each couple. As Catherine Blyth so eloquently puts it Each story has at least two sides. Reconciling them is the art of marriage. *The Fifth Notebook of Dylan Thomas* Dylan Thomas, 2020-09-03 Between May 1930 and August 1935 Dylan Thomas kept numerous notebooks of poems. They contain the drafts of almost all of the work that would form his first two reputation making collections *18 Poems* 1934 and *Twenty five Poems* 1936 and many of those in his third collection *The Map of Love* 1939. Thomas sold four of the notebooks spanning May 1930 to May 1934 to the University of Buffalo in 1941. However the existence of a fifth notebook covering the period June 1934 to August 1935 was unknown until 2014 the centenary of his birth. *The Fifth Notebook of*

Personality, Roles, and Social Behavior W. Ickes,E.S. Knowles,2012-12-06 Personality and Roles Sources of Regularities in Social Behavior For behavioral scientists whether they

identify primarily with the science of psychology or with that of sociology there may be no challenge greater than that of discovering regularities and consistencies in social behavior After all it is such regularities and consistencies that lend predictability to the behavior of individuals in social contexts in particular to those events that constitute dyadic interactions and group processes In the search for behavioral consistencies two theoretical constructs have emerged as guiding principles personality and roles The theoretical construct of personality seeks to understand regularities and consistencies in social behavior in terms of relatively stable traits enduring dispositions and other propensities for example needs motives and attitudes that are thought to reside within individuals Because it focuses primarily on the features of individuals the construct of personality is fundamentally psychological in nature By contrast the theoretical construct of roles seeks to understand regularities and consistencies in social behavior in terms of the directive influence of coherent sets of rules and prescriptions that are provided by the interpersonal occupational and societal categories of which individuals are continuing members Because it focuses primarily on features of social structures the construct of roles is fundamentally sociological in nature

Shut Up He Explained John Metcalf,2007-09-15 John Metcalf s Shut Up He Explained defies expectations and strict definition Part memoir part travelogue part criticism wholly Metcalf it is thoughtful engaged contentious and often very funny It offers a full dose of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him he remains as sharp critical constructive and insightful as ever Indeed this may just be his most important and engaged book Certainly it will be among his most controversial What his critics will refuse to see of course is that it is also among his most positive that it is a celebration of the best literature Canada has to offer the birth of which Metcalf himself both witnesses and actively encouraged Shut Up He Explained is magisterial a virtuoso performance melding several seemingly different strands into one coherent narrative which should delight and entertain as it serves to argue elucidate and celebrate

[Dylan Thomas](#) Andrew Lycett,2005-07-05 The renowned literary biographer offers a thoroughly well written chronicle of the legendary Welsh poet s life that is rich in anecdote The New Yorker Dylan Thomas is as legendary for his raucous life as for his literary genius The author of the immortal poems Death Shall Have No Dominion Before I Knocked and Do Not Go Gentle into That Good Night as well as the short story A Christmas in Wales and the play for voices Under Milk Wood published his first book 18 Poems in 1934 when he was only twenty years old When he died in New York in 1953 at age thirty nine the myths took hold he became the Keats and the Byron of his generation the romantic poet who died too young his potential unfulfilled Making masterful use of original

material from archives and personal papers Andrew Lycett describes the development of the young poet brings valuable new insights to Thomas's poetry and unearths fascinating details about the poet's many affairs and his tempestuous marriage to his passionate Irish wife Caitlin The result is a poignant yet stirring portrait of the chaos of Thomas's personal life and a welcome re-evaluation of the lyricism and experimentalism of his literary legacy This is the best biography of the poet I have ever read Robert Nye *The Scotsman* **DEATH: Friend or Enemy?** Ann Merivale, 2025-01-28 Death as the saying goes is the great leveller and though many fear it while others view it as a blessed release its inescapability affects us all in some way The author of this unusual book makes use both of her spiritual reading and of the knowledge she gained from 20 plus years experience of taking her Deep Memory Process clients back to deaths in their previous lives thus giving a broad spectrum of possible post death scenarios These she illustrates with a combination of famous and fictional characters drawn both from accounts that came from the other side through her figurative pen and from factual research Part of the book's aim is to dispel all fears of death itself and to demonstrate that the notion of eternal damnation is mistaken At the same time it shows the reader that whether a lifetime lasts 10 years as did Annie Darwin's or 97 like Bertrand Russell's it has a clear purpose and value The stories precise truth is however immaterial as you will find them enjoyable educational and reassuring
