Morningstar David Gemmell, 2011-06-01 There was nothing Jarek Mace wouldn t do for the right price including becoming a hero The Angostin hordes raged over the Southern Borders Evil sorcery ruled and the vampyre kings lived once more The Highland people were in much need of a great hero Jarek Mace needed nothing and no one not even that bard Owen Odell with whom he now traveled But when Mace harassed the Angostins for his own purposes he inadvertently aided the Highland people And now he was being hailed as a hero a legend the great Morningstar returned But Owen Odell knew the real man behind the people s tales Mace was an outlaw a bandit a heartless thief He was no savior of the people He was no legend Or was he It seems that every time I read a new David Gemmell novel it is better than the last and Morningstar is no exception The main difference between the book and the myths it draws upon is that Gemmell includes some of the less savory characters who we suspect may have been at the basis of both Robin and Arthur Starburst
