From Cuba With Love:

From Cuba with Love Megan D. Daigle, 2015-01-16 *From Cuba with Love* deals with love, sexuality and politics in contemporary Cuba. In this beautiful narrative, Megan Daigle explores the role of women in Cuban political culture by examining the rise of economies of sex, romance and money since the early 1990s. Daigle draws attention to the violence experienced by young women suspected of involvement with foreigners at the hands of a moralistic state, an opportunistic police force and even their own families and partners. Investigating the lived realities of the Cuban women and some men who date tourists and offering a unique perspective on the surrounding debates, *From Cuba with Love* raises issues about women's bodies, what they can or should do and equally what can be done to them. Daigle's provocative perspective will make readers question how race and politics in Cuba are tied to women and sex and the ways in which political power acts directly on the bodies of individuals through law, policing, institutional programs and social norms. **From Cuba with Love: My**

Father's American Success Story Chris Umpierre, 2017-11-15 Discover how a Cuban native left his homeland after Fidel Castro's communist takeover, trained for a massive planned U.S. military attack on Castro and overcame language and cultural barriers to excel in America. *From Cuba with Love* details Pablo Umpierre's idyllic childhood before communism. Castro nationalized all businesses, including the robust retail business Umpierre's father had worked a lifetime to create. Pablo Umpierre chose to leave his parents, brother and extended family for a new life. When he arrived in Miami on June 16, 1962, Pablo Umpierre had just 10 cents to his name. Pablo Umpierre ended up joining a top secret Cuban brigade commissioned by the U.S. Army. Learn about the underreported volunteer Cuban battalion where the group trained, how the group was honorably discharged, how Umpierre settled in Los Angeles, Calif., met singer Dean Martin, found the love of his life and started a family.
