Laguna Nights:

Laguna Nights Carole Giorgio, 2001 **Laguna Nights** Kaira Rouda, 2015-07-14 Madison Alcott was back in her hometown caring for her sick mom and working long hours at the best resort in Laguna Beach. She never imagined she'd return to the place where she became famous on the hit reality TV show *Laguna Nights* and the place where she was humiliated on national television. Fortunately, the past had stayed tucked away until her old high school boyfriend appeared in the lobby. Josh Welsh was a superstar by age eighteen, the bad boy break-out star of *Laguna Nights*. Since then, his star had lost its shine and he barely was holding onto his Hollywood status. When he was asked to host a new reality travel show, he jumped at the chance. The only problem was the first episode was shooting in Laguna Beach. Of all the reasons Josh didn't want to return home, he hadn't even imagined the worst scenario: running into Madison Holly Alcott. Josh's connection to Madison was still as strong as her anger at his betrayal. When the new reality series forces them together, they must face *Laguna Nights* past and present and navigate a journey where nothing is as it seems. **Laguna Lights** Kaira Rouda, 2015-11-10 Welcome back to Laguna Beach from USA Today Bestselling author Kaira Rouda. *Laguna Lights* Book 3 in the series. Will Laura allow a handsome stranger to help her create a future unlike her past, or will the bright lights of Hollywood pull her back to LA? Bonus content: *Laguna Heights* Book 2 **Last Night in Laguna** C.M. Albert, 2018-08-01 Bexley Rue's gypsy soul has always chased after her heart's next fleeting desire until her sister Vaughn's terminal illness brings Bex's carefree lifestyle to a screeching halt. Kai Donovan has only ever craved stability and love over everything else. His trip to Laguna Beach suddenly has him throwing caution to the wind for the one woman who could capture and break his heart all in one night. Knowing she's leaving the next day for a cross-country move, Bexley's only looking for fun on her last night in Laguna. Until she meets Kai, who sparks such an intense attraction it has Bexley questioning everything. When Bexley's world is cracked wide open with surprises from the past and complications for her future, are Kai's feelings enough to finally get Bexley to face her fears and allow true love in for the first time? Or will her gypsy heart win out and have her chasing shadows once again. *The Goodbye Year* Kaira Rouda, 2016-05-03 Melanie, a perfectionist mom who views the approaching end of parenting as a type of death, can't believe she has only one more year to live vicariously through her slacker senior son. Dane, a gorgeous mom Sarah has just begun to realize that her only daughter, Ashley, has been serving as a stand-in for her traveling husband, and the thought of her daughter leaving for college is cracking the carefully cultivated facade of her life. Will and his wife are fine as long as he follows the instructions on the family calendar and is sure to keep secret his whole other life with Lauren, the woman he turns to for fun and who also happens to have a daughter in the senior class. Told from the points of view of both the parents and the kids, *The Goodbye Year* explores high school peer pressure, what it's like for young people to face the unknown of life after high school, and how a transition that should be the beginning of a couple's second act together, empty nesting, might possibly be the end. Often hilarious, sometimes heartbreaking, always
