Encyclopedia of Beat Literature Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation

Seeing the Beat Generation Raj Chandarlapaty, 2019-05-10 Beat generation writers dismantled mainstream America They wrote under the influence of psychedelic drugs they crossed and navigated multicultural boundaries and questioned the American dream and they explored homosexuality feminism and hyper masculinity redefining America's marital and familial codes Teaching such a history can be daunting but film adaptations of Beat literature have proven to engage students This book looks closely at the film adaptations of works by such authors as Jack Kerouac Neal Cassady Allen Ginsberg William S Burroughs Gary Snyder Carolyn Cassady Amiri Baraka and Lawrence Ferlinghetti as they relate to American history and literary studies

Guy Davenport and James Laughlin Guy Davenport, James Laughlin, 2007 Still with his life as entwined as it was with New Directions Laughlin speaks often and interestingly about some of the giants of the modern period most often Ezra Pound in whose work Davenport had a deep interest The most distinct aspect of their correspondence stems from the fact that although Laughlin ended up publishing some of Davenport's work their friendship was the primary force behind their letters More than simply detailing an author publisher relationship these letters depict two fine minds educating and supporting each other in the service of literature
