ancient ruling that is still in the statute book and find laughable Many of these were never made law and take their place in the category of myth and legend Monty Lord not only brings many new strange laws to our notice but also clarifies what is law and what is just custom myth or legend This is an enjoyable and fascinating book that can be read for a number of reasons It is a useful reference book an enjoyable bedside dip in book or just a book to be enjoyed as any other William Roache OBE Actor Ken Barlow in Coronation Street In the UK we have some bizarre laws that have littered the statute books of our sceptred isle throughout history Not all of them have been repealed over the centuries Some of them made perfect sense at the time they were introduced but seen through modern eyes now appear archaic and draconian Despite the great efforts of the Law Commission in England and Wales to review and recommend reforms for many of these outdated laws there are centuries of law that must be painstakingly gone through As well as some bizarre laws the UK also has its fair share of curious customs and time honoured traditions that have been observed for centuries On the surface many appear to be nothing more than theatrical pomp and pageantry However they are all born from strong rationale The UK parliament seems to have had a particular penchant for passing laws related to fish and animals indecency and passing sentences with some humiliating public punishments This book is a highly entertaining read for anyone who enjoys learning about the more bizarre applications of UK law throughout the centuries along with some rather macabre consequences along the way Have you ever heard a bizarre law and thought that can't possibly be true Is it genuine Was it ever in existence or just an urban myth that became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to imagine the abolition of the monarchy Is it illegal to refuse to assist a police constable Did courts squash people into submission Was cricket against the law Was Dr Frankenstein ever real all these questions and more will be answered in this Volume 3 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 140 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes
