**Evelyn S. Colbert**

## **Left In Japanese Politics:**

The Left Wing in Japanese Politics Evelyn S. Colbert, 1973      **The Left Wing in Japanese Politics** Evelyn Speyer Colbert, 1952      **Generational Gap in Japanese Politics** Willy Jou, Masahisa Endo, 2016-07-04 After decades of stable and seemingly semi permanent single party dominance Japanese politics have gone through fundamental changes since the early 1990s Government ministries have been reorganised prime ministerial powers strengthened and rules for electing the lower house of parliament overhauled Furthermore frequent formation merger splintering and disappearance of new parties have continued for more than two decades How do citizens make sense of politics amidst such rapid shifts The authors address this question by focusing on attitudinal and behavioural changes and continuities with respect to political ideology They explore what issues citizens associate with ideological terms where they perceive various parties on a conservative progressive dimension and to what extent ideology affects their vote choice Results of new surveys are also presented to shed light on distinctions between different ideological labels and profiles of radical right supporters In addition all topics are discussed with an eye to identifying divergent patterns between older and younger generations      **Japanese Politics and Government** Alisa Gaunder, 2023-02-27 The revised 2nd edition of this successful textbook explores Japanese politics in the postwar era from theoretical and comparative perspectives After providing historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the policymaking process and the politics of economic growth and stagnation By delving into Japan s international relations the book sheds light on Japan s security and foreign policies and Japan s role in Asia The textbook concludes by addressing what has changed since party alternation in 2009 the triple disaster in March 2011 and the global Covid pandemic Themes and questions addressed throughout the text include How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan s successful democratization In the international realm why has Japan achieved economic superpower status without achieving political superpower status What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan s history institutions policymaking process and international relations to experiences and structures in other countries this book is essential reading for students of Japanese or Asian Politics      **The Post-war Roots of Japanese Political Malaise** Dagfinn Gatu, 2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with

a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues     Routledge Handbook of Japanese Politics Alisa Gaunder, 2011-02-25 The Routledge Handbook of Japanese Politics is an advanced level reference guide which surveys the current state of Japanese politics featuring both traditional topics and cutting edge research The volume is divided into five sections covering domestic politics civil society social policy political economy and international relations security The first four sections begin with an overview chapter that provides historical background information on the section s overarching topic The chapters that follow explore more specific topics in the sub area In the final section historical background information is contained in the individual chapters which cover the diverse areas of international political economy security and foreign policy Offering a complete overview of the full spectrum of Japanese politics the Handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying this ever evolving field     *Dictionary of the Modern Politics of Japan* Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system     **The Logic of Japanese Politics** Gerald L. Curtis, 2000-11-05 Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene today Curtis has personally known most of the key players in Japanese politics for more than thirty years and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics By relating the behavior of Japanese political leaders to the institutions within which they must operate Curtis makes sense out of what others have regarded as enigmatic or illogical He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan apart Curtis rejects the notion that cultural distinctiveness and consensus are the defining elements of Japan s political decision making emphasizing instead the competition among and the profound influence of individuals operating within particular institutional contexts on the development of Japan s politics The discussions featured here as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s draw on extensive conversations with virtually all of the decade s political leaders and focus on the interactions among specific politicians as they struggle for

political power The Logic of Japanese Politics covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters revolt of the 1998 upper house election the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso the floating nonparty voter Scrutinizing and interpreting a complex and changing political system this multi layered chronicle reveals the dynamics of democracy at work Japanese style In the process The Logic of Japanese Politics not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to surmount its present problems and helps readers gain insight into Japan's future *Shin Kanemaru and the Tragedy of Japan's Political System* U. Kruze,2015-01-28 Shin Kanemaru 1914 1996 served as a key power broker at the national level in Japan from the 1970s until the early 1990s He was at the heart of the 1955 system of conservative political rule Though never Prime Minister himself he controlled or strongly influenced the administrations of five Japanese Prime Ministers

The Transformation of the Japanese Left Sarah Hyde,2009-09-23 This book examines the transition within the Japanese party system that has seen the demise of the old socialists the Japan Socialist Party and in its place the emergence of the Democratic Party of Japan as the leading opposition party Sarah Hyde has produced an original book which looks at the intra left non communist opposition party manoeuvrings during the 1990s through to the new millennium in a highly detailed and focused manner whilst simultaneously looking at the three most significant changes for the left nationally the change to the electoral system the change to public opinion regarding defense and the Constitution after the First Gulf War and the changes to the Labour Union movement Ending with a chapter on the incredibly important 2007 Upper House election which brings the development of the opposition full circle this book will be a valuable source for students and scholars of Japanese politics electoral systems and opposition politics

**Introduction to Japanese Politics** Louis D. Hayes,2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics

The Oxford Handbook of Japanese Politics Robert Pekkanen,Saadia M. Pekkanen,2021-10-25 Book Abstract and Keywords The study of Japanese

politics has flourished over the past several decades This Handbook provides a state of the field overview for students and researchers of Japanese The volume also serves to introduce Japanese politics to readers less familiar with Japan In addition the volume has a theme of evaluating Japan s democracy Taken as a whole the volume provides a positive evaluation of the state of Japan s democracy The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan s international politics Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government K meit and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic regionalism and the linkage between security and economics International Security covering remilitarization global and regional security multilateralism nuclear nonproliferation naval power space security and cybersecurity and Foreign Relations covering Japan s relations with the United States China South Korea ASEAN India the European Union and Russia Keywords international relations comparative politics democracy international order alliances space security elections Liberal Democratic Party multilateralism remilitarization international organizations populism civil society coalitions political parties trade finance monetary policy foreign direct investment cybersecurity

Sexual Harassment in Japanese Politics Emma Dalton,2021-09-24 Sexual harassment in Japanese politics examines a problem that violates women s human rights and prevents a flourishing democracy Japan fares badly in international gender equality indices especially for female political representation The scarcity of women in politics reflects the status of women and also exacerbates it Based on interviews with female politicians around the country from all levels of government this book sheds light on the sexist and sometimes dangerous environments in Japanese legislative assemblies These environments reflect and recreate broader sexual inequalities in Japanese society and are a hothouse for sexual harassment Like many places around the world workplace sexual harassment laws and regulations in Japan often fail to protect women from being harassed Even more in the workplace of the legislative council such regulations are typically absent This book discusses what this means for women in politics in the context of a broader culture whereby victims of sexual violence are largely silenced

*Tracing Japanese Leftist Political Activism (1957 - 2017)* Kevin Coogan,Claudia Derichs,2022-10-11 Tracing Japanese Leftist Political Activism 1957 2017 tells the story of the Japanese Red Army JRA a militant left wing group founded in 1971 which was involved in numerous terrorist attacks It traces the origins of the group in the Japanese New Left in the 1960s and looks at Red Army groups of the early 1970s in Japan such

as the Red Army Faction and the United Red Army which became infamous for murdering its own members The book also examines the JRA's trans and international links with other militant groups including the Popular Front for the Liberation of Palestine as well as the networks of intellectuals and fellow activists who supported them This book will be of great interest to students and scholars of terrorism radicalism and Japanese social history

**Broadcasting Politics in Japan** Ellis S. Krauss, 2018-09-05 The aftermath of Japan's 1945 military defeat left its public institutions in a state of deep crisis virtually every major source of state legitimacy was seriously damaged or wholly remade by the postwar occupation Between 1960 and 1990 however these institutions renewed their strength taking on legitimacy that erased virtually all traces of their postwar instability How did this transformation come about This is the question Ellis S Krauss ponders in *Broadcasting Politics in Japan* his answer focuses on the role played by the Japanese mass media and in particular by Japan's national broadcaster NHK Since the 1960s television has been a fixture of the Japanese household and NHK's TV news has until very recently been the dominant and most trusted source of political information for the Japanese citizen NHK's news style is distinctive among the broadcasting systems of industrialized countries it emphasizes facts over interpretation and gives unusual priority to coverage of the national bureaucracy Krauss argues that this approach is not simply a reflection of Japanese culture but a result of the organization and processes of NHK and their relationship with the state These factors had profound consequences for the state's postwar re-legitimization while the commercial networks' recent challenge to NHK has helped engender the wave of cynicism currently faced by the state Krauss guides the reader through the complex interactions among politics media organizations and Japanese journalism to demonstrate how NHK television news became a shaper of Japan's political world rather than simply a lens through which to view it

*Japanese Political History Since the Meiji Restoration, 1868-2000* R. Sims, 2019-06-12 *Japanese Political History Since the Meiji Restoration 1868-2000* explores through a combination of narrative and analysis the changes in the political process which lay behind Japan's transformation into a modern nation state its successive turn toward militarism fascism and the Pacific War and the imposition of a fully democratic constitution Sims examines closely such central topics as the Meiji renovation samurai modernisers the rise of liberal political parties the Meiji constitution Taisho democracy the wartime changes in the political system postwar reforms and the reverse course four decades of Liberal Democratic rule and the shake up of Japanese politics during the 1990s No other book has covered Japanese political history over the entire period since 1868 in such detail and the present volume aims to fill the gap between the various general histories of modern Japan and the ever increasing monographic literature

**Contemporary Government Reform in Japan** E. Kawabata, 2006-09-18 This book examines several major reforms in Japan in the postal business transportation telecommunications and technology and evaluates the impact of these changes since the early 1980s Conceptually the book presents the dual state as being a fundamental feature of the Japanese political economy that determines government reform dynamics

*How Asia Got Rich* Edith Terry, 2015-05-20 Within a few short

months in 1997 Asian economies that had been considered not only healthy but miraculous suddenly fell off a precipice as investors withdrew massively first from Asian currencies and in rapid order from equity markets across the region On October 27 1997 the turmoil in Asian markets spooked Wall Street in the largest single day decline in history a drop of 550 points It was predicted that the Asian crash could drive the US trade deficit from 191 billion to 300 billion by 1998 creating huge new tensions in relations with some of the largest US trading partners These wrenching changes following a generation of success raise numerous questions about the steps that led to the crisis its likely outcome and the limits and constraints of Asian capitalism Edith Terry presents a blow by blow account of the crisis beginning with the 1996 collapse of the Bangkok Bank of Commerce In her overview she links the fall of the Asian miracle with the theme of globalization arguing that the crisis demonstrates the urgency of dismantling restraints to trade investment and financial services and that the United States should take leadership in pushing for new and sweeping reform through the World Trade Organization and in bilateral negotiations with its trading partners The final section of the book deals with the rise of the Asian miracle how the myth was created who created it why it succeeded for so long and is informed by analysis of the Japanese prototype

**Japan and the High Treason Incident** Masako Gavin, Ben Middleton, 2013-08-21 The High Treason Incident rocked Japanese society between 1910 and 1911 when police discovered that a group of anarchists and socialists were plotting to assassinate the Emperor Meiji Following a trial held in camera twelve of the so called conspirators were hanged but while the executions officially brought an end to the incident they were only the initial outcome as the state became increasingly paranoid about national ideological cohesion In response it deployed an array of new technologies of integration and surveillance and the subsequent repression affected not only political movements but the whole cultural sphere This book shows the far reaching impact of the high treason incident for Japanese politics and society and the subsequent course of Japanese history Taking an interdisciplinary and global approach it demonstrates how the incident transformed modern Japan in numerous and unexpected ways and sheds light on the response of authoritarian states to radical democratic opposition movements elsewhere The contributors examine the effects of the incident on Japanese history literature politics and society as well as its points of intersection with broader questions of anarchism colonialism gender and governmentality to underline its historical and contemporary significance With chapters by leading Western and Japanese scholars and drawing on newly available primary sources this book is a timely and relevant study that will be of great interest to students and scholars working in the fields of Japanese history Japanese politics Japanese studies as well as those interested in the history of social movements

**Japanese Politics Today** Takashi Inoguchi, 2016-04-30 Japanese politics now with seven prime ministers appointed within this decade and the second major political party turnover taken place within the last two decades is undergoing a great transition This book explores the gradual shift from what the editors call karaoke democracy to kabuki democracy

### **Left In Japanese Politics Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Left In Japanese Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Left In Japanese Politics has opened up a world of possibilities. Downloading Left In Japanese Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Left In Japanese Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Left In Japanese Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Left In Japanese Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Left In Japanese Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Left In Japanese Politics has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Left In Japanese Politics Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
