The Legends of the Jews: From Joseph to the exodus Louis Ginzberg, 1910

A Theology of Justice in Exodus Nathan Bills, 2020-10-16 This book traces the theme of justice throughout the narrative of Exodus in order to explicate how yhwh's reclamation of Israel for service worship reveals a distinct theological ethic of justice grounded in yhwh's character and Israel's calling within yhwh's creational agenda Adopting a synchronic text immanent interpretive strategy that focuses on canonical and inner biblical connections Nathan Bills identifies two overlapping motifs that illuminate the theme of justice in Exodus First Bills considers the importance of Israel's creation traditions for grounding Exodus's theology of justice Reading Exodus against the backdrop of creation theology and as a continuation of the plot of Genesis Bills shows that the ethical disposition of justice imprinted on Israel in Exodus is an application of yhwh's creational agenda of justice Second Bills identifies an educational agenda woven throughout the text The narrative gives heightened attention to the way yhwh catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhwh's justice These interpretative lenses of creation theology and

pedagogy help to explain why Israel's salvation and shaping embody a programmatic applicability of yhwh's justice for the wider world This volume will be of substantial interest to divinity students and religious professionals interested in the themes of exodus exile and return *The Legends of the Jews - Volume 2* Louis Ginzberg, 2015-06-01 **JOSEPH TO THE EXODUS The Legends of the Jews** Louis Ginzberg, 2006-09 To this day *Legends of the Jews* remains a most remarkable and comprehensive compilation of stories connected to the Hebrew Bible It is an indispensable reference on that body of literature known as Midrash the imaginative retelling and elaboration on Bible stories in which mythological tales about demons and magic coexist with moralistic stories about the piety of the patriarchs *Legends* is the first book to which one turns to learn about the postbiblical understanding of the biblical episode or to discover the source for biblical legends that cannot be traced directly to the Bible It is also the place to find answers to such questions as the date of Abraham's birth what was Moses' physical appearance and what was the name of Potiphar's wife **Matthew's Account of the Massacre of the Innocents in Light of its Reception History** Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2:16-18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2:16-18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives *The United Synagogue Recorder*, 1926 **The Legends of the Jews: Notes to volumes 1 and 2: From the creation to the exodus** Louis Ginzberg, 1925 **Set Them Free** Laurel Dykstra, 2014-10-15 A fresh look at the Exodus story that opens our eyes to injustice in today's world *The Jewish Pope* Joseph Sherman, 2017-12-02 To what extent do Yiddish language and literature derive from the dominant values of mainstream European culture How far did this culture shape the self-perception of Yiddish speaking Jews of Central and Eastern Europe How far did the ambivalent antagonistic attitude adopted towards Jews over many centuries in Christian Europe shape modern Jewish identity and culture Sherman deals with such questions in his close examination of the recurring treatment of the myth of the Jewish Pope in four Yiddish literary texts dating from between 1602 and 1943 The roots of this myth that one day a Jewish apostate might come to rule the world as Pope lie deep in the Biblical story of the assimilation of Joseph Genesis 37:50 from which it branches out into numerous Messianic fantasies informing Jewish existence through two thousand years of exile Concerned with broader questions of cultural identity this study should be of interest to a general readership **The Martyrdom of a Moroccan Jewish Saint** Sharon Vance, 2011-05-10 The martyrdom in 1834 of Sol Hatchuel a Jewish girl from Tangier traumatized the Jewish community and inspired a literary

response in Morocco and beyond This study focuses on works written in the first century after her death in Hebrew Judeo Arabic Judeo Spanish Spanish and French that tell her story and interpret its meaning The author places both the event and the texts that narrate it in their historical context and show how its significance changed in each language and literary setting The texts prose and poetic laments by North African rabbis and a romantic feuilleton from the Judeo Spanish press and their historical settings reveal the complex relations between Jews and Muslims in North Africa and the Ottoman Empire in the 19th century and the intersection between religious polemics and gender discourse

King David's Valley Gary Meaders, 2025-02-18 Each of God's children experiences trials tests and tribulations during their spiritual journey It is a journey traversing through various mountains plains and valleys The ultimate valley faced is the valley of the shadow of death This book provides a comprehensive view of this valley divided into its component parts such as the valley of promise the valley of rebellion the valley of restoration the valley of Messiah and the valley of salvation Approximately three hundred sources were reviewed and excerpted as supporting elements They are conspicuously noted perhaps slowing down the flow of the study's narrative However the nature of the call for this work was to restore silent voices those that though long gone are members of the great cloud of witnesses through their lifetimes ministries and character witnesses This study will acquaint readers with substantial resources to sustain their own understanding of the journey through life's most difficult and most rewarding valley

The Hermeneutics of the 'Happy' Ending in Job 42:7-17 Kenneth Numfor Ngwa, 2012-02-14 The hermeneutics employed in this work is partly referred to as hindsight hermeneutics and upholds the resonance and dissonance between the Epilogue of the Book of Job and the preceding sections Within the Theophany epilogue continuum rebuke and approval retribution and its suspension divine transcendence and accessibility are all held together The dramatically discordant traditions in the preceding section are not interpreted as competing alternatives but as complementary possibilities for understanding the nature of the divine human relationship and responding to the threat and reality of chaos and suffering

Let My People Live Kenneth N. Ngwa, 2022-04-12 Let My People Live reengages the narrative of Exodus through a critical life affirming Africana hermeneutic that seeks to create and sustain a vision of not just the survival but the thriving of Black communities While the field of biblical studies has habitually divided objective interpretations from culturally informed ones Kenneth Ngwa argues that doing interpretive work through an activist culturally grounded lens rightly recognizes how communities of readers actively shape the priorities of any biblical interpretation In the Africana context communities whose identities were made

disposable by the forces of empire and colonialism both in Africa and in the African diaspora across the globe likewise suffered the stripping away of the right to interpretation of both sacred texts and of themselves Ngwa shows how an Africana approach to the biblical text can intervene in this narrative of breakage as a mode of resistance By emphasizing the irreducible life force and resources nurtured in the Africana community which have always preceded colonial oppression the Africana hermeneutic is able to stretch from the past into the future to sustain and support generations to come Ngwa reimagines the Exodus story through this framework elaborating the motifs of the narrative as they are shaped by Africana interpretative values and approaches that identify three animating threats in the story erasure undermining the community's very existence alienation separating from the space of home and from the ecosystem and singularity holding up the individual over the collective He argues that what he calls badass womanism an intergenerational and interregional life force and epistemology of the people embodied in the midwives Miriam the Egyptian princess and other female figures in the story have challenged these threats He shows how badass womanist triple consciousness creates and is informed by communal approaches to hermeneutics that emphasize survival over erasure integration over alienation and multiplicity over singularity This triple consciousness surfaces throughout the Exodus narrative and informs the narrative portraits of other characters including Moses and Yahweh As the Hebrew people navigate the exodus journey Ngwa investigates how these forces of oppression and resistance shift and take new shapes across the geographies of Egypt the wilderness and the mountain area preceding their passage into the promised land For Africana these geographies also represent colonial global and imperial sites where new subjectivities and epistemologies develop
