Gregory, Thomas R. Hurst, 1994 Cases and Materials on Modern Antitrust Law and Its Origins Thomas D. Morgan, 1994 **The Dissolution of Yugoslavia and the Badinter Arbitration Commission** Steve Terrett, 2017-11-22 This title was first published in 2000 Yugoslavia dissolved at a time when rhetoric of the New World Order was firmly established in legal and political discourse Nevertheless the largely positive appraisal of international law's response to the Iraq Kuwait conflict has not been mirrored in relation to Yugoslavia This book evaluates the peace making efforts of the major institutional actors whilst focusing specifically on the Badinter Arbitration Commission an ad hoc EC created organ required to provide legal advice on the issues surrounding Yugoslavia's dissolution Initially composed of constitutional lawyers aiming to redraft Yugoslavia's constitution the Commission soon faced problems of public international law Its jurisprudence challenges international lawyers to reassess their state centric conceptions of international law in a world where most conflicts war crimes and human rights abuses exist within rather than between States This book is vital reading for anyone interested in international law international relations politics and central eastern European studies **Criminal Procedure and the Constitution** Jerold H. Israel, Yale Kamisar, Wayne R. LaFave, 1993 **Sales and Leases** John Edward Murray, Harry M. Flechtner, 1994 **The AALS Directory of Law Teachers**, 2002 **Law Books in Print: Title index** Glanville Publishers, Incorporated, 1997 Cases, Materials and Commentary on Administrative Law S. H. Bailey, Brian L. Jones, Alastair R. Mowbray, 2005 Provides a set of commentaries on a contractual history of an oil or gas field from the initial formation of a consortium to bid on concessions to the abandonment of the facilities The book is accompanied by a disk containing precedents to accompany and illustrate the principles described *An Ever More Powerful Court?* Dorte Sindbjerg Martinsen, 2015-10-01 The Court of Justice of the European Union CJEU has become famed and often shamed for its political power In scholarly literature this supranational court has been regarded as a master of integration for its capacity to strengthen integration sometimes against the will of member states In the public debate the CJEU has been severely criticized for extending EU competences at the expense of the member states In *An Ever More Powerful Court The Political Constraints of Legal Integration in the European Union* Dorte Sindbjerg Martinsen challenges these views with her careful examination of how judicial legislative interactions determine the scope and limits of European integration in the daily EU decision making process Methodologically the book takes a step forward in the examination of judicial influence suggesting a law attainment approach as a novel method combined with a large set of interviews with the current decision makers of social Europe Through a study of social policy developments from 1957 to 2014 as well as a critical analysis of three case studies EU regulation of working time patients rights in cross border healthcare and EU posting of worker regulations Martinsen reveals the dynamics behind legal and political integration and

the CJEU's ability to foster political change for a European Union social policy
