Straw,2020-03-05 The Hidden Power of Systems Thinking Governance in a Climate Emergency is a persuasive lively book that shows how systems thinking can be harnessed to effect profound complex change In the age of the Anthropocene the need for new ways of thinking and acting has become urgent But patterns of obstacles are apparent in any action be they corporate interests lobbyists or outdated political and government systems Ison and Straw show how and why failure in governance is at the heart of the collective incapacity to tackle the climate and biodiversity emergencies They go beyond analysis of the problem and demonstrate how incorporating systems thinking into governance at every level would enable us

to break free of historical shackles They propose 26 principles for systemic governance This book will be inspiring reading for students applying their systemic methods specialists in change management or public administration activists for whole system change and decision makers wanting to effect challenging transformations It is for anyone with the ambition to create a sustainable and fair world **Hidden Power** James K. Van Fleet,1987-11-01 Explains how the subconscious mind works

tells how to communicate with the subconscious and describes the ways in which it can lead one to success Hidden Power John G. Willacy,1917 *Dimensions in Wholistic Healing* Herbert Arthur Otto,1979 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) **All Your Prayers Are Answered** Sam

Menahem,2000-10 This book answers several questions that have perplexed people throughout the ages Why do good people get sick and suffer misfortune Can prayer help and heal Is God powerful but not omnipotent Or does God have varying answers to prayers This book suggests that all of us are alive for a reason to learn and grow spiritually This growth requires a movement toward faith love forgiveness and unity Positive movement in these areas helps us deal with fear hate guilt and inferiority These psychological problems are also opportunities for growth As we learn to pray more effectively we are healed spiritually psychologically and often physically We need to look at life as a beautifully unfolding divine plan If all prayers were answered with instantaneous miraculous healings people would not learn to take responsibility for their thoughts feelings and behavior They would just turn to God to bail them out or provide selfish gain Thus all prayers are answered in a way that can lead to the maturity necessary to pray more effectively Only God knows the next step in each person s journey Our job is to surrender to divine direction take responsibility for ourselves and do what we need to do and accept all results Prayer leads to maturity peace and happiness which in turn leads to more effective prayer **Stolen Wealth, Hidden**

Power Tasseli McKay,2022-09-06 *Stolen Wealth Hidden Power* contends that the deep economic inequality and racial disparities that Americans take for granted have been quietly held in place by the four decade campaign of racialized state violence known as mass incarceration Tasseli McKay presents detailed evidence that the steep direct costs of mass scale imprisonment are far overshadowed by its hidden costs and harms many of which have been kept out of sight by women s invisible labor Finding that the economic value of the damages to Black individuals families and communities totals 7 13 trillion a sum equivalent to 85 percent of the current Black White household wealth gap McKay points to the urgency and feasibility of reparation and to the possibilities that lie beyond it The Hidden Power of Aikido Susan Perry,2024-04-02
