Land And Revolution In Iran 1960 1980 Modern Middle East Series

Eric J. Hooglund

Land And Revolution In Iran 1960 1980 Modern Middle East Series:

Land and Revolution in Iran, 1960-1980 Eric J. Hooglund, 2014-07-03 Carried out by the government of the shah between 1962 and 1971 the Iranian land reform was one of the most ambitious such undertakings in modern Middle Eastern history Yet beneath apparent statistical success the actual accomplishments of the program in terms of positive benefits for the peasantry were negligible Later the resulting widespread discontent of thousands of Iranian villagers would contribute to the shah's downfall In the first major study of the effects of this widely publicized program Eric Hooglund's analysis demonstrates that the primary motives behind the land reform were political Attempting to supplant the near absolute authority of the landlord class over the countryside the central government hoped to extend its own authority throughout rural Iran While the Pahlavi government accomplished this goal its failure to implement effective structural reform proved to be a long term liability Hooglund who conducted field research in rural Iran throughout the 1970s and who witnessed the unfolding of the revolution from a small village provides a careful description of the development of the land reform and of its effects on the main groups involved landlords peasants local officials merchants and brokers He shows how the continuing poverty in the countryside forced the migration of thousands of peasants to the cities resulting in serious shortages of agricultural workers and an oversupply of unskilled urban labor When the shah's government was faced with mass opposition in the cities in 1978 not only did a disillusioned rural population fail to support the regime but thousands of villagers participated in the protests that hastened the collapse of the monarchy The U.S. Press and Iran William A.

Dorman, Mansour Farhang, 2023-04-28 No one seriously interested in the character of public knowledge and the quality of debate over American alliances can afford to ignore the complex link between press and policy and the ways in which mainstream journalism in the U S portrays a Third World ally The case of Iran offers a particularly rich view of these dynamics and suggests that the press is far from fulfilling the watchdog role assigned it in democratic theory and popular imagination This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1988 No one seriously interested in the character of public knowledge and the quality of debate over American alliances can afford to ignore the complex link between press and policy and the ways in which mainstream journalism in the U S portrays a Third World **Current Contents of Periodicals on the Middle East**, 1984

A History of the Modern Middle East William L. Cleveland, Martin Bunton, 2024-07-29 A History of the Modern Middle East examines the profound and often dramatic transformations of the region in the past two centuries from the Ottoman and Egyptian reforms through the challenge of Western imperialism to the impact of US foreign policies Built around a framework of political history while also carefully integrating social cultural and economic developments this expertly crafted

account provides readers with the most comprehensive balanced and penetrating analysis of the modern Middle East The seventh edition has been substantially revised to reflect the significance of the 2011 Arab Uprisings as a major turning point in the modern history of the region A new chapter considers how regional powers especially in the Gulf are now asserting themselves more forcefully seeking to push their own interests while Russia and China contest America's position Including an annotated and updated bibliography that offers guidance to readers seeking more in depth information and incorporating an online companion website featuring quizzes timelines and instructor resources A History of the Modern Middle East remains the quintessential text for courses on Middle Eastern history

The Middle East Today Don Peretz, 1994-04-30 In this completely updated sixth edition Peretz offers a comprehensive introduction to the history politics and contemporary life of the Middle East This is the book for those who have little or no previous academic background to the region Since its initial publication in 1963 this definitive survey has been widely acclaimed and frequently used in history and political science classes As with previous editions this volume offers a basic understanding of the forces that shape life and politics in Israel Egypt Iran Iraq Lebanon Jordan Syria Turkey Saudi Arabia and the Gulf States and is up to date through the September 1993 Israeli P L O accords

The Modern Middle East Camron Michael Amin, Benjamin C. Fortna, Elizabeth B. Frierson, 2006-04-06 The Modern Middle East is a collection of translated sources covering the period from 1700 to the present Sources include official and private archives the periodical press memoirs western journalists and travellers accounts literature and official reports including statistical data Each document has been prefaced translated and annotated by a specialist in the particular history and culture from which it was drawn Enough information is provided so that every student can appreciate the value of a document and begin a further exploration either of its specific historical context or its relationship to broader themes in modern Middle Eastern history whilst scholars will find it of value for its use in teaching and discussion Themes covered include the expansion of state power changing gender roles religious revival nationalist mobilization increasing participation in a wider global culture and economy and the redefinition of traditions and identities

Insecurity Communities of South Asia and the Middle East Majid Sharifi, 2020-11-10 This book critically examines how US foreign policy has produced a regional regime of instability and insecurity in South Asia and the Middle East It focuses on three interconnected zones of conflict Afghanistan and Pakistan in South Asia Iran and the Persian Gulf states and Iraq and its neighbours In a comprehensive historical survey this work compares the governing behaviour of these states with that of the West where the American foreign policy establishment has in contrast pushed for investing in collective security The author studies various events throughout history such as the Taliban regime the US led war in Afghanistan the Obama administration and Pakistan the first and second Gulf wars the Arab Spring and the rise of ISIS to present a theoretical analysis of Washington's consistent pursuit of multibalancing and regime change wars in the region An important critical assessment of Western foreign policies this book will be indispensable for students and researchers of US foreign policy

defense and security studies strategic affairs politics and international relations political economy nation state building identity studies globalization studies Middle East studies and South Asian studies *The Making Of Iran's Islamic Revolution* Mohsen M Milani, 2018-03-09 In this fully revised and expanded second edition Dr Milani offers new insights into the causes and profound consequences of Iran's Islamic Revolution Drawing on dozens of personal interviews with the officials of the Islamic Republic and on recently released documents he presents a provocative analysis of the dynamics and characteristics of factional politics in Islamic Iran Among the new issues covered are the events leading up to the Teheran hostage crisis Ayatollah Khomeini's life and writings President Rafsanjani's activities against the Shah Rafsanjani's recent reforms Iran's involvement in the Kuwaiti crisis and the domestic and foreign policy challenges facing Iran in the post Cold War era The second edition is specifically revised for use as a text for courses dealing with Iran the Middle East and revolutionary movements **Crime, Poverty and Survival in the Middle East and North Africa** Stephanie

Cronin, 2019-11-28 The concept of the dangerous classes was born in a rapidly urbanizing and industrializing nineteenth century Europe It described all those who had fallen out of the working classes into the lower depths of the new societies surviving by their wits or various amoral disreputable or criminal strategies This included beggars and vagrants swindlers pickpockets and burglars prostitutes and pimps ex soldiers ex prisoners tricksters drug dealers the unemployed or unemployable indeed every type of the criminal and marginal This book examines the dangerous classes in the Middle East and North Africa their lives and the strategies they used to avoid evade cheat placate or occasionally resist the authorities Chapters cover the narratives of their lives their relationship with respectable society their political inclinations and their role in shaping systems and institutions of discipline and control and their representation in literature and in popular culture The book demonstrates the liminality of the dangerous classes and their capacity for re-invention It also indicates the sharpening relevance of the concept to a Middle East and North Africa now in the grip of an almost permanent sense of crisis its younger generations crippled by a pervasive sense of hopelessness prone to petty crime and vulnerable to induction as foot soldiers into drug and people smuggling petty gangsterism and jihadism *Polity And Society In Contemporary North Africa* I. William Zartman, William Mark Habeeb, I William Zartman, 2019-06-04 In the twenty five years since the last

comprehensive book on state and society in North Africa was published the nations of the Maghrib have undergone profound social political and economic changes The region has for example experienced one of the highest population growth rates in the world accompanied by a dramatic increase in migration *The Paradox of Plenty* Terry Lynn Karl, 1997-10-10 The Paradox of Plenty explains why in the midst of two massive oil booms in the 1970s oil exporting governments as different as Venezuela Iran Nigeria Algeria and Indonesia chose common development paths and suffered similarly disappointing outcomes Meticulously documented and theoretically innovative this book illuminates the manifold factors economic political and social that determine the nature of the oil state from the coherence of public bureaucracies to the degree of

centralization to patterns of policy making Karl contends that oil countries while seemingly disparate are characterized by similar social classes and patterns of collective action In these countries dependence on petroleum leads to disproportionate fiscal reliance on petrodollars and public spending at the expense of statecraft Oil booms which create the illusion of prosperity and development actually destabilize regimes by reinforcing oil based interests and further weakening state capacity Karl s incisive investigation unites structural and choice based approaches by illuminating how decisions of policymakers are embedded in institutions interacting with domestic and international markets This approach which Karl dubs structured contingency uses a state s leading sector as the starting point for identifying a range of decision making choices and ends by examining the dynamics of the state itself The United States and Iran James F. Goode,2016-07-27 This study presents an analysis of US Iranian relations in the twentieth century with particular attention to the crisis over nationalization of British oil interests at midcentury As such it focuses on the career of Muhammad Musaddiq who struggled during those years to free his country from foreign influence and whose memory continued to haunt bilateral relations with the United States up to the Iranian revolution Throughout it examines Anglo American views of Iranians and by implication of other non Westerners which affected and still affect the conduct of international relations The Middle East Annual ,1981

Revolutions and Revolutionary Movements James DeFronzo,2014-08-12 This comprehensive text analyzes significant revolutions of the 20th and 21st centuries placing them in social economic and political context **A History of Islamic Societies** Ira M. Lapidus,2014-10-13 This new edition of one of the most widely used course books on Islamic civilizations around the world has been substantially revised to incorporate the new scholarship and insights of the last twenty five years Ira Lapidus history explores the beginnings and transformations of Islamic civilizations in the Middle East and details Islam s worldwide diffusion The history is divided into four parts Part I is a comprehensive account of pre Islamic late antiquity the beginnings of Islam the early Islamic empires and Islamic religious artistic legal and intellectual cultures Part II deals with the construction in the Middle East of Islamic religious communities and states to the fifteenth century Part III includes the history to the nineteenth century of Islamic North Africa and Spain the Ottoman Safavid and Mughal empires and other Islamic societies in Asia and Africa Part IV accounts for the impact of European commercial and imperial domination on Islamic societies and traces the development of the modern national state system and the simultaneous Islamic revival from the early nineteenth century to the present Nomads in Postrevolutionary Iran Lois Beck,2014-09-19 Examining the rapid transition in Iran from a modernizing westernizing secularizing monarchy 1941 79 to a hard line conservative clergy run Islamic republic 1979 this book focuses on the ways this process has impacted the Qashqa i a rural nomadic tribally organized Turkish speaking ethnic minority of a million and a half people who are dispersed across the southern Zagros Mountains Analysing the relationship between the tribal polity and each of the two regimes the book goes on to explain the resilience of the people s tribal organizations kinship networks and politicized ethnolinguistic identities to demonstrate how

these structures and ideologies offered the Qashqa i a way to confront the pressures emanating from the two central governments Existing scholarly works on politics in Iran rarely consider Iranian society outside the capital of Tehran and beyond the reach of the details of national politics Local level studies on Iran accounts of the ways people actually lived are now rare especially after the revolution Based on long term anthropological research Nomads in Postrevolutionary Iran provides a unique insight into how national level issues relate to the local level and will be of interest to scholars and researchers in Anthropolgy Iranian Studies and Middle Eastern Studies

Rural Development in Iran, 1960-2020

Mostafa Azkia,2025-06-30 This book is an authoritative account of rural development in Iran spanning 60 years and 2 distinct political regimes Professor Mostafa Azkia has spent many decades demonstrating the importance of participatory rural development not only in addressing rural problems but also in reducing urban concerns such as unemployment and overpopulation This book is the culmination of this work bringing together a detailed analysis of the theories history and strategies of rural and state development in Iran both before and after the Islamic Revolution Putting rural communities at the fore the book demonstrates that there has been significant progress in reducing the rural urban gap both in terms of income and standards of living resulting in a more equal path of socioeconomic development for Iran This comprehensive assessment from Iran s foremost rural sociologist will be an important read for researchers and professionals working on rural development and sociology in the Middle East

A History of Social Justice and Political Power in the Middle

East Linda T. Darling,2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government s justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people s political culture and expectations of government The book demonstrates the Circle s relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism

Both Eastern and Western Afshin Matin-Asgari,2018-08-16 Studying intellectual trends in Iran in a global historical context this new intellectual history challenges many dominant paradigms in Iranian historiography and offers a new revisionist interpretation of Iranian modernity

The Right Kind of Revolution

Michael E. Latham,2011-01-15 After World War II a powerful conviction took hold among American intellectuals and policymakers that the United States could profoundly

accelerate and ultimately direct the development of the decolonizing world serving as a modernizing force around the globe By accelerating economic growth promoting agricultural expansion and encouraging the rise of enlightened elites they hoped to link development with security preventing revolutions and rapidly creating liberal capitalist states In *The Right Kind of Revolution* Michael E Latham explores the role of modernization and development in U S foreign policy from the early Cold War through the present The modernization project rarely went as its architects anticipated Nationalist leaders in postcolonial states such as India Ghana and Egypt pursued their own independent visions of development Attempts to promote technological solutions to development problems also created unintended consequences by increasing inequality damaging the environment and supporting coercive social policies In countries such as Guatemala South Vietnam and Iran U S officials and policymakers turned to modernization as a means of counterinsurgency and control ultimately shoring up dictatorial regimes and exacerbating the very revolutionary dangers they wished to resolve Those failures contributed to a growing challenge to modernization theory in the late 1960s and 1970s Since the end of the Cold War the faith in modernization as a panacea has reemerged The idea of a global New Deal however has been replaced by a neoliberal emphasis on the power of markets to shape developing nations in benevolent ways U S policymakers have continued to insist that history has a clear universal direction but events in Iraq and Afghanistan give the lie to modernization s false hopes and appealing promises

This is likewise one of the factors by obtaining the soft documents of this **Land And Revolution In Iran 1960 1980 Modern Middle East Series** by online. You might not require more grow old to spend to go to the books foundation as capably as search for them. Land And Revolution In Iran 1960 1980 Modern Middle East Series Introduction

In today's digital age, the availability of Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Land And Revolution In Iran 1960 1980 Modern Middle East Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free

eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Land And Revolution In Iran 1960 1980 Modern Middle East Series books and manuals for download and embark on your journey of knowledge?

FAQs About Land And Revolution In Iran 1960 1980 Modern Middle East Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Land And Revolution In Iran 1960
