Legislative Politics In Latin America

Daniel C. Hellinger

Legislative Politics In Latin America:

Legislative Politics in Latin America Scott Morgenstern, Benito Nacif, 2002-03-04 This theoretically inspired study explores legislative politics in Argentina Brazil Chile and Mexico Instead of beginning with an assumption that these legislatures are either rubber stamps or obstructionist bodies the chapters provide new data and a fresh analytical approach to describe and explain the role of these representative bodies in these consolidating democracies For each country the book provides three chapters dedicated in turn to executive legislative relations the legislatures organizational structure and the policy process *Patterns of Legislative Politics* Scott Morgenstern, 2003-11-03 Using the United States as a basis of comparison this book makes extensive use of roll call data to explore patterns of legislative politics in Argentina Brazil Chile and Uruguay It distinguishes among parties factions coalitions and delegations based on the extent to which they are unified in their voting and or willing to form policy coalitions with other legislative agents It discusses the voting unity and ballot systems that allow voters to identify an agent and describes the degree to which those agents have been flexible with regards to the formation of policy coalitions It also shows that the US parties have exhibited higher levels of unity but less flexibility in recent years and thus contrast the prevailing pattern in Latin America The book focuses its explanation for the patterns on the role of candidate nominations other aspects of the electoral system and the legislators ideological alignments

Patterns of Legislative Politics Scott Morgenstern, 2004 [Politics Latin America](#) Gavin O'Toole, 2014-05-12 This is a volume which will become invaluable to those attempting to guide the neophyte through the maze of politics in Latin America *Journal of Latin American Studies* *Politics Latin America* examines the role of Latin America in the world and its importance to the study of politics with particular emphasis on the institutions and processes that exist to guarantee democracy and the forces that threaten to compromise it Now in its second edition and fully revised to reflect recent developments in the region *Politics Latin America* provides students and teachers with an accessible overview of the region's unique political and economic landscape covering every aspect of governance in its 21 countries The book examines the international relations of Latin American states as they seek to carve out a role in an increasingly globalised world and will be an ideal introduction for undergraduate courses in Latin American politics and comparative politics **Regimes and Democracy in Latin America** Gerardo Luis Munck, 2007 This volume focuses on democracy in Latin America and assesses the state of current knowledge on the topic and identifies new research frontiers in the study of Latin American politics It provides an overview of research agendas and strategies used in the literature over the past four decades It tackles a series of central questions What is democracy Is democracy an absolute value Are current conceptualizations of democracy adequate How and why does democracy work or fail in Latin America and spells out the implications of answers to these questions for current research agendas It distinguishes between qualitative and quantitative approaches to the conceptualization and measurement of democracy and presents a dataset on political regimes and democracy that illustrates how the differences between these two

standard approaches might be overcome. Finally, it evaluates the strengths and weaknesses of conventional methods used to generate and test explanations of the causes and consequences of democracy and proposes alternative ways to advance ongoing substantive debates given the current state of theory and data. The contributors are scholars from the United States and Latin America who are experts on Latin America and who have established reputations as theorists and methodologists. The volume will be of interest to readers seeking to understand debates about democracy in developing societies and to grasp the concepts, theories, and methods that are currently being developed to study Latin American politics.

Comparative Politics of Latin America Daniel C. Hellinger, 2014-11-27. Students will explore and understand the evolutions and revolutions that have brought the region to where it is today in the fully updated new edition of Daniel Hellinger's *Comparative Politics of Latin America*. This text offers a unique balance of comparative politics theory and interdisciplinary, country-specific context of a thematic organization and in-depth country case studies of culture and economics of scholarship and pedagogy. No other textbook draws on such a diverse range of scholarly literature to help students understand the ins and outs of politics in Latin America today. Insightful historical background in early chapters provides students with a way to think about how the past influences the present. However, while history plays a part in this text, comparative politics is the primary focus, explaining through fully integrated, detailed case studies and carefully paced analysis such concepts as democratic breakdown and transition, formal and informal institutions, the rule of law, and the impact of globalization. Country-specific narratives integrate concepts and theories from comparative politics, leading to a richer understanding of both. Several important features of the 2nd edition ensure student success. Substantially reorganized text now with 16 chapters. Focus Questions at the start of every chapter. For Review boxes interspersed in every chapter to ensure comprehension. New Punto de Vista boxes in every chapter showcasing competing perspectives on democratization and development throughout the region. Country locator maps spread throughout the book to help students orient themselves in the region. Democracy Snapshot graphics show support for democracy in each Latin American country. Bolded key terms focus attention on important concepts. A glossary at the end of the book provides a useful reference. Discussion questions and Further Resources at the end of each chapter. Integrated case studies on most countries in the region. A companion website <http://www.routledge.com/cw/hellinger> with discussion questions and other useful study aids.

Comparative Politics of Latin America Daniel C. Hellinger, 2011-03-07. This text offers a unique balance of comparative politics theory and interdisciplinary, country-specific context of a thematic organization and in-depth country case studies of culture and economics of scholarship and pedagogy. No other textbook draws on such a diverse range of scholarly literature to help students understand the ins and outs of politics in Latin America today. The insightful historical background in early chapters provides students with a way to think about how the past influences the present. However, while history plays a part in this text, comparative politics is the primary focus, explaining through detailed case studies and carefully paced analysis such

concepts as democratic breakdown and transition formal and informal institutions the rule of law and the impact of globalization Concepts and theories from comparative politics are well integrated into country specific narratives and vice versa leading to a richer understanding of both Several important pedagogical aids foster student learning Learning objectives at the start of every chapter Learning checkpoints interspersed in chapters to ensure comprehension Bolded key terms focus attention on important concepts Glossary at the end of the book provides a useful reference Discussion questions at the end of each chapter Integrated case studies on most countries in the region A companion website with practice quizzes and other useful study aids *Routledge Handbook of Latin American Politics* Peter Kingstone, Deborah J. Yashar, 2013-03-05 The Routledge Handbook of Latin American Politics brings together the leading figures in the study of Latin America to present extensive empirical coverage and a cutting edge examination of the central areas of inquiry in the region **Latin American Democracy** Richard L. Millett, Jennifer S. Holmes, Orlando J. Pérez, 2015-03-02 More than thirty years have passed since Latin America began the arduous task of transitioning from military led rule to democracy In this time more countries have moved toward the institutional bases of democracy than at any time in the region's history Nearly all countries have held free competitive elections and most have had peaceful alternations in power between opposing political forces Despite these advances however Latin American countries continue to face serious domestic and international challenges to the consolidation of stable democratic governance The challenges range from weak political institutions corruption legacies of militarism transnational crime and globalization among others In the second edition of *Latin American Democracy* contributors both academics and practitioners North Americans Latin Americans and Spaniards explore and assess the state of democratic consolidation in Latin America by focusing on the specific issues and challenges confronting democratic governance in the region This thoroughly updated revision provides new chapters on the environment decentralization the economy indigenous groups and the role of China in the region **Legislative Institutions and Lawmaking in Latin America** Eduardo Alemán, George Tsebelis, 2016 This volume investigates the ways in which the interaction between legislative institutions and the policy positions of key actors affects the initiation and passage of legislation The volume covers seven Latin American countries Argentina Brazil Chile Colombia Mexico Peru and Uruguay

Authoritarian Legacies and Legislative Politics in Latin America Connie A. Veillette, 2007 This dissertation examines the nature of the balance of power between executive and legislative branches in eight Latin American countries It answers the question of what conditions make legislatures relevant actors in the policy making process The answer lies in the presence or absence of certain extraordinary powers that the executive has to achieve his preferred policy outcomes over those of the legislature On a theoretical level the research engages the debate on competing perspectives that emphasize the causal effects of institutions versus rationality Looking through the lens of authoritarian legacies and their effects on legislative strength the findings point to the need to re-examine rational choice oriented accounts during the transition period when

rationalists would predict major changes to authoritarian rules. Equally it calls into question the historical institutionalist perspective that views changes as rare occurrences outside of periods of critical junctures. When it comes to changing the nature of the executive legislative relationship from the authoritarian to democratic periods one sees little change resulting from the transition but much more substantive changes long after. This suggests that while authoritarian legacies can have a strong influence during and shortly after the transition period their influences wane with the passage of time and allow for greater subsequent changes that begin to recalibrate the executive legislative balance of power.

Representation and Effectiveness in Latin American Democracies Moira B. MacKinnon, Ludovico Feoli, 2014-03-14 Legislatures the judiciary and civil society are important actors in representative democracies. In what ways and how well do they represent? And how effectively do they carry out their institutional and social roles? Both questions refer to the key dimensions of democracy analyzed in this book: representativeness and effectiveness respectively. While they have been developed separately in scholarly work on institutions and regimes there is little work considering them simultaneously and on their interaction. Using quantitative and/or qualitative methods contributions from top scholars in the field of legislatures the judiciary and civil society examine these two concepts and their relationships in four Latin American countries: Argentina, Brazil, Chile and Mexico. Designed to guide the reader through the complexities of this debate each expert engages in a larger set of theoretical debates about different approaches to representation in each sphere. In doing so they debate how effectively these spheres carry out their roles in each country whether a congress is institutionalized its accountability and its performance as a lawmaker whether a judicial system is independent carries out oversight and protects citizen rights and the role of civil society in a representative democracy. Representation and Effectiveness in Latin American Democracies is a timely and welcomed contribution to the growing debate about the quality of democracy in Latin America and the developing world more generally.

Policymaking in Latin America Pablo T. Spiller, Ernesto H. Stein, Mariano Tommasi, Carlos Scartascini, Marcus André Melo, Bernardo Mueller, Carlos Pereira, Cristóbal Aninat, John Londregan, Patricio Navia, Joaquín Vial, Mauricio Cárdenas, Mónica Pachón, Andrés Mejía Acosta, María Caridad Araujo, Aníbal Pérez-Liñán, Sebastián Saiegh, Fabrice Lehoucq, Gabriel Negretto, Francisco Javier Aparicio, Benito Nacif, Allyson Lucinda Benton, José R. Molinas, Marcela Montero, Francisco Monaldi, Rosa Amelia González de Pacheco, Richard Obuchi, Michael Penfold, 2008-01-01 What determines the capacity of countries to design, approve and implement effective public policies? To address this question this book builds on the results of case studies of political institutions policymaking processes and policy outcomes in eight Latin American countries. The result is a volume that benefits from both micro detail on the intricacies of policymaking in individual countries and a broad cross country interdisciplinary analysis of policymaking processes in the region.

Presidential Power in Latin America Dan Berbecl, 2021-12-23 What explains variance in presidential power between countries? In Presidential Power in Latin America Dan Berbecl provides a general systematic theory for explaining

presidential power in practice as opposed to presidential power in theory Using expert survey data from Varieties of Democracy V Dem alongside interviews with high level figures in politics the judiciary the public administration NGOs and academia in Argentina and Chile Berbecel argues that constitutional presidential power formal power is a very poor predictor of presidential power in practice informal power Given the poor predictive value of formal rules he provides an explanation why hyperpresidentialism emerges in some countries but not in others Berbecel attributes the root causes of hyperpresidentialism to three independent variables the strength of state institutions the size of the president's party in congress and whether or not the country has a history of economic crises which together determine how likely it is that a president will be able to concentrate power Presidential Power in Latin America will be of key interest to scholars and students of executive politics Latin American politics and more broadly comparative politics

Routledge Handbook of Brazilian Politics Barry Ames, 2018-10-25 With contributions from leading international scholars this Handbook offers the most rigorous and up to date analyses of virtually every aspect of Brazilian politics including inequality environmental politics foreign policy economic policy making social policy and human rights The Handbook is divided into three major sections Part 1 focuses on mass behavior while Part 2 moves to representation and Part 3 treats political economy and policy The Handbook proffers five chapters on mass politics focusing on corruption participation gender race and religion three chapters on civil society assessing social movements grass roots participation and lobbying seven chapters focusing on money and campaigns federalism retrospective voting partisanship ideology the political right and negative partisanship five chapters on coalitional presidentialism participatory institutions judicial politics and the political character of the bureaucracy and eight chapters on inequality the environment foreign policy economic and industrial policy social programs and human rights This Handbook is an essential resource for students researchers and all those looking to understand contemporary Brazilian politics

Presidents, Governors, and the Politics of Distribution in Federal Democracies Lucas I. González, 2016-03-10 Tensions between central authorities and subnational units over centralization and fiscal autonomy are on top of the political agenda in many developing federal countries This book examines historical changes in the balance between the resources that presidents and governors control and the policy responsibilities they have to deliver It focuses on Argentina and Brazil the most decentralized federal countries in Latin America with the most powerful sub national governments in the region Using formal modelling statistical tools and comparative historical analyses it examines substantive shifts in the allocation of resources and the distribution of administrative functions and explains under which conditions these changes occur In doing so it presents theoretical and comparative implications for the study of fiscal federalism and the functioning of developing federal democracies This text will be of key interest to scholars and students of federalism intergovernmental relations decentralization and sub national politics and more broadly to those studying comparative politics democratization political elites public policy and economics

Women, Gender, and Politics Mona Lena

Krook, Sarah Childs, 2010 Six areas of research of the subjects of women gender and politics are debated social movements political parties elections political representation public policy and the state *Comparative Public Policy in Latin America*

Jordi Diez, Susan Franceschet, 2012-11-23 This pioneering collection offers a comprehensive investigation into how to study public policy in Latin America While this region exhibits many similarities with the North American and European countries that have traditionally served as sources for generating public policy knowledge Latin American countries are also different in many fundamental ways As such existing policy concepts and frameworks may not always be the most effective tools of analysis for this unique region To fill this gap Comparative Public Policy in Latin America offers guidelines for refining current theories to suit Latin America s contemporary institutional and socio economic realities The contributors accomplish this task by identifying the features of the region that shape public policy including informal norms and practices social inequality and weak institutions This book promises to become the definitive work on contemporary public policy in Latin America essential for those who study the area as well as comparative public policy more broadly **Electoral Rules and the Transformation of Bolivian Politics**

B. Muñoz-Pogossian, 2008-09-29 This is the first book length analysis of the rise in power of the Bolivian party Movement Towards Socialism MAS and its leader President Evo Morales *Decentralization in Asia and Latin America*

Paul J. Smoke, Eduardo J. Gómez, George E. Peterson, 2006-11-28 Public sector decentralization has emerged prominently in many Asian and Latin American countries as a strategy to promote development and political reform Results in both cases have been mixed Despite broad similarities in intent and outcome contextual differences between the regions have led to striking differences in the way decentralization has been structured and implemented This volume takes an atypically historical and interdisciplinary perspective on decentralization highlighting how fiscal and political forces together have been shaping its evolution in the two regions

The Top Books of the Year Legislative Politics In Latin America The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Legislative Politics In Latin America : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Legislative Politics In Latin America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Legislative Politics In Latin America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Legislative Politics In Latin America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Legislative Politics In Latin America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Legislative Politics In Latin America Books

1. Where can I buy Legislative Politics In Latin America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
