Inspire Integrity is addicting It focuses on what it means to live an authentic life Its chapters encourage people of all ages and circumstances to understand that authentic success comes from the attainment of 1 a sincere sense of contentment 2 strong personal relationships and 3 a solid character This is much different from worldly success such as excessive wealth fame and popularity things which in and of themselves do not have the capacity to make a person happy It is designed to help people look critically at their life think through their decisions set priorities and goals develop a solid character avoid serious mistakes and discover their true passion in life It draws on the major ethical frameworks of Aristotle Mill and Kant as well as the Golden Rule as tools to avoid Benjamin Franklin s warning that people tend to get old too soon and wise too late It presents a roadmap to accomplish this mission and advocates that each reader start the journey to authentic success now Inspire Integrity focuses on the story of Cash the racing greyhound who is world famous and has won tens of millions of dollars winning races The biggest race of his life is on the horizon and everyone is there including the press to cover history in the making If he wins the race his owner will receive a million dollar prize The night before the race Cash reveals he s not going to race the next day and that he is retiring completely Shocked the owner asks him whether he is hurt mad at her or too old He responds that it s none of those things In fact he s been doing a lot of critical thinking about his life and has come to the conclusion that all he s ever done is run around dirt racetracks and he just cannot do it anymore He finally understands that those little white rabbits that everyone encourages him to chase day and night aren t even real

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
