Jat Regiment were the first casualties of the Kargil War in 1999. The unit was captured alive by the Pakistani Army and subjected to unimaginable horrors for twenty-two days, a stark violation of the Geneva Convention. The men had vowed not to reveal any secrets if captured and they kept their promise even when each and every bone in their body was hammered to pieces. In *The Legacy of Captain Saurabh Kalia*, Dr N K Kalia, with author Sreemati Sen, documents the inspiring life of his son, his pivotal role in the Kargil war, and his family's relentless efforts in their quest for justice. Featuring exclusive photographs, excerpts from the captain's diary letters written by him, and rare interviews of his family, relatives, teachers, classmates, batchmates, and officials who were then posted in Kargil, this deeply researched account brings to light a story of valour and courage like you've never known before. [Helius Legacy](#) S. Alexander O'Keefe, 2012-02.

The last potential heir to the Helius Energy legacy was quietly eliminated over half a century ago or so, they thought. In December of 1999, a young reporter discovers an ancient deed in the Travis County archives of Austin, Texas. Hidden a century earlier, the original copy of the deed includes a covenant excised from the version available to the public. This covenant gives the grantor's descendants the right to reclaim ownership of the property if any future owner violates an explicit use restriction: a bar against the extraction of mineral wealth from the land. The reporter is stunned by the discovery: the land subject to the deed is one of the most valuable oil fields in the world. Now any descendant of the original grantor has the power to reclaim ownership of this billion-dollar asset with the stroke of a pen. And Helius Energy, the energy conglomerate that owns the land, has no intention of allowing this to happen. Within hours of the discovery, the reporter is on the run, desperately racing to stay ahead of a team of killers dispatched by Helius. A second team is winging its way to California with orders to kill John Caine, the last living heir entitled to claim the legacy created by the deed. Caine is unaware of his ancestry and the nightmare coming his way. His only hope for survival is Andrea Marenga, a beautiful lawyer in Austin who is unwittingly drawn into Caine's race. Together, they must find a way to survive long enough to unravel the century-old mystery that has placed them in harm's way. [Lachlann's Legacy](#) Ashley York, 2020-11-15.

Hidden secrets could tear them apart as fast as their passion drove them together. On the Moray coast in Scotland, Ethne's genuine and caring nature makes her invaluable to her brother as his son's caretaker, but he and his wife treat her as little more than their servant. When she learns their tribal leader would use her chaste status for his own purposes, Ethne plans to escape and reluctantly accepts the help of Lachlann, a handsome pilgrim she only just met at the local faire. Despite her independent spirit, Ethne feels drawn to Lachlann. Her instincts say his intentions are honorable, but can she trust him with her heart? Raised by his godfather with few clues to his family's past, Lachlann values his freedom and the brotherhood of his highlander kin. Disguised as a pilgrim on a mission for the priory, he encounters Ethne, a warm, intelligent maiden whose courage in the face of a loveless marriage awakens an intense need to protect her. Unfortunately, Ethne is one of the very people he must deceive to explore the cave system containing clues to the lost treasure he seeks. But he cannot abandon her to an uncertain fate or deny the simmering tension between them. With religious prejudice running

high and both of them facing tests of loyalty Lachlann and Ethne may realize the only way to fight for their futures is to surrender to each other **Deathstalker Legacy** Simon R.
