Legal Issues In Special Education:

Legal Issues in Special Education Kevin Brady, Charles Russo, Cynthia Dieterich, Allan Osborne, Jr., 2019-10-28 Legal Issues in Special Education provides teachers and school administrators with a clearly written well organized and understandable guide from the perspective of the practitioner without formal legal training Even though over 50 percent of students with disabilities are now educated in general education classes most teachers are not required to complete coursework in special education law and can unwittingly expose themselves and their schools to liability for violating the rights of students with disabilities This practitioner's quide explicitly addresses the major issues and legal complexities educators inevitably face when dealing with special education legal and policy issues Using case based learning to synthesize important legal concepts and principles from leading special education legal cases this text guides educators administrators and parents alike toward a thorough understanding of and the ability to navigate many of the current and pressing legal concerns in special education Legal Issues in Special Education Allan G. Osborne (Jr.), 1996 The book provides comprehensive information about special education laws and regulations and how the courts have interpreted those laws and regulations Legal trends and developing legal principles have been extracted from the case law and presented in a straight forward fashion Special Education Law Laura Rothstein, Scott F. Johnson, 2009-04-02 Special Education Law 4 E provides a comprehensive and current overview of the major laws that apply to the education of children with disabilities

Legal Issues in Special Education Kevin P. Brady, Nicole D. Snyder, 2019 Legal Issues in Special Education provides teachers and school administrators with a clearly written well organized and understandable guide from the perspective of the practitioner without formal legal training Even though over 50 percent of students with disabilities are now educated in general education classes most teachers are not required to complete coursework in special education law and can unwittingly expose themselves and their schools to liability for violating the rights of students with disabilities This practitioner s guide explicitly addresses the major issues and legal complexities educators inevitably face when dealing with special education legal and policy issues Using case based learning to synthesize important legal concepts and principles from leading special education legal cases this text guides educators administrators and parents alike toward a thorough understanding of and the ability to navigate many of the current and pressing legal concerns in special education

Current Trends and Legal Issues in Special Education David Bateman, Mitchell L. Yell, 2019 Many special education leaders have worked for years in special education as either teachers or related services providers and most states have standards for certification for the role of the special education administrator leader With their broad formal education and years of experience they should be able to meet the challenges of building and program leadership Special education leaders need to be prepared to tackle any problem related to teaching and learning personnel selection and evaluation basic financial management parent and community relations and legal matters related to special education However just like other school

leaders many in special education are overwhelmed with the demands of the job while at the same time having to provide services with an increasing diverse population in an underfunded system and growing negative public perception of the education system Special education leaders will experience the burden of many responsibilities in their position such as fulfilling the spirit and letter of the law regarding students with disabilities helping staff keep abreast of best practices and meeting the ever increasing demands from communities and families They can suddenly be thrust into situations in which they must become the final arbiter on matters related to plethora of processes and procedures such as IEP team meetings manifestation determinations requests for mediation or due process hearings and IDEA compliance It is likely that many of these will be new leaders who will need guidance and direction as they move the teams ahead Special education leaders are expected to be experts on all levels and types of special education services available within and outside of the district every disability and all aspects of special education programming from early intervention to post secondary transition Recognizing that few administrators feel adequately prepared for these roles Special Education Leadership will be developed to enable practicing leaders to build and support effective special education programs to include supervising and supporting teachers review programs and implement special education law Legal Aspects of Special Education Kurt Hulett, 2009 For every course in Special Education Law and Education Law or as a perfect supplement to any Educational Administration course Legal Aspects of Special Education was written by a practitioner to help teachers administrators and advocates understand special education law in everyday language without excessive legalese or extraneous case law Different in many ways from other special education law texts on the market all of the elements of this text are intended to help its students obtain the most critical information about special education law and how it is applied in the real world Some unique features include a fascinating opening interview and then epilogue with Joe Ballard a pioneer of the IDEA movement a discussion of Response to Intervention RTI and the implication of IDEA 2004 for school districts and a discussion of the history of special education and its link to the Civil Rights Movement Additionally the book provides case studies and application questions critical thinking questions the most current information on the laws including No Child Left Behind and the Individuals with Disabilities Education Act of 2004 and a discussion of major trends changing the laws including that of autism Current Trends and Legal Issues in Special Education David F. Bateman, Mitchell L. Yell, 2019-04-25 Building and supporting effective special education programs School leaders and special educators are expected to be experts on all levels and types of special education law and services types of disability and aspects of academic and functional programming With the increasing demands of the job and the ever changing legal and educational climate few feel adequately prepared to meet the demands Trends and Legal Issues in Special Education helps you build and support timely legally sound and effective special education services and programs Readers will find the most up to date information on how to effectively implement special education programs processes and procedures examination of a wide variety of issues from developing and implementing
