Schwartz, 2003-11-05

With so many discussions and theories on reading and how children learn to read it can be very confusing for parents to know the best way to get their kids to read In *Raising a Reader* Bonnie Schwartz lays out simple researched and practice proven approaches that a parent can do to promote literacy in the home and encourage children to explore the great adventures to be found in books The first step in fostering literacy and good reading strategies in the home is to learn a little bit about how language is acquired and how this affects the development of reading The purpose of this book is to expose parents to these processes and build a knowledge base of basic games activities and strategies parents can easily use at home to foster reading development

**How to Raise an Intuitive Eater** Sumner Brooks, Amee Severson, 2022-01-04 With the wisdom of *Intuitive Eating* a manifesto for parents to help them reject diet culture and raise the next generation to have a healthy relationship with food and their bodies Kids are born intuitive eaters Well meaning parents influenced by the diet culture that surrounds us all are often concerned about how to best feed their children Nearly everyone is talking about what to do about the childhood obesity epidemic Meanwhile every proposed solution for how to feed kids to promote health and prevent weight related health concerns don't mention the importance of one thing a healthy relationship with food The consequences can be disastrous and are indistinguishable from the predictable and well researched impact that dieting has on adults Weight cycling low self esteem deviations from normal growth and eating disorders are just some of the negative health effects children can experience from the fear based approach to food and eating that has become the norm in our culture Sumner Brooks and Amee Severson believe that parents want the best for their kids and know a parent's job is to make them feel safe in the world and their bodies They want them to grow up to be competent healthy eaters living their best lives in the bodies they were born to have *Intuitive Eating* is more talked about than ever and the time is now to make sure parents truly understand what it means to raise an intuitive eater With a compassionate and relatable voice *How to Raise an Intuitive Eater* is the only book of its kind to teach parents what they need to know to improve health happiness and wellbeing for the littlest among us

**How to Raise a Puppy** Stephanie Rousseau, Turid Rugaas, 2022-10-11 *How to Raise a Puppy* moves away from the traditional approach to raising puppies focused on obedience and control and instead takes an holistic dog centred approach Drawing on research into how dogs naturally rear their young and how dogs have evolved to behave and spend their time it supports a new way of sharing our lives with our dogs It also offers advice on dealing with some of the common challenges people experience with puppies and tips for managing adolescence A much needed resource for dog trainers veterinarians and behaviourists to recommend to clients this conveys a powerful message to help overcome all too common issues so many people have with their puppies Packed with practical advice it offers an overdue puppy perspective with respect for a dog as a sentient being at its core
