Review**, 1904 Journey to Jesus Kent Jorgen Burreson, Rhoda Grever Schuler, 2025-06-03 When many Christian
congregations are asking How can we draw new members into our midst the authors reframe the question How can
congregations make new disciples and deepen the faith of long time Christians Rediscovery of the early church
catechumenate provides a means to form new disciples in today's culture Inspiring case studies of four congregations
emphasize the contextual flexibility of adult faith formation Interviews with catechumenal leaders and participants in adult
faith formation reveal how a catechumenate that is central to congregational life can energize and orient the people of God
toward the mission of God Opening windows into congregational life especially at worship those who had journeyed through
the adult faith formation process describe their experiences and the profound changes that took place in them Adult faith
formation is a journey not a program of belonging believing and behaving that draws people into Christ's orbit for life As one
participant said For the first time I understood what it meant to be a Christian Through the adult catechumenate she heard
the voice of Christ calling her to new life and a rich baptismal identity **You Are Personally Invited To... Discipleship

The Family that Overtook Christ M. Raymond,2014-01-10 This book is the fascinating account of a family that took seriously the challenge to follow Christ and to overtake Him With warmth and realism Venerable Tescelin Blesseds Alice Guy Gerard Humbeline Andrew Bartholomew Nivard and St Bernard step off these pages with the engaging naturalness that attracts imitation Here is a book that makes centuries disappear as each member of this unique family becomes an inspiration in our own quest of overtaking Christ One of the Biggest figures in this book is Bernard of Clairvaux He was called the man of his age the voice of his century His influence towered above that of his contemporaries and his sanctity moved God Himself Men flocked to him some in wonder others in curiosity but all drawn by the magnetism of his spiritual giant hood Bernard who or what fashioned him to be suitable for his role of counseling Popes healing schisms battling errors and filling the world with holy religious and profound spiritual doctrine Undoubtedly Bernard is the product of God s grace But it is hard to say whether this grace is more evident in Bernard himself or in the extraordinary family in which God chose to situate this dynamic personality
