Natural Sorcery Marina Ermakova, 2020-04-23 Rome was supposed to be safe or at least safer than 90% of the planet That was before the local legends started using their magic to destroy the food supply Considered one of Rome's experts on legends mostly because she keeps surviving their assassination attempts Jordan finds herself racing to find the culprits before they strike again But legends wield powers that aren't documented understood or predictable And Jordan isn't even a soldier She's just some scientist unlucky enough to stumble over the local political mess The chances of getting murdered by magic beyond her comprehension is disconcertingly high But if this unknown legend goes unchecked Rome won't survive the next few years and Jordan doesn't have it in her to walk away from that Natural Sorcery is an urban fantasy adventure set in a post apocalyptic Italy and the second book in the Jordan Sanders series Book 1 Terrestrial Magic Book 2 Natural Sorcery Book 3 Predatory Power

Magic Wonderland Sanda Boca, 2022-12-05 My mom used to tell us to me and my sister stories about the heroes of the legends and their mythical animals As a young child I read many fairy tales I was always amazed of their world And then I started to wonder if they were only fantasy I travelled inside these stories throughout my mind and the more I read the more they seemed real to me I felt alive just imagining that I am a part of their world where I was always welcomed by everything and everybody My sister was always my companion in all my travels and she always took good care of me Before I knew it I grew up and I was blessed with a wonderful child His innocence and beautiful heart reminded me of our childhood where innocence was the name of our world My son was and is an inspiration for a fantasy world of my own Just for my him I decided to bring the myths and legends into our world I decided to give them life This book is a blend of magic fantasy and reality Here is the place where I brought together the mythical animals heroes stories about underworld life reality and magic The legends are so real in my book you feel like they were always part of us I always imagined reading stories to my grandchildren when they will go to bed at night I hope someday my wish will come true It is a happy book with happy ending In fact this is not the end it is the beginning of an adventure of a lifetime and never
