Lehendy Lvova:

The Fantastic Worlds of Yuri Vynnychuk Yuri Vynnychuk, 2018-01-01 Yuri Vynnychuk is a master storyteller and satirist who emerged from the Western Ukrainian underground in Soviet times to become one of Ukraine's most prolific and most prominent writers of today. He is a chameleon who can adapt his narrative voice in a variety of ways and whose style at times is reminiscent of Borges. A master of the short story, he exhibits a great range from exquisite lyrical philosophical works such as his masterpiece *An Embroidered World* written in the mode of magical realism to intense psychological studies to contemplative science fiction and horror tales and to wicked black humor and satire such as his *Max and Me*. Excerpts are also presented in this volume of his longer prose works including his highly acclaimed novel of wartime Lviv *Tango of Death* which received the 2012 BBC Ukrainian Book of the Year Award. The translations offered here allow the English language reader to become acquainted with the many fantastic worlds and lyrical imagination of an extraordinarily versatile writer. This title has been realised by a team of the following dedicated professionals. Translated from Ukrainian by Michael M. Naydan with one translation by Askold Melnyczuk and two translations by Mark Andryczyk. Translations edited by Oksana Tatsyak. Maxim Hodak, Publisher. Max Mendor, Director. Ksenia Papazova, Managing Editor. [The Night Reporter](#) Yuri Vynnychuk, 2021-12-28. The events of the novel *The Night Reporter* take place in Lviv in 1938. Journalist Marko Krylovych, nicknamed the night reporter for his nightly coverage of the life of the city's underbelly, takes on the investigation of the murder of a candidate for president of the city government. While doing this, he ends up in various love intrigues as well as criminal adventures, sometimes risking his life. Police Commissioner Roman Obukh, who was suspended by administrators from the murder investigation, aids him in an unofficial capacity. Meanwhile, German and Soviet spies become involved, and Polish counterintelligence also takes an interest in the investigation. The picturesque and vividly described criminal world of Lviv of that time appears before us: dive bars, batyars, and establishments for women of ill repute. The reader will have to unravel riddle after riddle with the characters against the background of the anxious mood of Lviv's residents who are living in anticipation of war. *The Night Reporter* is a compelling journey into the world of the enthralling multicultural past of the city. [Writing from Ukraine](#) Mark Andryczyk, 2022-08-04. A selection of fifteen of Ukraine's most important dynamic and entertaining contemporary writers. Under USSR rule, the subject matter and style of literary expression in Ukraine was strictly controlled and censored. But once Ukraine gained independence in 1991, its literary scene flourished as the moving and delightful poems, essays, and extracts collected here show. There are fifteen authors included in this book, both established and emerging, and in this anthology we see them grappling with history and the future with big questions and small moments. From essays about Chernobyl to poetry about Robbie Williams, from fiction discussing Jimmy Hendrix live in Lviv to underground Ukrainian poetry of the Soviet era, *WRITING FROM UKRAINE* offers a unique window into a rich culture, a chance to experience a particularly Ukrainian sensibility and to celebrate Ukraine's nationhood as told by its writers.
