Michael Walsh, Jitendra J. Shah

Legal Framework For Water Users Associations A Comparative Study:

The Legal Framework for Water Users' Associations Salman M. A. Salman, 1997-01-01 Recent experience confirms that participation of farmers in managing parts of an irrigation system and collecting water charges usually results in a more efficient use of water To be effective farmers in the hydraulic unit would need to organize themselves by establishing a water users association This paper presents a comparative study of the legal framework for these associations in Colombia India Mexico Nepal the Philippines and Turkey Building on the theory that participation of farmers in managing and operating parts of an irrigation system will result in an optimum use of water the document analyzes in a comparative manner how each of these countries addressed the basic aspects related to the establishment and functioning of such associations Additional emphasis is placed on the collection of water charges *The Legal Framework for Water Users' Associations* World Bank, 1998-07 Recent experience confirms that participation of farmers in managing parts of an irrigation system and collecting water charges usually results in a more efficient use of water To be effective farmers in the hydraulic unit would need to organize themselves by establishing a water users association This paper presents a comparative study of the legal framework for these associations in Colombia India Mexico Nepal the Philippines and Turkey Building on the theory that participation of farmers in managing and operating parts of an irrigation system will result in an optimum use of water the document analyzes in a comparative manner how each of these countries addressed the basic aspects related to the establishment and functioning of such associations Additional emphasis is placed on the collection of water charges

Legislation on Water Users' Organizations Stephen Hodgson, Food and Agriculture Organization of the United Nations, 2003-01-01 A robust regulatory framework for the corporate governance of water users organizations is a fundamental ingredient of irrigation management transfer policies The present publication offers a comparative analysis of the contemporary legislation of a wide variety of countries providing the needed regulatory framework for water users organizations to function and grow

Legal Framework for Irrigation Management in Punjab and Sindh Provinces, Pakistan , Regulatory Frameworks for Water Resources Management Salman M. A. Salman, Daniel D.

Bradlow, 2006-01-01 This title examines how regulatory frameworks have addressed the various basic issues related to water resources management and provides a comparative analysis of those issues It elicits and discusses what it considers are the essential elements for a regulatory framework for water resources management and identifies some emerging trends

A handbook for establishing water user associations in pump-based irrigation schemes in Myanmar de Silva, Sanjiv, Schmitter, Petra, Thiha, Nyan, Suhardiman, Diana, 2019

Institutional Frameworks in Successful Water Markets Manuel Mariño, Karin E. Kemper, 1999-01-01 Water is increasingly recognized as a scarce resource that must be managed more efficiently than in the past In addition to physical scarcity the cost of accessing these resources is climbing This publication explores institutional frameworks in three case studies of long standing and successful water markets These cases

demonstrate the common features and essential elements of water markets They also show how to design markets that consider the local institutional social and political conditions and how to integrate those markets into existing water resource management arrangements The papers are written for practitioners interested in how water markets operate for decisionmakers faced with the challenge of selecting a water resource allocation system and for academics interested in analytical descriptive case studies that provide information on how to conceptualize the functioning of water markets from an institutional perspective

Groundwater in Urban Development Stephen S. D. Foster, Adrian Lawrence, Brian Morris, 1998 This paper highlights key urban groundwater issues and management needs It also raises awareness and understanding of hydrogeological processes in urban areas and provides a framework for the proper and systematic consideration of groundwater dimensions in urban management This paper suggests options for greater sustainable development and management of groundwater in urban areas

Concessions for Infrastructure Michel Kerf, 1998-01-01 This paper examines the increased role of the private sector in developing and maintaining critical infrastructure It identifies governments quest to shift part of the burden of new infrastructure investments to the private sector for the economic development of firms and industry and the improvement of quality of life and given the constraints on public budgets to finance growing infrastructure needs Adequate infrastructure services include power telecommunications transport water supply and sanitation The paper also emphasizes the private sector involvement in bringing increased efficiency to investment and management and operation

Comprehensive River Basin Development Barbara A. Miller, Richard B. Reidinger, 1998-01-01 The Tennessee Valley Authority TVA in the United States represents one of the few successful examples of comprehensive river basin development Established to guide the development of the resources within the Tennessee River Basin TVA operates a wide variety of water power economic development and environmental programs within the region This report presents an overview of TVA s growth and development its institutions and its operational programs

Identification of Joint Management Structures for Shared Aquifers Eran Feitelson, Marwan Haddad, 1998-01-01 Overcoming the scarcity and temporal variance of water availability in semi arid regions or the excess of water in temperate regions often requires cooperation This paper describes the approach taken by an Israeli Palestinian team to identify joint management structures for the aquifers shared by these two parties and some of the lessons learned from the experience of this team

Hard Lessons, 1998-01-01 Education is a basic condition for economic and social development Working in conjunction with the National Primary Education Commission the World Bank supported consultations among teachers parents educational administrators and community leaders to develop a strong foundation for primary education in Nigeria The innovative work documented in this publication illustrates the potential not only for partnership between the users and providers of primary education but also between the World Bank and its clients

From Farmers to Fishers Barry A. Costa-Pierce, 1997-01-01 With external financial help and advice Poland has made great strides

toward sustainable growth The country's currency is stable its international creditworthiness has been restored and its private sector now accounts for two thirds of GDP This review evaluates the overall relevance efficacy and efficiency of World Bank assistance to Poland and finds that the Bank's technical advice and intellectual support were pivotal in facilitating the work of Polish reformers The book explores various stages in the evolution of the Bank's assistance to Poland systemic and institutional transformation and social improvement private sector and infrastructure development implementation and supervision and results and recommendations Boxes figures and tables illustrate the Bank's assistance strategy including information on the distribution of Bank resources among Central Eastern and European countries total Bank commitments to Poland by fiscal year and a summary of the strengths and weaknesses of Bank assistance to Poland Clean Fuels for Asia Michael Walsh, Jitendra J. Shah, 1997-01-01 Gasoline alternative fuels *Successful Conversion to Unleaded Gasoline in Thailand* Philip Sayeg, 1998-01-01 The Government of Thailand within a five year period 1991-95 introduced a series of initiatives that resulted in the elimination of leaded gasoline and reduction of ambient lead by a factor of 10 This report describes the strategies the government employed educating about the dangers of airborne lead setting a lower at pump price for unleaded gasoline helping the oil companies establish a system to distribute unleaded gasoline throughout the country conducting monitoring and follow up studies and adjusting environmental regulations as necessary to support these policies Soil Fertility Management in Sub-Saharan Africa W. Graeme Donovan, Frank Casey, 1998-01-01 World Bank Technical Paper No 408 This report is a critical review of the technical economic and institutional constraints on improving soil fertility in Sub Saharan Africa and the actions recommended to address them Action plans prepared for Ghana Kenya Malawi and Mali examine the demand for and supply of mineral fertilizers the exploitation of local mineral resources the prevention of soil erosion and increasing soil water retention and soil fertility management using organic technologies and management practices Agriculture Sector Programs Nwanze Okidegbe, 1998-01-01 This sourcebook provides practical guidance to policymakers and program planners in countries and to development agencies on how to carry out or support an agricultural sector program from initial discussions to developing the program concept to securing broad stakeholder involvement to implementation It explains the reasons why countries may wish to undertake a sector or subsector program and describes the conditions which can help ensure the program's success provides details on how to formulate a sector strategy and bring about institutional reforms focuses on core public sector activities based on a detailed expenditure review and suggests ways of encouraging donors to work together under the leadership of the partner country government

Welfare and the Labor Market in Poland Jan J. Rutkowski, 1998-01-01 This report assesses the changes in social welfare and policy that have taken place in Poland during the economic transition It tests the main hypotheses concerning changes in the role of the welfare state workings of the labor market the distributional consequences of transition and more generally about the winners and losers in transition Chapter one examines trends in social expenditure during economic

transition Chapter two focuses on changes in the labor market including emerging risks and opportunities Chapter three explores distributional consequences of transition

Sharing Transboundary Resources Eyal Benvenisti, 2002-04-04 Why do states often fail to cooperate using transboundary natural resources inefficiently and unsustainably This book first published in 2002 examines the contemporary international norms and policy recommendations that could provide incentives for states to cooperate Its approach is multi disciplinary proposing transnational institutions for the management of transboundary resources Benvenisti takes a fresh approach to the problem considering mismanagement as the link between domestic and international processes As well he explores reasons why some collective efforts to develop the international law on transnational ecosystems have failed while others succeeded This inquiry suggests that adjudicators need to be assertive in progressively developing the law while relying on scientific knowledge more than on past practice Global water policy issues seem set to remain a cause for concern for the foreseeable future this study provides a new approach to the problem of freshwater and will interest international environmentalists and lawyers and international relations scholars and practitioners

The Impact of Drought on Sub-Saharan African Economies Charlotte Benson, Edward J. Clay, 1998-01-01 Little effort has been made to research the nonagricultural or economywide macroneconomic impact of droughts in Sub Saharan Africa In an effort to fill the gap this paper reports the findings of an exploratory study of the subject It provides insights into the impact of drought in Sub Saharan Africa in the past and suggests policy options for dealing with future droughts
