Legacy Of Hicks:

The Legacy of Hicks Harald Hagemann, O. F. Hamouda, 1994 Sir John Hicks made a major contribution to almost every aspect of modern economic theory In this book a number of leading contemporary economists pay tribute to Hicks and his work *The Legacy of Sir John Hicks* Harald Hagemann, Omar Hamouda, 2005-07-28 Sir John Hicks made a major contribution to almost every aspect of modern economic theory His diverse and inventive work has left a huge impression on the discipline Contributors Christopher Bliss Oxford University John S Chipman University of Minnesota Nicholas Georgescu Roegen Vanderbilt University Richard Goodwin University of Siena Frank H Hahn Cambridge University John D Hey University of York Charles M Kennedy University of Kent David Laidler University of Western Ontario Axel Leijonhufvud University of California Los Angeles Robin C O Matthews Cambridge University Michio Morishima London School of Economics Kurt W Rothschild Vienna Robin Rowley McGill University Roberto Scazzieri University of Bologna **The Outlaw Biker Legacy of Violence** Thomas Barker, 2018-04-24 Outlaw bikers represent a very small percentage of motorcycle riders who join motorcycle clubs but they receive disproportionate attention due to their mystique unconventional behavior and violence Although the outlaw biker phenomenon started in the United States it has since spread throughout the world The involvement of Outlaw Motorcycle Gangs OMGs in organized crime at the local regional national and transnational levels fosters violence that puts innocent persons at risk for death or injury and leads to the demonization of bikers and the overcriminalization of motorcycle enthusiasts and club members The Outlaw Biker Legacy of Violence written by internationally known expert Thomas Barker addresses the legacy of violence in the outlaw biker culture and tackles the implications of the violence that progressed as outlaw biker clubs evolved into adult criminal gangs engaged in crimes for profit over long periods of time and across borders Beginning with a history of outlaw bikers and the construction of the folk devil of the biker the book outlines the distinctions between conventional motorcycle clubs Outlaw Motorcycle Clubs and Outlaw Motorcycle Gangs and then traces the expansion of these groups across the globe This book will be relevant to those interested in the examination or investigation of biker gangs in particular or organized criminal groups in general It is essential reading for criminal justice students and others studying social groups gangs and organizations or the sociology of deviance and is also relevant for law enforcement professionals dealing with these organizations **The Joan Robinson Legacy** Ingrid H. Rima, 2016-09-16 First Published in 1991 The undertakings within this book are testimony to the professional legacy Joan Robinson left behind The contributors discuss her irreverence for established theory her seemingly unquenchable zest for intellectual argument doggedly pursued on the conviction that she was at least morally right the sharpness of her wit along with her occasionally unconventional mode of dress and her enjoyment of nature This includes a biographical memoir and concludes with a bibliography of the writings of Robinson **A Legacy of Valor** Henry Newton Comey, 2004 An educated young man his observations and political commentary reflect his evolution from eager young

private to hardened veteran Jacket *Life & Legacy of Enslaved Virginian Emily Winfree, The* Dr. Jan Meck and Virginia Refo, 2021 Left destitute after the Civil War by the death of David Winfree her former master and the father of her children Emily Winfree underwent unimaginable hardships to keep her family together Living with them in the tiny cottage he had given her she worked menial jobs to make ends meet until the children were old enough to contribute Her sacrifices enabled the successes of many of her descendants Authors Jan Meck and Virginia Refo tell the true story of this remarkable African American woman who lived through enslavement war Reconstruction and Jim Crow in Central Virginia The book is enriched with copies of many original documents as well as personal recollections from a great granddaughter of Emily s The story concludes with pictures and biographies of some of her descendants **Legacy of Blood: Chronicles of a Noble**

Renegade 3 ,2024-07-17 **Legacy of the Ludlow Massacre** Howard M. Gitelman, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Legacy** Charles E. Rankin, 1996 Proceedings of the Little Bighorn Legacy Symposium held in Billings Montana August 3 6 1994

Legacy Dieter Helm, 2023-11-09 Legacy provides a comprehensive exposition of what it would mean to have a sustainable economy for current and future generations *Pioneers in Librarianship* Christian A. Nappo, 2024-02-28 Pioneers in Librarianship profiles sixty notable librarians who made significant contributions to the field Librarians chosen for inclusion in this volume met one or more of these three criteria The librarian conceived a new method for improving library services invented their own method of book cataloging or devised an administrative system for libraries to operate under The librarian is historically famous because he she was notable historically The librarian was the first woman or minority to make significant achievements within the field of LIS The achievements of the librarians profiled here are important because they shaped the field Many of their theories ideas and contributions are still being utilized in libraries today Librarians profiled here include Melvil Dewey Carla Hayden S R Ranganathan Justin Winsor Charles Coffin Jewett Katharine Sharp Pura Belpur Allie Beth Martin and John Cotton Dana The Atlantis Legacy Thomas Greanias, 2009-06-02 The first two blockbuster adventures in the instant New York Times bestselling Atlantis Trilogy together in one electrifying volume RAISING ATLANTIS A glacial earthquake exposes a mysterious monument older than the Earth itself The pope reveals a terrifying vision of apocalyptic disaster And two miles below the ice of Antarctica the legend of a lost civilization awaits Archaeologist Conrad Yeats must race to unlock its devastating power or prepare for the ultimate doomsday THE ATLANTIS PROPHECY Archaeologist Conrad Yeats discovers in his father s tombstone the key to a mysterious centuriesold warning that lies hidden beneath the monuments of the nation s capital Now with the help of beautiful Vatican linguist Serena Serghetti he must destroy a powerful ancient organization before it raises an empire that could threaten the world **The Legacy of the**

Wisecrack Eddie Tafoya, 2009 Despite the claim of many a Borscht Belt comic that he is a practitioner of the world's second oldest profession stand up comedy is a young and distinctly American literary form It was not until the last decades of the nineteenth century when enabled by unprecedented prosperity and the right to free expression that monologists began appearing in American vaudeville halls Yet even though it has since become an entertainment industry mainstay stand up comedy has received precious little scholarly attention *The Legacy of the Wisecrack Stand up Comedy as the Great American Literary Form* looks at the theory of stand up comedy its literary dimensions and its distinctly American qualities as it provides a detailed history of the forces that shaped it The study concludes with a look at the works of specific comedians such as Steven Wright whose three decades of performances comprise a single picaresque tale and Richard Pryor whose 1982 masterpiece *Richard Pryor Live on the Sunset Strip* serves as modern America's answer to Dante Alighieri's epic poem *Inferno* The result is one of the first serious treatments of stand up comedy as a literary form *The Legacy of Janos Kornai* Mehrdad Vahabi, 2025-08-03 This book examines the intellectual legacy of economist Janos Kornai and explores his unique contribution to economics It addresses the key themes within Kornai's work and shows how his ideas relate to the leading figures within economics After highlighting the influence of Marx and Hayek on Kornai his major contribution to comparative economics and analysis of capitalist and socialist economic systems is examined How they fed into his conceptualization of hard and soft budget constraints and complemented his work on economic theory in particular debates around Walrasian and Marshallian equilibrium theory is also discussed This book offers insight into the work of Janos Kornai and his impact upon economics It will be of relevant to students and researchers interested in the history of economic thought and comparative economics ***The Life and Legacy of David Rogerson Williams*** Harvey Toliver Cook, 1916 *The Ambivalent Legacy of Elia Kazan* Ron Briley, 2016-10-28 Elia Kazan first made a name for himself on the Broadway stage directing productions of such classics as *The Skin of Our Teeth* *Death of Salesman* and *A Streetcar Named Desire* His venture to Hollywood was no less successful He won an Oscar for only his second film *Gentleman's Agreement* and his screen version of *Streetcar* has been hailed as one of the great film adaptations of a staged work But in 1952 Kazan's stature was compromised when he was called to testify before the House Un American Activities Committee HUAC Kazan's decision to name names allowed him to continue his filmmaking career but at what price to him and the Hollywood community In *The Ambivalent Legacy of Elia Kazan: The Politics of the Post HUAC Films* Ron Briley looks at the work of this unquestionable master of cinema whose testimony against former friends and associates influenced his body of work By closely examining the films Kazan helmed between 1953 and 1976 Briley suggests that the director's work during this period reflected his ongoing leftist and progressive political orientation The films scrutinized in this book include *Viva Zapata* *East of Eden* *A Face in the Crowd* *Splendor in the Grass* *America* *The Last Tycoon* and most notably *On the Waterfront* which many critics interpret as an effort to justify his HUAC testimony In 1999 Kazan was awarded an honorary Oscar that caused considerable division

within the Hollywood community highlighting the lingering effects of the director's testimony. The blacklist had a lasting impact on those who were named and those who did the naming and the controversy of the HUAC hearings still resonates today. The Ambivalent Legacy of Elia Kazan will be of interest to historians of postwar America, cinema scholars and movie fans who want to revisit some of the director's most significant films in a new light. *The Life and Legacy of "Allen Subdivision"* Deloris M. Harpool, 2022-11-18. The Life and Legacy of Allen Subdivision describes an African American community from its inception where over ninety bustling African American owned businesses emerged. Beginning in the early 1900s in spite of segregation, discrimination, disparities in economic opportunities and other Jim Crow practices, this little known community in Tallahassee, Florida thrived and produced African Americans and descendants of remarkable success. Through personal accounts of residents, oral history of neighborhood elders and official historical records, the author illuminates alluring messages about the value of this modest neighborhood in the American landscape. Inspired by 2008 city and county plans for urban redevelopment including commemorative markers in the south central section of Tallahassee, this work is rare. With the launching of the civic project, it became evident that no deep dive review of the cherished Allen neighborhood had ever been published or made available to policy makers and civic planners. The untold rich legacy of the once significantly independent community and its effect on its sons and daughters and their descendants required action. Deloris M. Harpool, who grew up in the humble neighborhood, accepted the challenge to document the unique character and consequential effects of her treasured home place. The book is enriched with a fascinating blend of humorous and yet sobering reported experiences reminiscent of life in Allen. It presents early developers and environmental conditions, superstitions, myths and traditions that existed as a part of the neighborhood experience. It reveals medical home remedies, home grown foods, make do meals, meatless sandwiches, make shift toys and games, favorite sweet treats, jokes, nicknames, coping strategies, fun experiences and other aspects of life common to many individuals raised in African American communities. This rendering emphasizes the significance of the role of neighborhood churches, Black owned businesses and an informal yet integral relationship with Florida A M University. It describes loyalty and loving relations among residents, collective discipline and protection of children and sage advice of the elders in meeting social and economic challenges. It further describes the community's little known involvement in the civil rights movement and the achievement of Allen residents. As a bonus, this depiction offers a roadmap for acceptance of ethnic experiences and contributions in civic planning. Discover how an iron clad close knit village enabled individual members to achieve lasting success and the lessons we can learn from its legacy and social determinants of success. The author takes me down an entertaining and amusing memory lane. She reminds me of how blessed I am to have grown up in a similar community. This work speaks to the important role such a community played in the development of resilient, productive and contributing African American citizens. Barbara R. Cotton, D.A. history professor emerita, Florida A M University, Tallahassee, Florida. In this book, Harpool illustrates that it truly

took a village including once thriving neighborhood businesses to produce the fine caliber of African American leaders of today This type of history is lost in many communities Her work documents a great legacy and preserves history for future generations Dianne Williams Cox commissioner City of Tallahassee Florida [Carl Menger and His Legacy in Economics](#)
