From Man To God An Lds Scientist Views Creationprogression And Exhaltation:

From Man to God William E. Harris,1989 **The Search for Harmony** Gene Allred Sessions,Craig J. Oberg,1993 The conservatives science often seems to be at cross purposes with God as anthropologists dig up hominids astronomers talk about the end of the universe quantum physicists dismiss the possibility of prophecy and genetic researchers produce offspring from a single parent Traditionalists wonder where the divine order is in all of this There was a time when Latter day Saints seemed impervious to such theological conundrums The assumption was that LDS teachings were scientific and that research would prove the truth of Mormonism Books were written about rational theology and Joseph Smith as scientist Students at church schools celebrated Darwin s birthday without hint of controversy believing that evolution confirmed eternal progression In *The Search for Harmony* fifteen scholars document the striking reversal over the past half century beginning with Joseph Fielding Smith s and James E Talmage s clash over the age of the earth Although the church sided with Talmage at the time the membership eventually accepted Smith s views and the rhetoric of other church leaders sermons became increasingly hostile toward empiricism Contributors suggest that this antagonism could be averted to the benefit of the church They explain why in light of the details of both science and LDS theology *Mormon Essays: Science and Mormonism, a Study of Harmony and Conflict; Joseph Smith and Science: the Methodist Connection; the Book of Abraham:Toward a Comprehensive Theory of the Text; the House of Israel in Mormon Theology* Michael T. Walton,Phyllis J. Walton,2007-04-01 The essays contained in this volume were composed as lectures throughout the 1980 s The studies on science and Mormonism and the House of Israel are the work of Michael T Walton The analysis of the Book of Abraham is a joint composition of Phyllis J Walton and Michael T Walton They were never intended as definitive studies rather as encouragements to scholars to look at certain issues and patterns of facts They were well received at the time of delivery They are noted from time to time in scholarly works and listed on internet search engines and book lists Because they have been cited and because they are listed as our work we were concerned that they were not readily available for consultation We have also taken the opportunity to correct some but not all spelling and grammatical errors clarify certain comments and very occasionally add information They remain however a product of their time and do not reflect current scholarship *The Gospel Trumpet* ,1914 **The Index ...** Benjamin Franklin Underwood,1883 **Herald and Presbyter** ,1900 **True Latter-Day Saints' Herald** ,1886 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **Congressional Record** United States.
