How to Achieve Good Fortune Murdo Donaldson MacLeod, 2013-07-24 Is good fortune just a matter of luck Or being born under the right star In this compelling book Murdo MacLeod shows how you can load the dice in your own favour Murdo MacLeod s easy to follow programme demonstrates how to harness the power within you in order to achieve material wealth perfect health personal charm the conquest of anxiety First published in 1932 How to Achieve Good Fortune is strikingly modern in its approach not just in its promotion of the power of positive thinking but also in the method of picturing what it is that you desire Many of the ideas that Murdo MacLeod proposed have since been taken up in New Age philosophy particularly the concept of Cosmic Mind

The Semiotics of Fortune-telling Edna Aphek, Yishai Tobin, 1990-01-01 This book presents a semiotic analysis of the linguistic and extralinguistic elements of fortune telling as part of a larger pragmatic oriented theory of human communication The material was collected in Israel in Hebrew and parallels are made with other languages and cultures The analysis is based on dynamic relativism of the multidimensional transcendental holistic process of human communication

Family Fortunes Bill Bonner, 2012-06-21 Selected as one of Motley Fool s 5 Great Books You Should Read Advice on managing your wealth from bestselling author Bill Bonner From trusted New York Times bestselling author Bill Bonner comes a radical new way to look at family money and a practical actionable guide to getting and maintaining multigenerational wealth Family Fortunes How to Build Family Wealth and Hold on to It for 100 Years is packed with useful information interwoven with Bonner s stories about his own family s wealth philosophy and practices A comprehensive guide that shows how families can successfully preserve their estates by ignoring most of what people think they know about the rich and instead training and motivating all family members to work together toward a very uncommon goal This book is a must read for all individual investors even those who do not plan to leave money to their children because it challenges many of the most ubiquitous principles and rules of investing You might expect a book on family wealth to be extremely

conservative in its outlook Instead the Bonners announce what is practically a revolutionary manifesto They explain Why family money should NOT be invested in safe conservative investments Why charitable giving is usually a waste of money or worse Why it is NOT a good idea to let children go their own way Why you can't trust wealth professionals and why you should never entrust your money to money managers Why giving your children as much education as possible is NOT a good idea Why Warren Buffett and the rest of the rich people asking for higher tax rates are wrong to take the pledge Why Wall Street is a graveyard for capital why most celebrity CEOs are a threat to the businesses they run why modern capitalism is a failure and more You will come away with a very different idea as to what family wealth is all about It is not stodgy Not boring Not moss backed and reactionary On the contrary it is the most dynamic forward looking capital in the world The essential guide to passing wealth from one generation to the next Family Fortunes is filled with concrete practical advice you can put to use right away
