Dear RENEE

Please find enclosed your new *Friend of Hobart Legacy* (FOHL) Badge. The need to issue a new badge has been brought about by a decision by Legacy at national level to make our previous FOHL blue badge a \$50 badge which in future will be available for sale to all during Legacy Badge Week. The Board of Management of Hobart Legacy Inc has decided that over time this would greatly widen the sale and distribution of the blue badge in southern Tasmania, leading to confusion as to the identification of Friends' of Hobart Legacy by members of the general public.

I take this opportunity to thank you for your commitment to support the beneficiaries of Legacy in southern Tasmania. Please may I also remind you of the standing invitation to you as a FOHL to attend lunch at Hobart Legacy House on a mutually agreed Tuesday.

Would you please confirm your current email address to us at [admin@legacyhobart.com.au](mailto:admin@legacyhobart.com.au) in order that we might update our database.

Yours in Legacy

**Reports of Cases Argued and Determined in the Surrogates' Courts of the State of New York** Theodore Frelinghuysen Cornell Demarest, 1883      *Our Wisdom Years* Charles Garfield, 2020-06-02

Psychologist and best selling author Charles Garfield shares an uplifting vision as he takes us on a journey of a lifetime Some of the most profound growth of our lives can happen in the home stretch the years after age sixty or so It's a time when we can finally crystallize the meaning of what we've been and done and fully expand into the self we've always intended to be

But says psychologist Charles Garfield that can only happen if we first loosen the grip of the life we've led so far the one that's been focused outwardly on activity achievement and the idea of success and let our souls lead the way In *Our Wisdom Years* Dr Garfield skillfully and practically guides readers through nine tasks that can transform the struggles of aging bringing fulfillment joy and serenity Drawing on the understandings that come from both his work as acclaimed success guru in the 1980s and the truths distilled from volunteering with those at the end of life Garfield offers a fresh uplifting vision of the wholeness that awaits us Dr Garfield shares how we can gracefully let go of the younger selves we've been and walk through the opening that keeps beckoning toward this soul driven version of later life He encourages us to take the risk of being fully alive as our years pass This is no small task aging is not for the faint of heart The beautiful paradox of growing older is that none of the gifts of age are available without the kind of loss that forces us to confront mortality in a way we can't deny In the face of loss we're changed and expanded by truths that come from the heart not the mind We learn that we're more than our bodies part of something much larger than we are and that love and kindness matter most of all *Cultural*
