Legend Of Qu Yuan The:

Qu Yuan and the Chuci Martin Kern, Stephen Owen, 2023-10-30 In this volume leading scholars of early Chinese literature offer new multi faceted research on the ancient anthology Lyrics of Chu Chuci Through meticulous textual analysis richly annotated translations and theoretical reflection they challenge millennia old assumptions about China s arch poet Qu Yuan ca 300 BCE his authorship and the composition of the lyrics attributed to him above all the Li sao Encountering Sorrow ancient China s grandest poem Thoroughly original insights into the poetics and aesthetics of Chuci poetry reopen these resplendent lyrics to a fresh appraisal of their captivating qualities and their foundational significance for the Chinese literary tradition Contributors are Lucas Rambo Bender Heng Du Michael Hunter Martin Kern Paul W Kroll Stephen Owen

The Shaman and the Heresiarch Gopal Sukhu, 2012-08-08 The Li sao also known as Encountering Sorrow attributed to the poet statesman Qu Yuan 4th 3rd century BCE is one of the cornerstones of the Chinese poetic tradition It has long been studied as China s first extended allegory in poetic form yet most scholars agree that there is very little in the two thousand year old tradition of commentary on it that convincingly explains its supernatural flights its complex floral imagery or the gender ambiguity of its primary poetic persona The Shaman and the Heresiarch is the first book length study of the Li sao in English offering new translations of both the Li sao and the Nine Songs The book traces the shortcomings of the earliest extant commentary on those texts that of Wang Yi back to the quasi divinatory methods of the highly politicized tradition of Chinese classical hermeneutics in general and the political machinations of a Han dynasty empress dowager in particular It also offers an entirely new interpretation of the Li sao one based not on Qu Yuan hagiography but on what late Warring States period artifacts and texts including recently unearthed texts teach us about the cultural context that produced the poem In that light we see in the Li sao not only a reflection of the era of the great classical Chinese philosophers but also the breakdown of the political religious order of the ancient state of Chu [Routledge Handbook of Modern Chinese Literature](#) Ming Dong Gu, 2018-09-03 The Routledge Handbook of Modern Chinese Literature presents a comprehensive overview of Chinese literature from the 1910s to the present day Featuring detailed studies of selected masterpieces it adopts a thematic comparative approach By developing an innovative conceptual framework predicated on a new theory of periodization it thus situates Chinese literature in the context of world literature and the forces of globalization Each section consists of a series of contributions examining the major literary genres including fiction poetry essay drama and film Offering an exciting account of the century long process of literary modernization in China the handbook s themes include Modernization of people and writing Realism romanticism and modernist aesthetics Chinese literature on the stage and screen Patriotism war and revolution Feminism liberalism and socialism Literature of reform reflection and experimentation Literature of Taiwan Hong Kong and new media This handbook provides an integration of biographical narrative with textual analysis maintaining a subtle balance between comprehensive overview and in depth examination As such it is an essential reference guide for all

Picturing Heaven in Early China Lillian Lan-ying Tseng,2020-03-17 Tian or Heaven had multiple meanings in early China It had been used since the Western Zhou to indicate both the sky and the highest god and later came to be regarded as a force driving the movement of the cosmos and as a home to deities and imaginary animals By the Han dynasty which saw an outpouring of visual materials depicting Heaven the concept of Heaven encompassed an immortal realm to which humans could ascend after death Using excavated materials Lillian Tseng shows how Han artisans transformed various notions of Heaven as the mandate the fantasy and the sky into pictorial entities The Han Heaven was not indicated by what the artisans looked at but rather was suggested by what they looked into Artisans attained the visibility of Heaven by appropriating and modifying related knowledge of cosmology mythology astronomy Thus the depiction of Heaven in Han China reflected an interface of image and knowledge By examining Heaven as depicted in ritual buildings on

household utensils and in the embellishments of funerary settings Tseng maintains that visibility can hold up a mirror to
visuality Heaven was culturally constructed and should be culturally reconstructed

The West As the Other Wang Mingming, 2014-01-14 Long before the Europeans reached the East the ancient Chinese had elaborate and meaningful perspectives of the West In this groundbreaking book Wang explores their view of the West as other by locating it in the classical and imperial China leading the reader through the history of Chinese geocosmologies and worldscapes Wang also delves into the historical records of Chinese world activities journeys that began from the Central Kingdom and reached towards the outer regions Such analysis helps distinguish illusory geographies from realistic ones while drawing attention to their interconnected natures Wang challenges an extensive number of critical studies of Orientalist narratives including Edward Said's Orientalism and reframes such studies from the directionological perspectives of an internal civilization Most significantly the author offers a fundamental reimagining of the standard concept of the other with critical implications not only for anthropology but for philosophy literature history and other interrelated disciplines as well

The Poetics of Early

Chinese Thought Michael Hunter, 2021-07-13 The modern imagination of classical Chinese thought has long been dominated by Confucius Mozi Mencius and other so called Masters of the Warring States period Michael Hunter argues that this approach neglects the far more central role of poetry and the Shijing Classic of Poetry in particular in the formation of the philosophical tradition Through a new reading of its ideology and poetics Hunter reestablishes the Shijing as a work of major intellectual historical significance The Poetics of Early Chinese Thought demonstrates how Shi poetry weaves a vision of society united at every level by the innate and universal impulse to come home The Shi immersed early thinkers in a world of movement and flow in order to teach them that the most powerful current of all was the gravitational pull of a virtuous king without whom people can never truly feel at home Hunter traces the profound influence of the Shi ideology across numerous sources of classical Chinese thought which he recasts as a network centered on the Shi Reframing the tradition in this way reveals how poetry shaped ancient Chinese thinkers conception of the world and their place within it This book offers both a sweeping critique of how classical Chinese thought is commonly understood and a powerful new way of studying it **The Cambridge History of Chinese Literature** Kang-i Sun Chang, Stephen Owen, 2010 Stephen Owen is James Bryant Conant Professor of Chinese at Harvard University Book Jacket **The Chinese Myths** Tao Tao Liu, 2022-11-03 This is a concise and entertaining guide to the complex tradition of Chinese mythology While many around the world are familiar with some aspects of Chinese myth through Chinese New Year festivities or the classic adventures of the Monkey King in Journey to the West few outside of China understand the richness of Chinese mythology influenced by Daoism Buddhism and Confucianism Offering much more than any competing overview of Chinese mythology The Chinese Myths not only retells the ancient stories but also considers their place within the patterns of Chinese religions culture and history Tao Tao Liu introduces us to an intriguing cast of gods goddesses dragons and monks including the ancient hero Yi the Archer who shot suns out of the sky to save humanity from a drought Guanyin the Goddess of Mercy and Compassion to whom there are temples dedicated all over East Asia and Madame White Snake a water snake spirit in the guise of a mysterious widow her story adapted into countless films and operas This book is for anyone interested in China as knowing its myths allows readers to understand and appreciate its culture in a new light The Story of Qu Yuan Joy Cowley, Seok Moi Ng, 2004
