**Time to Get Tough** Michael J. Coles,Catherine M. Lewis,2018-10-01 Michael J Coles the cofounder of the Great

American Cookie Company and the former CEO of Caribou Coffee did not follow a conventional path into business. He does not have an Ivy League pedigree or an MBA from a top ten business school. He grew up poor, starting work at the age of thirteen. He had many false starts and painful defeats, but Coles has a habit of defying expectations. His life and career have been about turning obstacles into opportunities, tragedies into triumphs, and poverty into philanthropy. In *Time to Get Tough*, Coles explains how he started a 100 million company with only 8,000, overcame a near-fatal motorcycle accident, ran for the U.S. Congress, and set three transcontinental cycling world records. His story also offers a firsthand perspective on the business, political, and philanthropic climate in the last quarter of the twentieth century and serves as an important case study for anyone interested in overcoming a seemingly insurmountable challenge. Readers will also discover practical leadership lessons and unconventional ways of approaching business.

**The Invisible Man's Socks** Alex Shearer, 2012-06-28 Prepare to be terrified by the exhibits at the Museum of Little Horrors. But make sure you heed the warning: DO NOT TOUCH. For ignoring these instructions can only lead to trouble. Monstrously terrible trouble. But Mr. Ellis's class doesn't take instructions as seriously as they should, and after running riot in the museum, the pupils aren't quite feeling themselves. Ashwin is a little sharper of tooth, Michael is a little less visible, even Mr. Ellis seems a little bit hairier, and altogether they're just a little bit scarier. Will Mr. Ellis and his fiendish class find a way of lifting the evil curse and learn their lesson?

My Senior Year Jim Towne, 2021-09-30 *My Senior Year* is the story of a seventeen-year-old boy whose life is turned upside down when he is forced to move to a new city one day before the beginning of his senior year of high school. But more than that, the story of Nick Bradford and the Belmont Street Boys is one of friendship that grows into lasting community. Along the way, Nick sees what life can become when people of influence use their power to serve others. Told in the style of a memoir, *My Senior Year* is a coming-of-age story filled with laughter, pathos, surprises, and the kind of interesting people found in the mixed culture of Pueblo, Colorado.

**Killer Fat** Natalie Boero, 2012-09-12 In the past decade, obesity has emerged as a major public health concern in the United States and abroad. At the federal, state, and local level, policy makers have begun drafting a range of policies to fight a war against fat, including body mass index (BMI) report cards, snack taxes, and laws to control how fast food companies market to children. As an epidemic, obesity threatens to weaken the health, economy, and might of the most powerful nation in the world. In *Killer Fat*, Natalie Boero examines how and why obesity emerged as a major public health concern and national obsession in recent years. Using primary sources and in-depth interviews, Boero enters the world of bariatric surgeries, Weight Watchers, and Overeaters Anonymous to show how common expectations of what bodies are supposed to look like help to determine what sorts of interventions and policies are considered urgent in containing this new kind of disease. Boero argues that obesity, like the traditional epidemics of biological contagion and mass death, now incites panic, a doomsday scenario that must be confronted in a struggle for social stability. The war on obesity, she concludes, is a form of social control. *Killer Fat* ultimately offers an alternate framing of the nation's obesity problem based on the insights of

to flag rank and pleasant duty upon the sub's decommissioning. Now he is trapped in an inconceivably dangerous and illegal mission which could easily end his career if not his life and the lives of his crew. But it's the crew who feel Hardy's tension as he tyrannizes everyone on board to ensure they'll be ready for anything. Jerry Mitchell, a former naval pilot with political connections, he is a novice submariner unprepared for his demanding job as a weapons officer. Central to the Memphis's mission, Mitchell may be its greatest liability or its ultimate salvation. Dr. Joanna Patterson, the senior civilian scientist appointed by and reporting to the president, she is a world-class expert on nuclear fuel contamination and every bit as demanding as Hardy. Patterson and her partner Dr. Emily Davis soon find themselves battling flaring tempers, faulty machinery, lethal radioactivity, and the raging arctic seas. The submariners seething with rage at their Captain Bligh-like commander and the equally domineering Joanna Patterson, they are also at war with Jerry Mitchell and one another. Like the captain, they feel they deserve better: not this antiquated relic, not this hostile scientist, not this novice weapons officer, and definitely not this disastrously dangerous mission. Nor is the mission what it seems. Lurking beneath the frigid black radioactive waters is a secret far more deadly than anything naval command could imagine: a secret so menacing the Russian Fleet is hell-bent on destroying the Memphis and all who sail in her. *He Is Our Strength* Barbara Wilson, 2012-06-01. Beth grew up with her mother constantly criticizing her and making her feel like she wasn't capable of doing things on her own. When she was nineteen, she escaped her home life by eloping with Nathan, a twenty-nine-year-old who turned out to be as critical and controlling as her mother. Her life changed when she met Tammy while working at a Day Care Center. Not only did they become friends, but Tammy told her about God and His son Jesus and how He could change her life. During a major crisis in Beth's life, God saved her. Tammy was there to support her and explained to her that God would give her the strength to get through this crisis and others she may encounter. In the years that followed, she experienced good times but also some serious times. Through God's grace, she learned to depend on His strength to get through them.
