Miqvaot. Literary and historical problems Jacob Neusner,2023-09-20 The history of Jews from the period of the Second Temple to the rise of Islam Form-Analysis and Exegesis Jacob Neusner,2012-04-01 **Studies in the History of Russian-Israeli Literature** Roman Katsman,Maxim D. Shrayner,2023-05-16 This collection of essays covers a hundred year history of Russian language literature in Israel including the pre state period Some of the studies are devoted to an overview of the literary process and the activities of its participants others to individual genres and movements As a result a complex and multifaceted picture emerges of a not quite fully defined but very lively and dynamic community that develops in the most difficult conditions The contributors trace the paths of Russian Israeli prose poetry and drama various waves of avant garde fantasy and critical thought Today in Russian Israeli literature the voices of writers of various generations and waves of repatriation are intertwined from the seventies to the war aliyah of the recent times Both the Russian Israeli authors and their critics often hold different opinions of their respective roles in Israel s historical and literary storms While disagreeing on the definition of their place on the map of modern culture Russian Israeli writers are united by a shared bond with the fate of the Jewish state **The Book of Jeremiah** ,2018-07-17 Written by leading experts in the field The Book of Jeremiah Composition Reception and Interpretation offers a wide ranging treatment of the main aspects of Jeremiah Its twenty four essays fall under four main sections The first section contains studies of a more general nature and helps situate Jeremiah in the scribal culture of the ancient world as well as in relation to the Torah and the Hebrew Prophets The second section contains commentary on and interpretation of specific passages or sections of Jeremiah as well as essays on its genres and themes The third section contains essays on the textual history and reception of Jeremiah in Judaism and Christianity The final section explores various theological aspects of the book of Jeremiah **The Literature of the Jewish People in the Period of the Second Temple and the Talmud, Volume 3 The Literature of the Sages** Shmuel Safrai,2014-12-15 The literary creation of the ancient Jewish teachers or Sages also called rabbinic literature consists of the teachings of thousands of Sages many of them anonymous For a long period their teachings existed orally which implied a great deal of flexibility in arrangement and form Only gradually as parts of the amorphous oral tradition became fixed was the literature written down a process that began in the third century CE and continued into the Middle Ages Thus the documents of the rabbinic literature are the result of a remarkably long and complex process of creation and editing This volume gives a careful and succinct analysis both of the content and specific nature of the various documents and of their textual and literary forms paying special attention to the continuing discovery and publication of new textual material The contributors are all engaged in academic teaching and research in Israel Incorporating ground breaking developments in research their essays give a comprehensive presentation published here for the first time Daily Report, Foreign Radio Broadcasts United States. refuseniks are not the leaders of the Soviet Jews but rather an isolated minority with most Jews being assimilated acculturated and uninterested in fleeing Other essayists look at the ambivalent role traditionally played by the Soviet Union in both allowing some forms of cultural expression and suppressing any efforts at individual religious practice Others explore the revival of Jewish culture as instanced by underground teaching of Hebrew A major debate involves the Nature of Jewish emigration whether the Jews will go to Israel or to America **The Living Age** ,1926 **Judaica Librarianship** ,1991

Ex-Soviets in Israel L. L. Fialkova, Maria N. Yelenevskaya, 2007 A groundbreaking study of personal stories from ex Soviet immigrants in Israel bringing together scholarship in anthropology sociology linguistics semiotics and social psychology In the final years of the Soviet Union and into the 1990s Soviet Jews immigrated to Israel at an unprecedented rate bringing about profound changes in Israeli society and the way immigrants understood their own identity In this volume ex Soviets in Israel reflect on their immigration experiences allowing readers to explore this transitional cultural group directly through immigrants thoughts memories and feelings rather than physical artifacts like magazines films or books Drawing on their fieldwork as well as on analyses of the Russian language Israeli media and Internet forums Larisa Fialkova and Maria N Yelenevskaya present a collage of cultural and folk traditions from Slavic to Soviet Jewish and Muslim to demonstrate that the mythology of Soviet Jews in Israel is still in the making The authors begin by discussing their research strategies explaining the sources used as material for the study and analyzing the demographic profile of the immigrants interviewed for the project Chapters use immigrants personal recollections to both find fragments of Jewish tradition that survived despite the assimilation policy in the USSR and show how traditional folk perception of the Other affected immigrants interaction with members of their receiving society The authors also investigate how immigrants perception of time and space affected their integration consider the mythology of Fate and Lucky Coincidences as a means of fighting immigrant stress examine folk linguistics and the role of the lay person s view of languages in the life of the immigrant community and analyze the transformation of folklore genres and images of the country of origin under new conditions As the biggest immigration wave from a single country in Israel s history the ex Soviet Jews make a fascinating case study for a variety of disciplines Ex Soviets in Israel will be of interest to scholars who work in Jewish and immigration studies modern folklore anthropology and sociolinguistics
