## **Legislators And Representation In Sri Lanka:**

Legislators And Representation In Sri Lanka Robert C. Oberst, 2019-04-03 Focusing on the work of Sri Lankan legislators this book offers a model of representation in examining parliamentary systems especially those found in the Third World It explores an important part of legislators responsibilities as the country seeks to decentralize its development planning

**Government and Politics in South Asia** Robert C Oberst, 2018-04-19 This comprehensive but accessible text provides students with a systematic introduction to the comparative political study of the leading nations of South Asia India Pakistan Bangladesh Sri Lanka and Nepal The seventh edition is extensively revised and updated benefiting from the fresh perspective brought on by adding a new author to the team New material includes discussions of political parties and leaders in India the Zardari regime and changes to the Pakistani constitution the rocky relationship between Pakistan and the Obama administration new prospects and dangers facing Bangladesh continuing political violence in Sri Lanka and the troubles facing Nepal as it attempts to draft a new constitution Organized in parallel fashion to facilitate cross national comparison the sections on each nation address several topical areas of inquiry political culture and heritage government structure and institutions political parties and leaders conflict and resolution and modernization and development A statistical appendix provides a concise overview of leading demographic and economic indicators for each country making **Government and Politics in South Asia** an invaluable addition to courses on the politics of South Asia

**Sri Lanka** James Manor, 2025-09-30 First published in 1984 *Sri Lanka In Change and Crisis* focuses on two major political events in Sri Lankan history the presidential elections referendum of 1982 and the communal riots of 1983 James Manor's introduction attempts to place these events within an evolutionary analysis of Sri Lankan political history since independence The aim of this collection is not to achieve unanimity but to approach the events in Sri Lanka from a diversity of viewpoints The book discusses themes like plebiscitary democracy or creeping authoritarianism the New Gaullist Bonapartist State in Sri Lanka electoral system change in Sri Lanka the origins and institutionalization of political violence popular perceptions of violence the riots and the Roman Catholic Church in Sri Lanka and Tamils in the aftermath of the violence This is an important historical reference work for the students of political science South Asian politics and South Asian history

**Sri Lanka** Walter Nubin, 2002 This book provides an overview of the development of a small country which on the one hand is unique and on the other hand is also an interesting reflection and microcosm of the global economy Sri Lanka's development is one of the contrasts complicated by social conflicts and ethnic tensions Social political economic and constitutional developments are considered This is in accordance with the Sri Lankan tradition of seeing the world as a connected whole The Democratic Socialist Republic of Sri Lanka formerly known as Ceylon is an island in the Indian Ocean approximately 18 miles off the south eastern coast of India with a population of about 19 million Density is highest in the south west where Colombo the country's main port and industrial centre is located Sri Lanka is ethnically linguistically and religiously diverse Sri Lanka follows a non

aligned foreign policy It participates in multilateral diplomacy particularly at the United Nations where it seeks to promote sovereignty independence and development in the developing world      *Government and Politics in South Asia, Student Economy Edition* Robert Oberst,2018-04-27 This book describes the countries of South Asia and examines the reason for their successes and failures It addresses the interrelationships among the states in the region and their roles in the international system and discusses the political development of the region      *Legislatures and Legislators* Philip Norton,1998 This series brings together the most significant journal articles to appear in the field of comparative politics over the past 30 years The aim is to render readily accessible to teachers researchers and students an extensive range of essays which together provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the rapidly changing field of comparative political analysis This series is divided into three major sections Institutional Studies Thematic Studies and Country Studies      **Nationalism, Development and Ethnic Conflict in Sri Lanka** Rajesh Venugopal,2018-10-18 This book examines the relationship between ethnic conflict and economic development in modern Sri Lanka Drawing on a historically informed political sociology it explores how the economic and the ethnic have encountered one another focusing in particular on the phenomenon of Sinhala nationalism In doing so the book engages with some of the central issues in contemporary Sri Lanka why has the ethnic conflict been so protracted and so resistant to solution What explains the enduring political significance of Sinhala nationalism What is the relationship between market reform and conflict Why did the Norwegian sponsored peace process collapse How is the Rajapaksa phenomenon to be understood The topical spread of the book is broad covering the evolution of peasant agriculture land scarcity state welfarism nationalist ideology party systems political morality military employment business elites market reforms and development aid      *A Revised Edition of the Legislative Enactments of Ceylon ...* Ceylon,Sri Lanka,1907      **Government And Politics In South Asia** Craig Baxter,1991-01-07 Studies political development in a key area of the world one with great population nuclear arms and high economic potential      **Sri Lankan Ethnic Crisis** R. B. Herath,2002 This book is a result of years of research on the Sri Lankan ethnic crisis It gives a vivid description of the crisis analyses the numerous factors that influence it and explains a way to end it by democratic means Sri Lankan Ethnic Crisis Towards a Resolution is a unique book among those written on the Sri Lankan ethnic crisis for a number of reasons It is the only book on the market that looks at the Sri Lankan ethnic crisis in a comprehensive manner Every other book written on the subject focuses only on some selected aspects of the crisis At the same time those written before do not help the reader understand the present intricacies of the crisis A close look at all the books so far written on the subject reveals that Sri Lankan Ethnic Crisis Towards a Resolution is the first book to reach readers in both the academic and non academic environments help the reader fully understand the historic context of the ethnic crisis in Sri Lanka discover and discuss in a co ordinated manner the hidden factors that influence the crisis expose the disguise of the elite and dynastic type post colonial rule as democracy and the

unbuddhist influence of some Buddhist monks on the ethnic crisis remind the British the last colonial power of Sri Lanka of their responsibility for the present predicament of the Sinhalese peasantry and stateless Indian Tamils suggest a complete solution to the crisis with a new democratic model of governance which is equally applicable in principle to other countries suffering from ethnic strife and Outline a way to implement the solution in the present political climate This is the first time a person outside social science academia and the journalistic world has written a book on the subject giving the citizen s point of view on the ethnic crisis combined with a democratic solution In his solution the author suggests a new bottom up approach to the crisis with the people at the centre of the decision making process instead of the top down approach that has so far failed The Sri Lankan Ethnic Crisis Towards a Resolution is a book of 85 000 words It also includes a number of explanatory maps tables and charts It is an easy to read concise and up to date book that has the answers to the burning questions raised by those committed to finding a lasting solution to the Sri Lankan ethnic crisis It is a book of interest to everyone everywhere interested in the phenomenon of identity politics and in matters of democratic processes to ensure the civil human and political rights of the entire citizenry Sri Lankan Ethnic Crisis Towards a Resolution has five chapters The first chapter introduces the reader to the Sri Lankan ethnic crisis and the objectives and organisation of the book The second chapter gives a historical background to the crisis It takes the reader through three phases of Sri Lankan history pre colonial colonial and post colonial It is useful for the reader to know the historical background of the crisis to fully understand its present complexities The third chapter identifies the root cause of the crisis and explains 10 main factors that have contributed to its escalation into a separatist war since independence in 1948 The fourth chapter stresses the importance of a new political beginning for Sri Lanka as a multiethnic independent nation and explains eight basic factors that should constitute the foundation for such a new beginning Then it discusses the varied governing systems developed in other democracies in the world and proposes a new democratic governing model for Sri Lanka The model addresses the ethnic issues in Sri Lanka and formulates a way to establish genuine democracy in the country giving the power of self determination to all its peoples This chapter also explains how the country would be able to implement such a new mo

Beyond a One-Dimensional State: An Emerging Right to Autonomy? Zelim Skurbaty, 2005-01-01 The beginning of the 21st century is characterized by global structural changes and worldwide concern for the problems surrounding the relationships between states and minority groups Autonomy has become a code word for an all purpose means of inclusion of sub state groups in the three major functions that make for the essence of international law the allocation of competence the furtherance of common interest and the maintenance of international peace Since to be autonomous is to be a law to oneself and autonomous agents are self governing agents the authors of this present volume try give an answer each from a particular professional perspective to one overriding question what conditions must be met in order to ensure that the autonomous agents govern themselves and govern effectively With a scholarly attention to analytical precision factual

accuracy and scrupulous objectivity the authors of the present volume coming from such diverse fields as international law philosophy ethics economics political science detail and explore the protean character of autonomy as both a concept autonomy's subtypes autonomy vs other arrangements for the diffusion of power within heterogeneous societies new definitions of the concept etc and a practice the potential of autonomy in the peaceful resolution of ethnic conflicts comparative case studies ranging from Greenland to Eritrea from the Baltic States to South Asia For all their differences in background and style the authors share the common belief that autonomy if properly understood and applied holds considerable potential for ensuring an effective and harmonious co existence for diverse groups within modern states As such this book will hold particular appeal for all those students academics policymakers practitioners who are on a quest for empowering insights vis vis state minority modus vivendi and ways to mitigate inter group tensions by compromise

**Legacies of British Rule** Matthew Lange, 2025-09-30 The relationship between colonial pluralism and nationalist civil war in former British colonies Why do some communities fight civil wars over national self rule while others do not In *Legacies of British Rule* Matthew Lange offers insight into this question through a rigorous multimethod and comparative analysis that pinpoints the combined impact of precolonial statehood and British colonialism During transitions from empire to nation state postcolonial officials in places with large and long standing precolonial states commonly try to build a unified nation around the dominant community in ways that discriminate against and exclude smaller communities While such national chauvinism can fuel reactions leading to nationalist civil war a history of British colonialism intensifies these reactions by increasing sensitivity to national chauvinism and empowering communities to act Consequently nationalist civil wars are three times more common in former British colonies than in other former overseas colonies And yet Lange finds that British colonialism exerts a very different effect on places with a limited history of precolonial statehood in an environment with little national chauvinism British colonialism deters nationalist civil war by promoting more inclusive postcolonial states that strengthen plurinationalism and limit fear and anger over reduced communal autonomy Lange's account provides valuable new insights into the roots of nationalist civil war broad patterns of conflict and the mixed effects of colonialism and pluralism

**Gender and Women's Leadership** Karen O'Connor, 2010-08-18 This work within *The SAGE Reference Series on Leadership* provides undergraduate students with an authoritative reference resource on leadership issues specific to women and gender Although covering historical and contemporary barriers to women's leadership and issues of gender bias and discrimination this two volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics issues questions and debates specific to women and gender Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry but lack the jargon detail and density of a journal article **Key Features** Includes contributions from a variety of renowned experts Focuses on women and public leadership in the American context women's global leadership women as leaders in the business sector

the nonprofit and social service sector religion academia public policy advocacy the media sports and the arts Addresses both the history of leadership within the realm of women and gender with examples from the lives of pivotal figures and the institutional settings and processes that lead to both opportunities and constraints unique to that realm Offers an approachable clear writing style directed at student researchers Features more depth than encyclopedia entries with most chapters ranging between 6 000 and 8 000 words while avoiding the jargon and density often found in journal articles or research handbooks Provides a list of further readings and references after each entry as well as a detailed index and an online version of the work to maximize accessibility for today s student audience

**Parties and Political Change in South Asia** James Chiriyankandath,2016-04-14 Over the past seven decades and more political parties have become an essential feature of the political landscape of the South Asian subcontinent serving both as a conduit and product of the tumultuous change the region has experienced Yet they have not been the focus of sustained scholarly attention This collection focuses on different aspects of how major parties have been agents of and subject to change in three South Asian states India Pakistan and Sri Lanka examining some of the apparent paradoxes of politics in the subcontinent and covering issues such as gender religion patronage clientelism political recruitment and democratic regression Recurring themes are the importance of personalities and the corresponding neglect of institutionalisation and the lack of pluralism in intraparty affairs factors that render parties and political systems vulnerable to degeneration This book was published as a special issue of Commonwealth and Comparative Politics

**Routledge Handbook of Politics in Asia** Shiping Hua,2018-03-15 The Routledge Handbook of Politics in Asia is designed to serve as a comprehensive reference guide to politics in Asia Covering East South Southeast and Central Asia this handbook brings together the work of leading international academics to cover the political histories institutions economies and cultures of the region Taking a comparative approach it is divided into four parts including A thorough introduction to the politics of the four regions of Asia from the perspectives of democratization foreign policy political economy and political culture An examination of the Big Three of Asia China India and Japan focusing on issues including post Mao reform China s new world outlook Indian democracy and Japanese foreign policy A discussion of important contemporary issues such as human rights the politics of the internet security nationalism and geopolitics An analysis of the relationship between politics and certain theoretical ideas such as Confucianism Hinduism socialist constitutionalism and gender norms As an invaluable and all inclusive resource this handbook will be useful for students scholars researchers and practitioners of Asian politics and comparative politics

**State of the World's Minorities 2007** ,2007-03-04 In 1948 the United Nations General Assembly adopted the Universal Declaration of Human Rights which proclaimed that all human beings are born free and equal in dignity and rights Sadly for many minorities and indigenous peoples around the world this inspirational text with its emphasis on equality and non discrimination remains a dream not a reality Ethnic or sectarian tensions are evident in many parts of our globe In places they have boiled over into bitter violence

The Middle East situation continues to deteriorate with some minority communities fearing for their very survival In Africa the crisis in Darfur is deepening as government sponsored militia continues to carry out massive human rights abuses against traditional farming communities In Europe the spotlight has fallen on Muslim minorities with rows flaring over the Danish cartoons and the wearing of the veil and burqa Now more than ever world leaders must insist that the rights of minorities and indigenous peoples be respected The participation of minorities is essential if conflict is to be prevented and lasting peace is to be built This second annual edition of the State of the World s Minorities looks at the key developments over 2006 affecting the human rights and security of ethnic religious or linguistic minorities and indigenous peoples It includes a preface by the UN s Independent Expert on Minority Issues a unique statistical analysis of Peoples under Threat 2007 a special focus on the participation of minorities with analysis from leading academics on electoral representation and the European system an eye witness report from Sri Lanka on the impact on minorities of the resurgence of conflict comprehensive regional sections outlining the main areas of concern as well as any notable progress The State of the World s Minorities is an invaluable reference for policy makers academics journalists and everyone who is interested in the conditions facing minorities and indigenous peoples around the world **Law and Society in East Asia** Christoph Antons,2017-07-05

The massive and complex process of change in East Asia over recent decades has brought about a transformation in the nature of law and legal institutions in the region Whilst the process of change has to some degree mimicked western models of law and legal change there have been significant differences in approach due to the different social foundations of East Asian societies The more obvious of these has been the variety of ways in which rule of law ideas have been adopted in many East Asian countries where the role of the state is more dominant when compared with Western models This volume brings together a selection of the most important writings on East Asia of researchers in recent years and shows the broad range of questions which researchers have been addressing about the effect of law reform and legal change in societies dominated by traditional values and political forces and at a time of massive economic change The Oxford Handbook of Sociolinguistics

Robert Bayley,Richard Cameron,Ceil Lucas,2015 This major new survey of sociolinguistics identifies gaps in our existing knowledge base and provides directions for future research **Muslim Minority-State Relations** Robert

Mason,2016-04-08 This volume explores the dominant types of relationships between Muslim minorities and states in different parts of the world the challenges each side faces and the cases and reasons for exemplary integration religious tolerance and freedom of expression By bringing together diverse case studies from Europe Africa and Asia this book offers insight into the nature of state engagement with Muslim communities and Muslim community responses towards the state in turn This collection offers readers the opportunity to learn more about what drives government policy on Muslim minority communities Muslim community policies and responses in turn and where common ground lies in building religious tolerance greater community cohesion and enhancing Muslim community state relations **The Oxford Handbook of Comparative**

**Administrative Law** Peter Cane,Herwig Hofmann,Eric C. Ip,Eric Chi Yeung Ip,Peter L. Lindseth,2021 In this Handbook distinguished experts in the field of administrative law discuss a wide range of issues from a comparative perspective The book covers the historical beginnings of comparative administrative law scholarship and discusses important methodological issues and basic concepts such as administrative power and accountability
