Lenin Biography:

Lenin Robert Service,2011-02-21 Lenin is a colossal figure whose influence on twentieth century history cannot be underestimated Robert Service has written a calmly authoritative biography on this seemingly unknowable figure Making use of recently opened archives he has been able to piece together the private as well as the public life giving the first complete picture of Lenin This biography simultaneously provides an account of one of the greatest turning points in modern history Through the prism of Lenin s career Service examines events such as the October Revolution and the ideas of Marxism Leninism the one party state economic modernisation dictatorship and the politics of inter war Europe In discovering the origins of the USSR he casts light on the nature of the state and society which Lenin left behind and which have not entirely disappeared after the collapse of the Soviet regime in 1991 Immensely scholarly but also vivid and readable This is a splendid book much the best that I have ever read about Lenin I was overwhelmed by the power and vividness of this portrait Dominic Lieven Sunday Telegraph He has managed skilfully to depict the surreal life of an obsessive brilliant and stubborn individual Guardian Lenin s life was politics but Service has succeeded in keeping Lenin the man in focus throughout This book deserves a place among the best studies of one of the most fascinating figures in modern history Harold Shukman The Times

Lenin: A Political Life Robert Service, 2016-07-27 In this second volume of his Lenin trilogy Robert Service builds on the approach established in the first He emphasises the extraordinary circumstances in Russia and the world enabling Lenin to come to power in 1917 He also details ways whereby Lenin led a turbulent Bolshevik party and adjusted its policies so as to gain authority in the soviets Lenin the crafty and pragmatic politician as well as the utopian and merciless class warrior are portrayed

Lenin Victor Sebestyen, 2017-11-07 Victor Sebestyen's riveting biography of Vladimir Ilyich Lenin the first major biography in English in nearly two decades is not only a political examination of one of the most important historical figures of the twentieth century but also a fascinating portrait of Lenin the man Brought up in comfort and with a passion for hunting and fishing chess and the English classics Lenin was radicalized after the execution of his brother in 1887 Sebestyen traces the story from Lenin's early years to his long exile in Europe and return to Petrograd in 1917 to lead the first Communist revolution in history Uniquely Sebestyen has discovered that throughout Lenin's life his closest relationships were with his mother his sisters his wife and his mistress The long suppressed story told here of the love triangle that Lenin had with his wife Nadezhda Krupskaya and his beautiful married mistress and comrade Inessa Armand reveals a more complicated character than that of the coldly one dimensional leader of the Bolshevik Revolution With Lenin's personal papers and those of other leading political figures now available Sebestyen gives us new details that bring to life the dramatic and gripping story of how Lenin seized power in a coup and ran his revolutionary state The product of a violent tyrannical and corrupt Russia he chillingly authorized the deaths of thousands of people and created a system based on the idea that political terror against opponents was justified for a greater ideal An old comrade who had once admired him said that Lenin desired the good but created evil This included his invention of Stalin who would take Lenin's system of the gulag and the secret police to horrifying new heights In Lenin Victor Sebestyen has written a brilliant portrait of this dictator as a complex and ruthless figure and he also brings to light important new revelations about the Russian Revolution a pivotal point in modern history With 16 pages of black and white photographs

Three who Made a Revolution Bertram David Wolfe, 2001 The lives of three men who made the Russian Revolution possible Lenin Trotsky and Stalin are the focus of this biographical account of the rise of socialism in the late 19th and early 20th centuries Bertram Wolfe a political scientist and historian of Russia knew Trotsky and Stalin personally and here brings his profound insider's knowledge to bear on his subjects Three Who Made a Revolution recounts the early lives and influences of the three leaders and shows the development of their diverging ideologies as decades gave strength to their cause and brought Russia closer to its turning point a revolution that would alter the course of the twentieth century

Lenin's Childhood Isaac

Deutscher,2024-01-23 When he died suddenly in 1967 Isaac Deutscher had completed only the compelling first chapter of a long anticipated biography of Lenin published here It covers Lenin s family background birth and early years in the backwater town of Simbirsk up to the execution of his brother a traumatic formative event Drawing on a lifetime of background research including access to the closed section of Trotsky s archives Lenin s Childhood gives a novel interpretation of the earliest influences on Lenin s personality and thinking Most of all it is a glimpse into an unfinished work which would have striven to save Lenin from fanatical anti revolutionary condemnation and perhaps more important from uncritical communist beatification This anniversary edition includes an introduction by Deutscher s biographer Gonzalo Pozo which situates the Lenin project within Deutscher s oeuvre and discusses the sources influences and evolution of his never completed life of Lenin Lenin Дмитрий Антонович Волкогонов,1994-10-12 The first biography of the Soviet founder based on full access to the newly opened Russian archives This compelling story of Lenin and the system he created demonstrates that many of the characteristics of so called Stalinism were firmly laid down in Lenin s lifetime usually on Lenin s direct orders 8 page photo insert **Lenin's Last Struggle** Moshe Lewin,2010-05-18 One of the great political strategists of his era V I Lenin continues to attract historical interest yet his complex personality eludes full understanding This new edition of Moshe Lewin s classic political biography including an afterword by the author suggests new approaches for studying the Marxist visionary and founder of the Soviet state Lenin s Last Struggle offers invaluable insights into the rise of the Bolshevik party and the Soviet Union a saga complicated by complex strategic battles among the leaders of Lenin s generation leaders whose names are universally known but whose personalities and motivations are even now not sufficiently understood Moshe Lewin was a collective farm worker in the USSR and a soldier in the Soviet army He later became director of studies at the Ecole Pratique des Hautes Etudes in Paris a fellow of the Kennan Institute a senior fellow of Columbia University s Russian Institute and is now emeritus professor of history at The University of Pennsylvania Lenin James D. White,2017-03-14 A political and intellectual biographical study of Lenin which focuses on those aspects of his thought and political activities that had a bearing on the accession of the Bolsheviks to power in Russia in 1917 and the creation of the Soviet state The book places Lenin in the context of his times and shows his relationship to other socialist thinkers In particular it locates Lenin within the development of Marxist thought in Russia Its historiographical chapter reveals the political factors which influenced the way biographies of Lenin were written in the Soviet Union The book makes extensive use of first hand materials including sources from the Russian archives *Vladimir Lenin* Vladlen Loginov,2019-03 In his book Lenin How to Become a Leader Vladlen Loginov one of Russia s leading authorities on Vladimir Lenin discusses the revolutionary leader s early years his family his political awakening and subsequent activities He reveals the beginnings of the creator of the world s first socialist country as well as the source of the future statesman s incredible willpower his ability to influence people his drive to succeed and his leadership qualities All of these the book demonstrates were intrinsic to

Reconstructing Lenin Tamás Krausz, 2015-02-27 Vladimir Ilyich Lenin is among the most enigmatic and influential figures of the twentieth century While his life and work are crucial to any understanding of modern history and the socialist movement generations of writers on the left and the right have seen fit to embalm him endlessly with superficial analysis or dreary dogma Now after the fall of the Soviet Union and actually existing socialism it is possible to consider Lenin afresh with sober senses trained on his historical context and how it shaped his theoretical and political contributions Reconstructing Lenin four decades in the making and now available in English for the first time is an attempt to do just that Tamás Krausz an esteemed Hungarian scholar writing in the tradition of György Lukács Ferenc Tókei and István Mészáros makes a major contribution to a growing field of contemporary Lenin studies This rich and penetrating account reveals Lenin busy at the work of revolution his thought shaped by immediate political events but never straying far from a coherent theoretical perspective Krausz balances detailed descriptions of Lenin's time and place with lucid explications of his intellectual development covering a range of topics like war and revolution dictatorship and democracy socialism and utopianism Reconstructing Lenin will change the way you look at a man and a movement it will also introduce the English speaking world to a profound radical scholar **V.I. Lenin** Maria Pavlovna Prilezhayeva, 1973 **Lenin** Lars T. Lih, 2011-05-15 After Karl Marx Vladimir Lenin 1870-1924 is the man most associated with communism and its influence and reach around the world Lenin was the leader of the communist Bolshevik party during the October 1917 revolution in Russia and he subsequently headed the Soviet state until 1924 bringing stability to the region and establishing a socialist economic and political system In Lenin Lars T Lih presents a striking new interpretation of Lenin's political beliefs and strategies Until now Lenin has been portrayed as a pessimist with a dismissive view of the revolutionary potential of the workers However Lih reveals that underneath the sharp polemics Lenin was actually a romantic enthusiast rather than a sour pragmatist one

who imposed meaning on the whirlwind of events going on around him This concise and unique biography is based on wide ranging new research that puts Lenin into the context both of Russian society and of the international socialist movement of the early twentieth century It also sets the development of Lenin s political outlook firmly within the framework of his family background and private life In addition the book s images which are taken from contemporary photographs posters and drawings illustrate the features of Lenin s world and time A vivid non ideological portrait Lenin is an essential look at one of the key figures of modern history
