Dennis Low's re-evaluation of the Lake Poets as mentors begins with the controversial premise that Robert Southey was one of the nineteenth century's greatest champions of women's writing. Together with Wordsworth and Coleridge, Low argues, Southey tried to end what he perceived to be the cultural decline of literature by nurturing the creative talents of many exceptional women writers. Drawing on 3,000 unpublished manuscripts in England, Scotland, and the United States, Low examines the lives and works of four of the Lake Poets' literary protégées: Caroline Bowles, Maria Gowen Brooks, Sara Coleridge, and Maria Jane Jewsbury. Though diverse in terms of their literary production, these women were united in their defiant efforts to write against an increasingly stagnant cultural milieu, and their negotiation wholeheartedly encouraged by their mentors of contemporary publishing mores. This scrupulously researched book is a valuable contribution to the study of little-known women writers and to our understanding of the literary and publishing environment of Britain in the 1820s and 1830s. **Spider Lake** Jeff Nania, 2021-04-03. A missing federal agent, suitcases full of cash, a secluded cabin in the woods. Spider Lake is no longer the peaceful retreat John Cabrelli needs to recover from gunshot wounds and start a new life. Knowing Cabrelli is a former law enforcement officer, the new chief of police recruits him to help untangle a string of strange events in the little town of Musky Falls. Cabrelli and a colorful team of local residents land in the center of a fast-paced action thriller with a surprise ending that's sure to make your head spin. Winner of the 2021 IPPY Awards for mysteries, Next Generation Indie Book Awards Finalist for best second novel, Winner of the 2021 Midwest Book Awards for cover design. Spider Lake is the second book in the Northern Lakes Mystery series. Nania again weaves a plot that is both believable and complex, reflecting real-world scenarios where bad guys ply their criminal trade wherever they can. Valerie Biel, award-winning author.
